A TORONTO DRUGGIST

Cure of Catarrh by Japanese Catarrh Cure after scores of remedies and Physicians failed, says Japanese Catarrh Cure is the Only True Specific.

Mr. John Wylie, who has been for a number of years the well-known senior clerk for Mr. George Marshall, the leading East-end druggist, cor. Queen and Berkeley streets, Toronto, writes:—"When I say I believe Japanese Catarrh Cure the only cure for catarrh on the market, I believe I know just what I am talking about. I have been very badly troubled with nasal catarrh for a number of years. I have tried every remedy which I thought would do me good and also several doctors, but only received a little temporary relief. After hearing several of our customers who had used Japanese Catarrh Cure speak so highly of it, I tried it. From the very first it gave me much relief, soon the dropping in my throat ceased, and now, after using in all four boxes of Japanese Catarrh Cure, find myself completely cured of this most disagreeable disease after suffering for years. Since being cured by Japanese Catarrh Cure, I have recommended it to some of our customers and know of several of them whom it has cured." If you have catarrh don't go on experimenting until the disease has reached the lungs, get a box of Japanese Catarrh Cure and cure it now. Your druggist sells it, price 50 cents.

A Song About a Man.

"I will sing you a song about a man," said the minstrel. "By the way, did you ever notice that there never was a song written about a man? All songs are about roses and maidens and love and trysting places and sunsets and mothers; never one about the old man. Come to think about it, though, there was one, 'Father, Dear Father, Come Home With Me Now.' In this song the old man is drunk in the first verse."—Atchison Globe.

Three of the walls were much shattered, one being left bulging out considerably, and one window was torn out. The floors and ceilings were not much injured, the damage being principally to the walls. No one was hurt, though Mr. Clark and family were in the house at the time. The building is uninsured. A tree standing a bout ten feet from Mr. Thomas Murray's house, at the same place, was struck and split by the lightning.

REQUIRES ATTENTION.—Prince Street Ferry wharf is badly in need of attention. The railing along the sides is in such a condition that anyone coming against it with even slight force is liable to send it into the dock. The plank ways are also dangerous to pedestrians, as they contain several mantraps. A plank connection between the wharf and the sidewalk on the street is also needed. It is to be hoped that these matters will be attended to at once.

PATRIOTIC WINDOW.—The show window of Mr. C. J. Mitchell's bookstore is very prettily decorated in honor of St. George's Day. St. George's Cross is conspicuous in the decorations, and there are also pictures of the late Roland Taylor, Queen Victoria and the Prince of Wales, all of which are prettily draped. The display of khaki and other stat oery is attractively arranged. The whole idea is tasteful, and crowds of people viewed the window today.
