

Big Bonsel Opens At Regina Today; Draw Made

REGINA (CP) — Eleven skips palmed a numbered pea from a leather container Sunday and the all-important draw for the Canadian curling championship opening today was determined.

The fixed-draw — no rink will play on the same sheet of ice two days in succession—pitted the favoring Saskatchewan rink representing Saskatchewan against the Newfoundland entry, skipped by Norman Rockwell, in the first round starting 3 p.m. MST.

The Campbellers were victims of first-round defeats in their first entry in the championship in 1947 when they were clobbered by Manitoba and again last year when they lost their first match to champion Matt Baldwin of Edmonton.

They meet their strongest opposition Wednesday in the sixth round of round-robin play, taking on second-favored Red Stone of Trail, B.C.

Each rink will play one match against all other entries.

Stone, a four-time provincial winner, had a bye in the opening round. Saskatchewan met the Newfoundland rink, skipped by Norman Rockwell, drawing a bye on the 11th and final round.

Saints Defeat Atlantics 69-54; Reardon Scores 49

The Saint John Atlantics basketball coach Dave Stothart has seen some pretty fair basketball players in his time but he never saw the equal of the shooting exhibition given by Reardon on Saturday night as Saint Dunstan's University defeated the Atlantics 69-54 in the first game of a total points series in the N.B.-P.E.I. senior basketball playoffs.

Stothart wasn't the only one who had never seen such a spectacular display. No one in the Saints' gymnasium ever saw a player score 49 points in a single game before and that's what Reardon accomplished on Saturday night.

As Stothart walked across the gymnasium floor after the game he could talk only of Reardon's display. And it takes something to get such eloquent praise from Stothart. Ten years ago as a star player at the University of New Brunswick he was probably the best basketball player in the Maritime provinces with a toss-up between him and Lorne Whelan of St. F. X. for Maritime honors.

If there were records book on Maritime basketball the experts would be thumbing through it today to see if Reardon had established a record. As far as is known no player ever scored as many points in a Maritime senior or intermediate playoff game.

The big Augusta, Maine, senior was never more brilliant than he missed two of the game and from that point until well in the second half it was said he missed only on about three of his tries. Few of his 21 field goals were easy shots, most of them coming from anywhere and any position.

However, it wasn't a new record for him in a single game. He once scored 53 points in a game against St. Thomas and again in an Island League game he racked up 52. It was a record for points in the S.D.U. Gym.

The Saint John players, an excellent group of sportsmen, praised Reardon to the highest. When he finally missed a shot in the second half a Saint John player jokingly called to the Saints coach to bench Reardon.

The Atlantics earned some bouquets for themselves when they bounced back in the last ten minutes to cut down a big Saint Dunstan's margin. The Saints were leading by 29 points but they lost 15 of them as the visitors dominated the play during the dying minutes.

A big reason for the Saints' lead at the last may have been the loss of Frank Slowey who went out of the game via the foul route. Frank scored only one basket but he played effective ball and when he left the court the Saints didn't play nearly as well.

Eddy Leggett and Bill Nolan were high scorers for the Atlantics with 11 points but it was

Canada Defeats Russian Team 5-0 In Final Game For World Hockey Championship

(By Arch MacKenzie, Canadian Press Staff Writer)
KREFELD, Germany, (CP)—Canada triumphed Sunday in her hockey cold war with Russia, smiting the Soviets 5-0 to regain the world hockey championship.

Penticton Vs were always in command. With Bill Warwick and Mike Shabaga sparking the attack with two goals apiece, the Canadians took the lead four minutes after the game started in crowded Rheinland-Halle, and never gave the Russians a chance thereafter.

More than 8,000 fans, many of them Canadian soldiers and airmen stationed in Germany cheered wildly as the rags-to-riches team from the British Columbia fruit belt increased its lead to 3-0 in the second period and then added another pair for good measure early in the third.

With many in the crowd shouting Penticton's "Go Vs go" battle cry, Canadian superiority asserted itself as the Allan Cup champions erased a smudge on Canada's hockey reputation left when a Russia team beat Toronto East York, a senior B club, 7-2 in last year's championship.

There was no mistake this time. Shabaga, the old pro who formerly played with Buffalo, Cleveland and Hershey in the American League, flicked a rebound past goalie Nikolai Puchkov at 4:03 of the first period.

Bill Warwick, Canada's sparkplug throughout the 10-day tournament, made it 3-0 early in the second period—his 13th goal of the series—and Shabaga scored again at 11:29. Warwick's shot was a bullet-like drive which struck the stick of Russian defenseman Nikolai Sologubov and deflected into the net.

The Russians became disorganized in the last period and the Vs rattled home two quick goals. Bill Warwick scoring after 32 seconds of play and George MacAvoy was collecting the fifth and last goal at 2:22.

The win, which gave Canada its 15th world title in 20 tries, was far easier than anyone had anticipated. The Russians tried only one attack pattern and when this failed their offensive manoeuvres slowed down to a walk.

BEAT RUSSIAN SYSTEM
The quick-thinking Canadians realized what the Russian system was early in the game and they devised a system to meet it. The Russians were unable to change.

As the game ended penalties had reduced the Canadians to four men on the ice but they were more than enough to hold the Russians who put in substitute Grigory Kryuchan after the last goal was scored.

The Canadians drew six of the seven penalties to bring their number for the tournament to 33, totalling 72 minutes.

TRUMP FOR GAME
The way the Vs beat Russia was a triumph for the game as it is played in Canada.

The Vs were always on the puck first, skated harder and faster, dug in more and floored the Russian forwards with a succession of clean bodychecks in the second period.

Veselov Bobrov, the Russian star, was dumped twice within seconds by Grant Warwick and Hal Tarala. Each man opened the scoring and also scored the goal that tied the game. F. Taylor performed the hat trick of the night and L. MacPhail with a pair for Milton and D. Coles each scored a pair while R. Frizzell, H. MacLellan and Campbell scored singletons.

One ten-minute scoreless overtime period was played.

Red Wings In 2-1 Victory Over Rangers

NEW YORK (CP)—Centre Glen Skov scored at 18:41 of the final period Sunday night to give Detroit Red Wings a 2-1 victory over Montreal Canadiens in the opening game of a weekend National Hockey League home-and-home series with New York Rangers.

Skov's rebound goal on passes from Marcel Pronovost and Tony Leswick stretched the Red Wings' unbeaten streak to seven and kept them hot on the trail of the league-leading Montreal Canadiens with 85 points. Detroit beat the Rangers 8-2 Saturday night.

Capture King's, Queen's Girls' Hockey Title

Saturday evening in Montague rink, Charlottetown Abbie Sisters battled their way to a 1-0 victory over Montague Primrose and Sisters to win the second of home-and-home games and also to take the round by a score of 3-0. The win was a costly one for Abbie Sisters as they lost the services of their captain, Ena Bertram, when she suffered a knee injury and was unable to appear at all.

From all appearances Capt. Bertram will be sidelined Tuesday evening when Abbie Sisters are at home to Elmsdale Sisters at the Coliseum, in the 1st of home-and-home games for the Island title and Physical Fitness trophy.

Milton And Cornwall Tied

At North River rink Saturday night Milton and Cornwall battled to a 7-all tie in the second game in the finals for the S. R. Johnston Trophy in the North River League before a large crowd of fans. It was one of the best games of the season.

For Cornwall D. MacEachern opened the scoring and also scored the goal that tied the game. F. Taylor performed the hat trick of the night and L. MacPhail with a pair for Milton and D. Coles each scored a pair while R. Frizzell, H. MacLellan and Campbell scored singletons.

One ten-minute scoreless overtime period was played.

N. H. L. Saturday

MONTREAL (CP) — The last-place Chicago Black Hawks, playing a rollicking, dashing game, battled the league-leading Montreal Canadiens to a 4-4 tie Saturday night before 14,646 astonished Montreal fans.

The tie left Canadians hanging to first place by a slender one-point margin over the pressing Detroit Red Wings as the National Hockey League season nears its close. Canadians took on the Hawks again Sunday night in Chicago.

The Hawks bounced into a 2-0 lead early, surrendered it and trailed 4-3 before a third-period spurt brought them the only goal of that frame—a partly-screened drive by defenceman Allan Stanley.

Summary
First period: 1. Detroit, Kelly (Delvecchio) 2:01; 2. Detroit, Pronovost (Goldman, Pavlich) 3:09; 3. Detroit, Stasjuk (Bonin) 15:36. Penalties: Bathgate 1:13, Pavlich 4:11, Gadsby 12:23.

Canadians Jubilant In Dressing Room After Game

KREFELD, GERMANY (CP) — The heat blew off Sunday night for Penticton Vs, a peach of a team when the chills came down in an atmosphere crackling with relaxed nerves and happiness, the Okanagan valley team—a different bunch with victory in the bag—digested their 5-0 victory over Russia in a dressing room filled with noise and congratulations.

The victory fully redeemed Canadian hockey honor.

"We outsmarted them, outskated them, outpassed them and outplayed them, boys," said rugged Jim Fairburn, "but I'm still too excited to relax."

Playing coach Grant Warwick said it was strictly a case of outsmarting the Russians.

"That Bobrov (Veselov) Bobrov, leading Russian player) never got a shot on goal. We got on to him in the first period. We played strategy all the time. That Bobrov is a pretty good hockey player, just the same."

Grant said he had never been so tense before a game in all his years of hockey. Winger Jim Middleton agreed but said "it was all right after the first period."

CROWD BEHIND VS
Mike Shabaga, who fired Canada's first and third goals, sat pensively on the bench looking at the floor, Bill Warwick's white steeze hat on his head.

"That third goal was the one I was happy about. I knew we had them then. It helps to start off ahead because then the pressure is off."

Jack Taggart chimed in: "Boy did it feel good to have that crowd behind us!"

German crowds have frequently booed the Canadians during the tournament but Sunday night they joined in the Penticton chant, "Go Vs go" as the Canadians asserted their mastery. The large Canadian cheering section rocked Krefeld stadium with explosions of sound, using cowbells, trumpets, rattles and other noisemaking paraphernalia.

DIDN'T THINK
"Somebody in the dressing room shouted at little goalie Ivan McLellan, 'I kept my mind blank. Then in the third period I started to think a little.'"

"I finally realized the score was 5-0 and I wanted to keep it that way. It looks pretty impressive in the records. I started to worry then."
