FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. Try

A SAD CASE.—A sad story comes from Waverly, a gold mining district ten miles from Halifax. Some days ago, James Edwards, who lives there had a quarrel with his wife, which ended in the latter deserting her husband and going to live with her father. The wife tried to persuade the husband to allow her to take their two little children, aged four and six years respectively. The father thought too much of the little ones to part with them, and strenuously opposed the wishes of the mother. He succeeded in retaining them and commenced house-keeping on his own account. On Saturday persons passing the house noticed no signs of life about the place. The windows were covered with hanger and cold. It was learned from the children that their father had been dead for three days. A doctor was called and gave as his opinion that if the children had remained another night in the condition in which they were found death would have ensued in their case.

SAFE THE GREAT BLOOD PURIFIER

BRISTOL'S SARSAPARILLA CURES ALL Taints of the Blood. CERTAIN

MRS. EMMA BOW, Waterbury, Maine. Physicians and so-called Dyspepsia Cures failed to give any benefit.

Groder's Botanic Dyspepsia Syrup

Brought relief and a permanent cure. To the Dyspepsia Cure Co. GENTLEMEN: For four years, I have had a complicated stomach—liver trouble. The Blood would rush to my head causing palpitation of the heart so badly that I fainted many times. After I had tried the best physicians, and two of the leading sarsaparillas, without receiving any lasting benefit, I was recommended to try your Dyspepsia Syrup. One bottle did me as much good that I determined to buy another under your guarantee to cure me or refund my five dollars. But FOUR bottles accomplished a complete cure and I am again in perfect health. THAT BY THE WAY! NO RUSH OF BLOOD TO THE HEAD! NO PALPITATION OF THE HEART! NO NAUSEOUS APPETITE. I sleep easily and am growing fatter than I would be of. Your medicine is SWEET and PALATABLE, far more pleasant than any of the many CURES I have tried, and IT CURES. I will gladly answer any inquiry concerning this statement. Yours respectfully, MRS. EMMA BOW.
