

INSECURITY.

Every prop on which I lean,
Every earthly prop, I mean,
Of whose power I chance to boast,
Fails me when I need it most.

Lover, brother, sister, friend,
On whose nearness I depend,
Those whose very presence gives
Strength by which my spirit lives,

Fall away by some mischance,
Death or other circumstance,
And I find myself indeed
Leaning on a broken reed.

When these earthly fetters part,
All those clasps around my heart
Fall away, and I am left
Of life's sweetest joys bereft.

To what depths of woe I drop,
Seeking vainly for some prop
All sufficient to sustain
One in loneliness and pain.

Like a drowning man I reach
Upward and for aid beseech.
"Help me, Lord!" I cry and stant
Well supported by his hand.

Through the desert, through the tide,
He has promised to abide
Ever near; where'er I be,
Whispers gently, "Lean on me."

Earthly ties, how insecure!
Heavenly ties alone endure,
And my dole all were slain
That I might this knowledge gain.

Piles Cured Without the Knife by Dr. A. W. Chase's Ointment.

Mr. Geo. Crowne, painter, of Woodville, Ont., Victoria Co., says:—"For thirteen years I was a sufferer from bleeding piles and the intense agony which I passed through during those years and relief I obtained by Chase's Ointments prompts me to give this testimonial. My physician wished me to have an operation but I felt I could be cured without the knife. Three boxes of Dr. Chase's Ointment stopped the bleeding and effected a permanent cure."

Why He Failed.
A Wellington Chinese trader known as William Joe Gett, formerly a Chinese interpreter, failed some time ago. Here is an extract from his "statement of the causes of bankruptcy," which, written in red ink, covered four pages of foolscap. After detailing his trading experiences the Celestial writes:—"I see my troubles endless to come. I can't get my money to pay. I am helpless. During last three years over 36 creditors support my business. During last two months not a one let me have a penny on tick. Fish never can live in a dry pond without water. Engine can't move along without well supply of coal. Boy can't fly his kite without tail on it. Housekeeper pour out all tea to the cup no refilled water—how she give you more tea you require? All empty out just the way like my business."—Sydney Mail.

Banana Flour.
The next dietetic fad is going to be banana flour. Manufacturers are experimenting in this direction and promise soon a meal that will keep as long as wheat flour and make a much more nutritious bread. As already the craze for whole wheat flour is passing, this new albumen will undoubtedly meet a quick welcome when it comes. The use of the banana has developed its great value as an article of food, and the great army of banana consumers are prepared to accept eagerly its further development.—New York Post.

Dear.
It is natural for a rich man to become familiar with a professional man he hires and to address his physician as "My dear doctor." But to his solicitor he would not say "My dear lawyer!" although the legal man's fee would be quite as good.—New Orleans Picayune.

MRS. HOOPER ESCAPED.

Because She Used Dodd's Kidney Pills and so Cured Female Weakness.

NORWICH, Ont., Oct 3.—Mrs. J. S. Hooper, wife of Mr. J. Stanley Hooper, of North Norwich township, is a living proof of the unapproached value of Dodd's Kidney Pills, in the treatment of diseases of women. Mrs. Hooper was a martyr to Female Weakness and Kidney Disease for twelve years. Norwich, Detroit and Buffalo physicians treated her unavailingly. She then tried Dodd's Kidney Pills. She then cured her thoroughly, and made her as healthy, strong and vigorous as she ever was. Dodd's Kidney Pills are women's best friends.
