New York Stocks

NEW YORK (AP)—The stock market ran into profit - taking Thursday and stepped down a peg.

Steels held the centre of the trading stage most of the day. The question was what Bethlehem Steel directors would do about a dividend and a split and what earnings they would report.

Steels as a group, however, were mixed, also mixed were motors, utilities and aircrafts.

Railroads were lower together with oils, coppers, rubbers, radio-televisions, chemicals, airlines and cement stocks.

The Associated Press average of 60 stocks was down $1 at $175.80. The average last Monday hit a record high. Tuesday it declined 20 cents, and Wednesday it remained unchanged.

The industrial and rail components of the average each were off $1.40 while utilities remained unchanged.

Callahan Zinc, which has been under accumulation for several days, topped the most active list for the second straight day unchanged at 5 on 101,200 shares.

Canadian issues were mostly higher. McIntyre was up ¾, Hiram Walker added ⅜ and International Nickel was up ¼. Canadian Pacific and Dome Mines both remained unchanged and Distillers Seagram fell ¼.

On the American stock exchange Royalite Oil was up ½, Giant Yellowknife fell ⅛ and Lake Shore remained unchanged.
