ADDRESS ON MANLINESS.—R. R. Fitzgerald will speak at the military encampment tonight at 8 o'clock on "Manliness." There will also be some singing.

ANTI-TABACCO.—The local law is now in force which prohibits minors under eighteen years of age from using tobacco in any form.—St. John Telegraph.

MASONIC.—A special meeting of St. John's and Victoria lodges will be held this (Thursday) evening at 7.30 o'clock. The M. W. Grand Master of New Brunswick will be present.

EVILS.—In the report of Charles Stale's evidence published yesterday, it was stated that he met Larter in Watson's drugstore. The report should have read "on the street near Watson's drugstore."

POLICE COURT.—This morning Michael Power and William Power, charged with assaulting Officer Bradley and Taylor, were remanded until tomorrow. The assault case of Kelly vs. Power was also adjourned until the same day.

TODAY'S EVENTS.—There are two picnics and a tea party in progress today. The Second Methodist Sabbath School picnic is being held at North Wiltshire, the St. James' Church picnic at Shaw's Wharf, and there is a grand tea at Eldon.

MASONIC TEMPLE.—At the annual meeting of the Masonic Temple Company, held last evening, the following officers were elected: W. W. Crable, Benj. Rogers, Thomas A. McLean, W. W. Stanley and Geo. W. Wakeford. Duncan McLean was re-elected secretary-treasurer.

STEAMERS MOVEMENTS.—The Fastnet arrived from Summerside this morning and will leave on return to Halifax this afternoon about 4 o'clock, taking a large cargo. Dr. Brice will be a passenger.

The Carroll is loading for Boston. She will leave this evening at 6 o'clock.

The Bonavista will be due here from Montreal on Monday, 17th inst., and will sail some day for Sydney and St. John's.

DR. STEWART'S.—A thoughtful friend of THE EXAMINER left a box of garden strawberries at the EXAMINER office this forenoon. A gentleman shortly afterwards came in, and was asked if he would take one. His answer was: "No, thank you, I've just had my dinner." From this reply some idea of the size of the luscious berries may be formed.

ORANGE TEA.—There was a large attendance at the Orange tea at Bradshaw's yesterday. The train from Charlottetown was crowded. On the grounds everything passed off quietly and successfully. The great event of the day was the parade of members of the different lodges headed by the Artillery Band. The band discoursed excellent music at intervals during the days.

THE CHAPLAIN GOT BATTLED.—A Hamilton, Ont., despatch states: "Excel's Lodge, L. O. O. F., has won the silver cup offered by Dr. Anderson, D. D. G. M.; to the lodge in this district whose officers conducted the initiatory rite in the most approved manner. The competition narrowed down to Unity and Excelsior lodges, and it was thought that Unity would win; but at the last moment the chaplain of that lodge got rattled and couldn't repeat the Lord's prayer, thus losing the cup."

RECENT ACCIDENTS.—A boy named Weatherlie, who started one of the machines in Quirk's Bakery yesterday, had both hands badly cut. In the market house a day or two ago, a young lad whose name we have not learned had the top taken off one of his fingers with a cleaver. Last week a carpenter named James Handrahan had a part of one finger accidentally removed by a fellow-workman with an axe.

POTATOES BOOMING IN HALIFAX.—There is a boom in the potato market, owing to the demand from the States being greater than was anticipated. Prices have gone up about 10c a bushel. P. E. I. are now retailing at 45c. Nova Scotia at 60c, with scant supply. It was thought last month that all the old stock wouldn't be used up, but there is not likely to be enough for the demand until the new crop comes in sufficiently. There have been a few new ones already.—(Monday's Recorder.)

IS THE SIXTY MILLION MARKET.—T. R. Mitchell, of the firm of Mitchell & Ross, St. Stephen, has just received a letter from his brother W. G. Mitchell, dated Granite, Montana, July 1st, in which he deplores the condition of business. At the present time the mines are all shut down, and the people are leaving as fast as they can. Bank failures are reported, and time and postage are unable to get any money out of the banks. The business outlook is very blue indeed.—(St. Croix News.)

INSTANTLY KILLED.—Johnny Campbell, Seven Years Old, Thrown From a Horse.

A sad affair was that at Hartland Wash., last night which resulted in the death of Johnny Campbell, a seven-year-old boy, the only son of Mr. and Mrs. Angus Campbell. While returning from school on ponies, an older boy proposed a race. The little fellow accepted the friendly challenge, and after running some distance lost control of the animal. The horse, seeing three Johnny's violently to the ground, striking on the back of his head. He was instantly killed by the force of the concussion. His companion was terrified at the unexpected result and at once sought aid. Upon arrival he was found to be dead, and was afterward conveyed to the home of his parents, who were grieved at the news. Both are old people and their hopes had all centered upon their only child. He will be brought here for interment and the funeral will take place from the Catholic church at one o'clock tomorrow.—(Halifax Daily Chronicle, June 30th, 1893.)

In connection with the notice of the above fatal accident it may be mentioned that Mr. and Mrs. Campbell have referred to have a host of friends in The Dalles, Oregon, Portland, Oregon, and San Francisco, Cal., as well as in their native home, Prince Edward Island, who will regret very much to learn of their sad affliction, and who will sympathize with them in the loss of their dearly loved boy. Mr. Campbell who has been on the Pacific coast for nearly forty years, is a native of Bayfield, Let 46, King's County, and a brother of Capt. Jos. Campbell, late of that place, and Mrs. Campbell, nee Lizzy Macdonald, is a daughter of Alexander Macdonald, Esq., of Vernon River.

CONVENTION OF LIBERAL-CONSERVATIVES AT CARDIGAN BRIDGE.

Unanimous Nomination of Cyrus Shaw and James E. Macdonald, Esqs.

A meeting of delegates from the several polling districts of the Third District of King's County was held at Cardigan Bridge, Tuesday, the 11th inst. The following delegates were present, viz: Samuel Macdonald, Mal Matheson, Dundas; P. J. D. Edmunds, Patk Brothers, Thos Kouzhan, Richard Gill, James Kelly, Thos Dunlop, Alex. Murphy, Gregory Kelly, Thos Dunn, Lot 66; John Kenney, John Curran, Edward Walsh, Robt Curran, Wm Sullivan, Jas Lannan, John Dewar, Thos Corcoran, Daniel Shaw, Daniel McGregor, Jas J. McWade, John Hater, Thos Malish, Michael Cullen, Lot 51; Daniel Robertson, Patk Kelly, Montague Bridge Wm Moar, Bradenell; P. A. Kelly, Rosemeath; Alfred Gordon, G. F. Owen, J. J. McDonald, Fado Gordon, David Shaw, Terence Power for Plummer's polling district; John Sigworth, John Plyor, Michael Bolden, Michael Costello, William Wilson, Alex. McGilveray, Hugh McCormack, John Fogarty, A. A. Allan, Thomas Corcoran, for Cardigan polling district.

The meeting was organized by appointing John J. Macdonald, Esq., Montague Bridge, to the chair, who, after explaining why the convention had been called, requested the late representatives, Messrs. Shaw and Macdonald, to address the meeting. Messrs. Shaw and Macdonald made short speeches, and thanked the electors for the confidence placed in them at the late elections and intimated their intention to support the choice of the convention to the extent of their abilities, but expressed their willingness to be nominated again.

On the motion of Thomas Corcoran, seconded by John Curran and several others, Cyrus A. Shaw, Esq., was nominated as a candidate for the third district of King's County, in the interest of the Liberal Conservative party.

On motion of Samuel Macdonald, seconded by Daniel McGregor, James E. Macdonald, Esq., was nominated as a candidate for the 3rd District of King's County.

Both nominations were unanimous and were heartily approved by all the delegates present. Mr. Shaw being called on, thanked the meeting for the honor which he had been nominated. He pointed out the necessity that existed for every member of the party to leave no stone unturned at the coming election. The Government will leave nothing undone to carry the Cardigan District and to defeat the Conservative candidates—especially Shaw—and he earnestly hoped that the friends of the Liberal Conservative party would one and all be active during the present campaign. After sketching the policy he intended adopting, should he be elected, Mr. Shaw said he would not support any candidate who would not equalize revenue and expenditure. Mr. Macdonald then acknowledged in suitable terms the nomination given him; and said that although he expected seven years ago that he would not again enter the political arena; yet circumstances had arisen that caused him to change his ideas. He had not intended offering as a candidate on the present occasion, but as the friends of the Liberal Conservative party had expressed a wish that he should remain in the field, and as the financial situation of the Province was becoming one of great gravity, a probable annual deficit of \$20,000 staring the people in the face, which would have to be met by taxation unless some agreement were made for better terms with the Dominion Government, he had decided to accept a nomination. It would be necessary for every member of the Conservative party to work heartily at the forthcoming election, and he hoped all would do so.

After some remarks from P. J. D. Edmunds, Esq., and Mr. P. Kouzhan, a vote of thanks was tendered the Chairman and the meeting dispersed.

To the Farmers of P. E. Island!

We are abused by some of our competitors because we dared to break a combine and pay the farmers three or four cents a pound more for their Wool than they have been getting. It was a naughty thing for us to do. Why could we not leave the wool business alone and let our competitors make big profit out of the farmers; they would not know it. And it hurts our competitors for Prowse Bros. to ask how the Summerside merchants pay 5 cents a pound more for wool, and Prowse Bros. are mean men because they are spoiling our fun. We have placed a higher grade of Clothing on the market—higher in price, we mean, but don't like to tell the people that—but Prowse Bros. customers often tell them about the high prices that is asked for Clothing outside of the Wonderful Cheap Store.

Then we are Manufacturers of Clothing! Yes we are. We send our Cloth away to Halifax and Montreal and get it made there, and see the number of people we give employment to there, and we should be patronized on that account.

OH, THIS IS A QUEER WORLD--AIN'T IT?

Then Prowse Bros. are mad and jealous because some of their competitors went into the Clothing business long before they left the farm.

No, no. Mr. Competitor, we are not jealous but we are workers. We work hard for trade and get it. We don't care who goes into the Clothing business, for it will take them many years to learn how we sell Clothing so cheap, but the public know we do the largest retail business on P. E. Island. They know it is almost impossible to get into our Store on market days for the crowds, while the whole trouble with some of our competitors is that Prowse Bros. sell better Clothing, sell Clothing cheaper, and pay more for Wool than they do, and they feel hurt. But it is the farmers' interests as well as our own that we are looking after, and not our competitors.

Now we would ask the general public to rally around the Farmer's Boys in the future as they have in the past, and not allow the men who have said they would put us to the wall inside of twelve months pull the wool over your eyes. We could show up their private character if we wished, but we would be acting as low as our competitors, and that we won't do, and it won't affect the price of wool.
