That Christmas Money.

In the next few weeks people will talk Christmas more than all other subject combined. And very many will count their pennies to see if they will go around. And some will realize for the countless things offered for sale, "that money talks." Yes, and many a poor tired clerk will wish that they could talk back. To give unselfishly without thought of return is the true Christmas spirit. But how many times, oh human nature, will the thought occur this month "Now if I make so and so a Christmas present, wonder if I will get a return next year." The growing Christmas present custom comes hard among certain classes, who do not always have plenty of ready money; among farmers and people near towns, who keep poultry the egg supply, is a great source of Christmas money, because price are always very high at this season. If the old hens will only shell out the eggs now, thinks many a mother I can soon get back all the money taxen for Christmas. The surest way we have heard to get it back is this—E. A. Hubbard of Hatfield, Mass, says, "about one year ago I sent $5.00 for six cans of Sheridan's Condition Powder to make hens lay and in January my 2 hens laid 29 dozen eggs. I have sent $5.00 this year for six more cans and the Farm-Poultry monthly." Certainly that Christmas money came back in short order. Mrs. Warren Delano, Hampden, Me., said recently to the manufacturers of this wonderful Powder. "I send $6.00 for Farm-Poultry two years, and six large cans of Sheridan's Powder. It is the very thing needed. Last winter my hens did so poorly I almost lost heart, but this year, 56 hens have cleared me $125.00. "All for a little courage and Sheridan's Powder, her hens paid her more than double the average usually allowed per hen, so that her Christmas money returned manifold. Husbands, a word to the wise is sufficient; Make your wives a Christmas present of six cans of Sheridan's Powder and take no other. For 50 cents I. S. Johnson & Co., Boston, Mass. will send two 25 cent packs; five packs, for $1.00; or for 1.2o, one large 21-4 pound can of Powder, postpaid; six cans for $5.00, express pre-paid. The best poultry paper—Farm-poultry one year, and a can of Powder for $1.5o.

A TRIP TO EUROPE.

An ex-British Consul's Experiences—A Friends Kindness Protects Him from an Old Enemy.

F. J. Cridland, of New York, formerly British consul at Mobile, Ala., and Charleston, S. C., when about to start for Europe found himself short of a valuable article which he feared he would not be able to obtain in Europe. He wrote thus to a friend who had previously supplied him: "Last year, when suffering from the worst cold and cough I ever experienced, for which medical skill appeared to afford no relief, you kindly gave me a bottle of Hawker's Balsam of Tolu and Wild Cherry which afforded me great relief at once, and in a short time I found that the cough had entirely left me. I have carefully hoarded a little of the contents of that first bottle fearing I could not obtain another, and I wished to have such a valuable remedy at hand." In response his friend supplied him with more of this valuable remedy. Mr. Cridland thus expresses his thanks: "Your generosity has fortified me against my old enemy and I send you many thanks for the same. I shall always recommend Hawker's Tolu and Wild Cherry Balsam wherever I may be, as I consider it without an equal for the cure of coughs, colds, etc."

Hawker's Tolu and Wild Cherry Balsam is manufactured by the Hawker Medicine Co., St. John, N. B., and is a perfect cure for Coughs, Colds, Bronchitis, Hoarseness, and all forms of throat and lung troubles. 25 and 50 cents a bottle.

DOUBLE VICTORY.

It must be gratifying to our Canadian people to learn of the double victory at Chicago of the the well-known piano firm of Octavius Newcombe & Co., who have been awarded medal and diploma for both their upright and grand pianos. This is not only a signal victory for this firm, but a most flattering tribute to the possibilities of our manufacturing industries in Canada.

The judges on pianos at the Chicago Exposition made the follow ng report upon the Newcombe Pianos: "The Newcomb pianos receive an award for tone quality of a high order of excellence, full and musical, with fine singing power and duration, well-made and well regulated action, firm, elastic and prompt touch. The best material and highest class of workmanship are found in these pianos. The cases are artistic and finished in the best manner." Mr. S. N. Earle is agent for the Island for these magnificent instruments.

The Brydon Case.

HILTON, Man., Oct. 30.—James Brydon of this place, told a marvellous tale to a newspaper reporter the other day. He said he had been attacked by kidney disease about two years ago, which resulted in continuous pains in the back. To use his own words, "the pains were unbearable and life was a drag." He became so weak that he had to give up work for over a year, and frequently needed assistance in dressing and he could not put on his own boots. Mr. Brydon has lately taken one dozen boxes of Dodd's Kidney Pills. The result has been a perfect cure, and he is to-day as healthy and happy a man as can be found in the Province. These pills have only been on sale for a short time in Manitoba, but several instances of really wonderful cures from their use have come to light throughout the Province. .....

Testing His Honesty.

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for. He knows this is the best form in which to take cod liver oil. .....

A Railway Manager Says:

"In reply to your question do my children object to taking Scott's Emulsions, I say No! on the contrary, they are fond of it and it keeps them pictures of health." .....

D. M. Jonsson, Esq., M. D., Port Hawkesbury, certified: "I have used Puttner's Emulsion with great satisfaction where Cod Liver Oil is called for. I recommend it as so disguising the oil that patients never refuse to take it." .....

CAPTAIN JOHN R. HIRE, of schooner Lillian, says: "I was suffering with inflammation of the chest, brought on by exposure at sea. Took a good supply of Puttner's Emulsion, which perfectly cured me. It has given me a new set of lungs. .....

GRATEFUL, PLEASING RELIEF AFTER MANY DAYS.

How a Queens County Man Found Permanent Healing.

His Own Experience Tells Fully and Freely some Truths which all Readers of this Paper Should Know.

Here and there, in almost every town of our province, are "chronic" cases over which doctors disagree; cases that become worse year after year. It is to reach such that the gentleman to whom these lines refer, and whose portrait is here given, has written the story of his case.

Mr. Branscomb's home is a Chipman, Queens Co., N. B. It was there that a representative of the Groder company called upon him, Sept. 1st, of the present year. His greeting was most cordial. He gladly acknowledged his thanks, giving expression to the following statement:

"It is five years since I first became afflicted with a form of indigestion. Last winter it became more severe, developing into chronic diarrhœa. I cannot tell you how much I suffered for SIX LONG WEEKS. It seemed as though relief could not be found. You will remember how I told you of my condition and asked your advice about taking a bottle of GRODER'S SYRUP. You told me that the medicine was a laxative and might not meet my needs. I delayed buying for a few hours until I began to hope that it would help me. Even my clothes seemed a burden because of bloating of stomach. It was with difficulty that I kept about sufficiently to attend to my business.

But I am a well man now from the use of your remedy. In three days after I bought GRODER'S SYRUP the terrible pain and distress across my stomach were removed. My bowels rapidly assumed a natural, healthy condition. Now I eat and drink as well as I ever could. I have gained constantly in flesh since March last. I am perfectly cured.

It seems a duty for me to state my case fully, that others who suffer as I did may know where to find a cure."

Truly yours,
E. A. BRANSCOMB.
