Words For The World

"The validity of men's belief in God is dying out in every land; nothing short of His wholesome medicine can ever restore it. The corrosion of ungodliness is eating into the vitals of human society; what else but the Elixir of His potent Revelation can cleanse and revive it? The Force capable of such a transformation transcendeth the potency of the Elixir itself. The Word of God, alone, can claim the distinction of being endowed with the capacity required for so great and far-reaching a change."
Words of Baha'u'llah ("The Glory of God")

Thoughts For Our Time

By His Eminence Cardinal McGuigan

CHRIST EXEMPLIFIES TRUE FRIENDSHIP

November is associated in our
minds with memories of our sol-
dier dead. Most of us will have some
special place in our thoughts and
prayers at this time for those men
who gave their lives in two world
wars.

Remembrance Day has come
and gone but that does not mean
that our duty to their memory
has been accomplished. We owe
them a debt of gratitude which we
cannot repay in two minutes
of silence.

It is a very heartening sign of
our sincerity that we continue,
despite the temptation to become
disillusioned, to hope for the
establishment of the peace which
our soldiers fought and died to
achieve. If we should ever des-
pair of finding peace in the world,
our betrayal of their cause would
be very real.

In the sacrifice of our honor-
able dead, there is the inspiration
of admiration for their virtue and
reverence for their fearless love,
their willingness to die there is a
lesson for Canadians, indeed for all
people, always. It lies in the
realizations that there are some
things in life for which we must
be ready to die; that there are
some things without which life has
no meaning and no purpose.
