Local and Other Items.

SAILED.—The cruiser Stanley sailed for North Bay early this morning.

COMPETITION.—The Engineers will hold their second monthly competition for medal and badge on Thursday afternoon.

POLICE COURT.—The case of the three men summoned for quoit-playing, etc., in Hillsborough Square, was this morning adjourned until Monday.

PHILHARMONIC SOCIETY.—A full attendance of the Philharmonic Society for practice this evening is specially requested. The active membership now numbers one hundred voices.

BLOOD AGAIN.—We learn that Dr. Dodd sold his six weeks' old Preceptor colt to Mr. Harry Townsend, of New Glasgow, N. S., for $250. This proves that breeding in the right line pays.

ATTENTION.—The Charlottetown Engineers will drill at the Park to-morrow evening in uniform. They are requested to meet at 6.45 p. m. Extended order and skirmishing with blank ammunition.

RIVER EXCURSION.—A river excursion will be held on the steamer Southport on Thursday the 27th. Steamer leaves for West River at 3.30 and 6.30 p. m., returning at 6 and 8.30 p. m. Strawberries, ice cream, etc. on board. St. Peter's Boy's Band in attendance.

RARE CHINESE WORK.—There is an ancien Chinese plate on exhibition at E. W. Taylor's which is attracting a good deal of attention. The plate is, we understand, the property of Mr. I. Fontane, at present residing in this city, to whom it was presented somet twenty years ago in Newfoundland.

SCHOONER ASHORE.—The packet Prospect, Captain Neil McMillan, went ashore at Little Sands on Saturday evening, sustaining damage which caused her to partially fill with water. She floated again on Sunday evening, and at latest accounts was being brought up to the wharf for the removal of cargo.

PROPERTY FOR SALE.—R. Beirsto sells by public auction to-morrow the double tenement house and land situated on the east end of King Street. The house contains 14 rooms and is well finished throughout. The land measures 42 feet on King Street, and extends back 80 feet. For particulars see advt.

ACCIDENT AT THE PARK.—The wheels of two sulkies came into rather close quarters at Victoria Park last evening, and while in the act of separation one of the sulkies was upset with disastrous consequences to the vehicle. The driver of the upturned sulky was thrown to the ground and is bruised somewhat about the body.

MAKE A NOTE OF IT.—The Convent bazar and strawberry festival will be held in the Market Hall on the 3rd and 4th July next. The ladies having the affair in hand are doing everything in their power to make it a success in every respect. They have also made arrangements with the railway authorities for special fares. Remember the place and time.

SILVER MEDAL.—The silver medal won some time ago by Sergeant McNevin, of No. 3 Co., 82nd Battalion, has arrived from the manufacturer's and is now on exhibition in the show window of Mr. E. W. Taylor's jewelry store. The medal is circular shape, with raised gold-trimmed edge, and across the centre are two rifles. On the reverse is the inscription, "Won by Sergeant McNevin." The medal is well worth seeing.

HEARD FROM AGAIN.—Again there is authentic news that the intrepid Stanley is, or rather was, safe and sound. On December 2nd he was at Usuri, a station situated south of Lake Victoria Nyanza, about 350 miles from the Zanzibar coast. Disease and famine have thinned his ranks; but it is surmised that he is now pushing on to the Kagheyi mission station, on the south shore of Victoria Nyanza.

HOME AGAIN.—Mr. Alexander Anderson, of Belfast, returned a few days ago from a prospecting tour through the great Northwest and British Columbia. He stayed in the Western Province for eight days carefully studying the conditions and prospects of the country—particularly from an agricultural point of view, took stock of the difficulties to be overcome, as well as the advantages to be obtained, and decided to come back and stay in Prince Edward Island! He was, however, highly pleased with the law and order that prevails in British Columbia.

ON THE RAMPAGE.—A man named Frank Hughes, who is suffering from the effects of over-indulgence in strong drink, has been "painting the town crimson" for some days past. Last evening he procured a team at one of the livery stables, and went rushing madly through some of the streets, to the great danger of pedestrians. Policemen and citizens tried hard to stop him but failed. The liveryman finally overtook him several miles out of town, and brought the team back to the city. The carriage was pretty badly used up, and the horse winded as a result of the drive. Hughes escaped to the woods, and at latest accounts had not been captured.

Methodist Conference.

THE Conference of New Brunswick and P. E. Island will meet in Centenary Church, St. John, N. B., at nine o'clock to-morrow (Wednesday) morning. The order of services for the week is as follows:

Tuesday—Theological Union sermon, Rev. J. Crisp, Portland Methodist Church, 7.30 p. m.

Wednesday—Missionary Anniversary. Speakers, Prof. John Burwash, Jeremiah Embree and W. E. Dawson, Centenary Church, 7.30 p. m.

Thursday—Educational Anniversary. Speakers, Revs. R. S. Crisp, G. M. Campbell, Thomas Marshall, Centenary Church, 7.30 p. m.

Friday—Sabbath School Anniversary. Speakers.

Saturday Holiness Meeting. Rev. H. P. Cowperthwaite, A. M., Centenary Church, 7.30 p. m.

P. E. Island Hospital.

THE Prince Edward Island Hospital has been thoroughly repaired and painted both inside and outside, and is now ready for the reception of patients. The Hospital contains four private rooms and two general wards (one male and one female with seven beds in each) besides reception rooms, dispensary, operating room, bath rooms, etc. All the rooms are bright and cheerful, and are nicely furnished. In all between twenty and twenty-six patients can be comfortably accommodated. Miss Macdonald, the matron, is a trained nurse of long experience, and she has a number of very competent assistants. In short everything about the institution appears to be first-class, and we can see no reason why it should not be even more successful in the future than in the past.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER

THE CRONIN MURDER

An Important Arrest.

WINNIPEG, Man., June 17.

Last evening the Chief of Police apprehended Martin Burke, *alias* Delaney, wanted in Chicago for complicity in the Cronin murder. The arrest was made on the strength of a circular which had been received. Burke was on board the express going east and had a ticket for Liverpool. Supt. Hubbard, of Chicago, was communicated with and wired back: "Hold Burke *alias* Delaney, who is one of the principals in the Cronin murder. Will send an officer immediately." Burke will probably waive extradition proceedings and go back.

Presbyterian Assembly.

TORONTO, June 17.

The entire morning and afternoon session of the Presbyterian Assembly was taken up to-day with what is widely known as the Galt heresy case. When the afternoon session adjourned the case was not concluded and will be continued to-morrow.

At the evening session reports on evangelization and mission work in Quebec, brought on a most acute attack on the Jesuits and the Roman Catholic priests in Quebec. The report was read by Rev. Dr. MacVicar, of Montreal, who said that priests actually prevented people reading the Bible, except under the discretion of the priests themselves. Rev. Robert H. Warden, of Montreal, contended that the priests taught the pupils the ultimate predominence of the French language in Canada.

Rev. Father Chiniquy, in a lengthy speech, said the policy of the priesthood was to entirely exclude the English from Quebec, and ultimately domineer over the whole country.

It was resolved that the place for the meeting of the Assembly next year would be in Ottawa on the second Wednesday in June.

A Russian Holiday.

ST. PETERSBURG, June 17.

The procession on Saturday, in honor of Grand Duke Paul Alexandrovich and his fiancee Princess Alexandria, of Greece, was as elaborate as the coronation of the Czar in Moscow, when the city was in high holiday, and was splendidly decorated and in the evening was illuminated. The marriage ceremony took place in the chapel of the winter palace at 2 o'clock in the afternoon. The firing of volleys at the fortress announced the completion of the ceremony. This was followed by a dinner at which the Czar toasted the couple. After a short ball the Grand Duke and his bride were escorted to their residence on Neva Quay by a torchlight procession, the whole Imperial family accompanying them.

To Be Extradited.

TORONTO, June 17.

Samuel Gordon, *alias* Gikorson, another American refugee, was arrested last night by detectives Davies and Alfred Cleddy, charged with having brought a large sum of stolen money into Canada. Gordon is wanted at Springfield, Mo., and will be the first man to test the power of Prof. Weldon's Extradition Act.

An Article on Canada.

OTTAWA, June 17.

An article by Dr. Bourinot will appear in the next issue of the *Quarterly Review*, entitled "Canada, its National Development and Destiny." This is said to be the first time that a Canadian writer has gained access to the pages of a quarterly.

Gladstone's Tour.

LONDON, June 17.

Mr. Gladstone's triumph at Plymouth was immense; but politically outside of Cornwall his tour has been a failure. He has nothing new or striking, and the general drift of his speeches has been towards Federalism.

Weather Bulletin.

TORONTO, June 18.—10 a. m.

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, **Ayer's Hair Vigor** will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill
