IN Memoriam

MISS ADA J. DOCKENDORFF

The many friends of Miss Adela J. Dockendorff of Mt. Hope, were saddened on Friday evening, June 23rd, when they learned that she had passed away. The end came not as a shock, for Miss Dockendorff had been suffering much for the previous eight months and in spite of all that loving care and medical skill could do she grew weaker and when the summons came at six o'clock Friday evening, she entered into the joy of her Lord, into His immediate presence.

Although a great sufferer she was always cheerful, smiling and patient. Miss Dockendorff, who was a member of Dundas Baptist Church for many years, was a bright and shining light for Christ her saviour in the community where she spent her life, and in her own home as well as in the Fitzpatrick closes his pastorate, gently to further Christ's kingdom on earth being especially interested in Mission work.

Her loving gentle Christian spirit had endeared her to all. She leaves to mourn their loss a sorrowing father and mother, Mr. and Mrs. Jacob Dockendorff, of Mt. Hope; six brothers, Vinehall, George and Jacob of Mt. Hope; William of Vancouver; Walter in the Canadian west, and Warren of Boston, Mass.; also five sisters, Mrs. Henry Clay of Strathcona; Mrs. Acorn and Mrs. Hooper of Boston and Mrs. Cook of Vancouver, B.C., besides a host of friends. A beautiful and fitting funeral service was conducted by the pastor, Rev. C. E. Pierce, who chooses for his text: "Write Blessed are the dead who die in the Lord." (Patriot please copy.)

SUCH PAINS AS THIS WOMAN HAD

Two Months could not turn in Bed Lydia E. Pinkham's Vegetable Compound Finally Restored Health

Seattle, Washington.—"I had dragging pains first and could not stand on my feet, then I had chills and fever and such pains in my right side and a hard lump there. I could not turn myself in bed and could not sleep. I was this way for over two months, trying everything any one told me, until my sister brought me a bottle of Lydia E. Pinkham's Vegetable Compound. I took it regularly until all the hard pains had left me and I was able to be up and to do my work again. The hard lump left my side and I feel splendid in all ways. I know of many women it has helped."—Mrs. G. Richardson, 4640 Orcus St., Seattle, Wash.

This is another case where Lydia E. Pinkham's Vegetable Compound brought results after "trying everything any one told me" had failed.

If you are suffering from pain, nervousness and are always tired; if you are low spirited and good for nothing, take Lydia E. Pinkham's Vegetable Compound.
