

An Extraordinary Child.

A BOY OF SEVEN WHO POSSESSES THE SIZE AND STRENGTH OF A MAN.

Mr. W. Thurlow, who lives on lot 4, concession 8, town line, West Missouri, is said to have a son, seven months of age, who has developed to an extraordinary extent. He is over four feet in height, and his size, around the chest and body and across the shoulders, is considerably larger than that of the average full grown man. The child has shown indications of most extraordinary strength. At three years of age he could carry his mother, a medium sized lady, with ease. He could carry about the house two modern pails filled with water. At four he lifted a man weighing 190 pounds. His arms are larger than those of a full grown man. His head is large with a broad forehead. His present weight is but 101 pounds, but in the spring it reached as high as 110—about fifty pounds above the average weight of boys of his age. In addition to these peculiarities, the lad has a good-sized moustache, that would make the young man of 21, with a girl, quite envious. He also grows side-whiskers, but keeps them shaved off. Mr. and Mrs. Thurlow have one other child, who has shown none of these peculiarities.

Many persons will doubt this story but Mr. John Burns, Bailiff, Talbot St., London, Ont., while passing there the other day called to see the boy and fully confirms the reports which have come in from time to time of his phenomenal strength. On calling he apologized for intruding, but Mrs. Thurlow assured him that persons who had heard the stories and disbelieved them often called.

"Ah, can you tell me, Miss Fair," queried George Washington LaDude, after a brief period of intense study, "why the—aw—Ponto's caudal appendage is like a coming event?" "No, Mr. LaDude." "Well, aw, it is something to a cur, don't you know—hal ha!" "Very good, Mr. LaDude, very good. But can you tell me why your hat is like a bad habit?" "Why, er, aw; well no—why is it?" "Because it is something to avoid." "O, weally, now Miss Fair, you are just too bad for anything, don't you know?"

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Ecessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, Pain in the Back, or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 29, 1882.

Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the enclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case. Yours truly, W. M. PHILLIPS.

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully, HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blisters, Sores, Bolls, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1, six bottles for \$5.
