

The Liberal-Conservative Party have taken the room in the Market House, formerly used as the City Council Chamber. This room will be open throughout the campaign.

Local and Other Items.

BAND AT THE RINK.—10 o'clock. POLICE COURT.—One Scott Act case dismissed and two adjourned.

THE STANLEY left Georgetown for Picton shortly after ten o'clock this forenoon.

L. O. O. F.—St. Lawrence Lodge meets tonight at 8 o'clock—Initiation of candidates.

"MIGHTY" is not the least among the attractions of the Penny Readings to-morrow night.

PENNY READINGS.—The programme of Penny Readings includes some of our best musical and literary talent.

B. I. S. DEBATING CLUB.—There will be a meeting of the B. I. S. Debating Club in the Lyceum this evening, at 7.30 o'clock.

CIVIC.—A meeting of the supporters of Messrs Beer, Smith and Crabbe will be held this (Monday) evening in McLeod's Hall, at 8.15 o'clock.

Y. M. C. A.—Young men who feel an interest in the gymnasium are invited to meet in the parlour of the Y. M. C. A., this evening, at 8.30 o'clock.

THE MCLEAN CASE.—Telephonic advices from Summerside state that there are no new developments in the case of the missing man.

THE BOOK FULL.—It must be a source of pride and pleasure to the gentleman who paid \$105,000 for Artell to be able to report on December 31, 1889, that his book of forty mares at \$1,000 each was full and closed.

JANUARY MAYFLOWERS.—The Halifax Herald says: A. M. Banks brought to the Herald office last evening a couple of Mayflowers in full bloom, which were picked at Hantsport yesterday, by Conductor Joe Edwards.

The fountain of perpetual youth was one of the dreams of antiquity. It has been well nigh realized in Ayer's Sarsaparilla, which purifies the blood, gives vitality to all the bodily functions, and thus restores to age much of the vigor and freshness of youth.

HORSE DROWNED.—While the Rev. Mr. McKenzie, Rector of St. Martin's Church, Shediac, was driving from Cocagne on Sunday evening last, his horse broke through the ice near the old Queen's Wharf at Shediac, and before any assistance could be got he was drowned.

"TIS NO JOKE.—There are not so many jokes about the gripe now-a-days. When a paragon sits at his desk with every bone in his body aching, his throat sore and the perspiration running from every pore in his body at the rate of seven knots an hour, he does not see that there is much fun to be extracted from the situation.

THE LATEST FAITH CURE.—The faith cure is showing up in Kingston, Ont. A lady who sprained her ankle coming from church, was unable to walk, and was carried to her residence. Dr. Barnham, of Winnipeg, calling himself a faith cure doctor, performed the faith cure experiments, and the lady, who said she was suffering agonies, got up and walked home.

MASONIC MEMORIAL.—The Bridgetown Monitor says: The oldest Masonic memorial in America is the property of Robert Grant Hillerton, son of "Sam Slick," and is stored, we believe, in Halifax. It consists of a block of stone on which is carved the square and compass, with the date 1606 engraved beneath. This stone was found near the spot where Demonts and Champlain built their fort in 1605.

A BIG PRICE.—We were to-day shown a letter from Dr. W. L. Elmore, of Lexington, Kentucky, to Mr. A. N. Large, of this city, in which the writer speaks in the highest terms of the Morgan stock, and asks Mr. Large if his stallion Golden is for sale, as he (the Dr.) thinks he would cross well with Hambletonian and Mambrino Chief mares, for which purpose the Dr. is anxious to secure him. Mr. Large has replied, saying that while he is not at all anxious to sell, the Dr. can have Golden for \$10,000.

SKATING RINK.—Now that the winter has regularly set in, the attendance at the rink is improving,—and no wonder, as skating is one of the best as well as the healthiest of winter amusements. The rink, itself, is a good substantial building, free from draughts and comfortable in every way, and the ice is never in better condition. The directors are determined that everything shall be done to ensure the comfort, and as far as possible add to the pleasure of all who patronize the rink. As there is now only one such place of amusement in the city, the public should support the efforts of those who have invested money in it.

JACQUES CARTIER.—We learn that Mr. Joseph Pope, of Ottawa, has just issued, in a nicely bound volume of over 100 pages, being his essay on "Jacques Cartier, His Life and Voyages." This essay took the first prize at Quebec last year, in a competition open to the world. It contains a fine lithographic map of the Hochelaga—a representation of the Indian village that stood on the site of Montreal when first the spot was visited by a white man. The discovery of P. E. Island forms a feature of the work. The Local Government of the Province of Quebec have ordered one thousand copies. It will soon be on sale at the Diamond Bookstore.

Y. M. C. A.—At the last meeting of the Executive Committee, it was unanimously resolved that a vote of thanks be tendered the gentlemen who so liberally donated towards the paying off an adverse balance against the institution, thus enabling the Association to commence its work for 1890 with a clear balance sheet. Below is a list of the donors: Charles Palmer, Judge Hensley, \$20 each; Malcolm McLeod, \$15; Dr. F. P. Taylor, \$14; H. J. Cundall, A. Kennedy, W. E. Dawson, L. J. Beer, W. A. Weeks, R. Heartz, Mark Wright & Co., E. Hubert Beer, John Ings, W. J. Miller, Benjamin Rogers, Dr. F. D. Beer, J. D. McLeod, D. Farquharson, \$10 each; Lieut. Governor Carvell, F. W. Hales, Judge Young, F. S. Moore, William Weeks, Goff Bros., Beer Bros., J. D. Seaman, Dr. James McLeod, Ben. Heartz, J. M. Sutherland, Walter MacPherson, Stanley Bros., C. C. Gardner, S. W. Dodd, W. M. Rayden, D. Ferguson, William McKie, Prowse Bros., \$5 each; Dr. S. W. Dodd, \$4; Capt. A. McLeod, \$2. Any further donations will be thankfully received by the President or Secretary.

The Portuguese Situation.

LONDON, Jan. 19. The Lisbon correspondent of the Times says that the Duke of Palmella, captain of the King's Guard, who recently returned to the British Legation a medal received by him while he was in the British service, has also dismissed all of his English servants. Ottawa Notes.

OTTAWA, Jan. 19.

A deputation of the Government Printing Bureau employees waited upon Mr. Chapeau to-day and asked for an increase of wages, from \$11 to \$13 per week. Mr. Chapeau refused to grant the increase of wages, stating that the present wages were as high at the bureau as elsewhere. He offered to fix the wages of the men according to proficiency, if the union would agree to such a change.

In consequence of the recent charges made by Bishop Grandin with respect to the administration of public affairs in the Northwest, it is stated that a Quebec member will ask for a committee of inquiry. Personal.

Rev. William P. Hogan, son of our respected townsman, M. P. Hogan, Esq., will be a passenger in the special train to Georgetown this evening, en route to Portland, Oregon, where he will be permanently stationed under the direction of Bishop Gross. Father Hogan was educated at St. Dunstan's College, and at Loyd College, Baltimore, and L'Assumption College, Sandwich, Ont. The last five and a half years, however, were spent at the Grand Seminary, Montreal, where he was ordained by Archbishop Fabre on the 21st December. He celebrated his first Mass at Picton, at midnight on Christmas Eve, and the following day arrived home on a visit to his parents and friends. On the Sunday after Christmas he officiated at High Mass and Vespers in St. Dunstan's Cathedral, and on the feast of the Epiphany delivered his first sermon. We wish the rev. gentlemen a pleasant passage and a safe arrival at his destination.

BAD FOR THE RAILWAYS.—According to a late despatch freight trains on the Montreal and Sorel railway had to be cancelled, as many of the employes are suffering from the gripe. Other works are as badly crippled, and the epidemic shows very little signs of abating.

GEO. CARTER & CO.,

Market Square, Queen Street.

AMERICAN BALDWIN APPLES are now at their best, and, as every one knows, this Apple is of the finest flavor, baked, stewed, made into pies, or for eating when raw.

We need not remind you how beneficial to health it is to eat Apples with your meals, nor how much the children's health will be promoted by a generous supply of Apples. Everyone knows or ought to know.

Fruit is cheaper than medicine (and tastes sweet). The next point is to get good Apples. WE HAVE THEM (Choice Maine Baldwins) and we sell by the dozen, peck, bushel or barrel, as you may desire.

About price. This depends on how good they are. We have them for \$2.00 per barrel,—good for the price. Our best stock of No. 1 Fruit is \$3.50, \$3.75 and \$4.00 per barrel. We claim that our \$4.00 Apples beat anything in the city.

This is all we have to say. It is for you to do your part. We can only offer the goods. It takes two to make a bargain.
