## TIGNISH EN FETE! ITS HUNDRETH ANNIVERSARY!

Celebrated Most Appropriately Yesterday. A Large Attendance.

SIX THOUSAND PEOPLE ESTIMATED TO HAVE SHARED IN THE CELEBRATION.

The Religious Ceremonies and the Social Festivities. Fun Provided For The Multitude.

A clearer sky never ushered in the dawn of a brighter morning than that of the hundredth anniversary of the parish of Tignish; and thousands, at an early hour, took their several ways towards the scenes of the centenary celebration. Hundreds of horses and carriages from the surrounding districts brought thousands of men, women and children; and all the trains were crowded. Never before were the resources of the P. E. I. Railway so severely tested. Mr. Sharp, the Superintendent of the road, personally took charge of the train arrangements, and provided sufficient accommodation for passengers; but it was found impossible to bring all the excursionists into Tignish in time. His Honor the Lieutenant Governor and Mrs. McIntyre, the Misses McIntyre, Dr. Morrison, Dr. MacMillan, Rev. Dr. Curran and Father Gauthier, of St. Dunstan's and other clergymen, besides a large number of citizens, were passengers in the special from Charlottetown, in charge of Conductor Ban Cox. The roadway is in good running order, and reflects credit upon the oversight of Mr. Houle.

Arrived at Tignish, the village was found to be en fete. Flags were flying in the breeze. The church and church grounds were tastefully and gaily decorated. And all went merry as a marriage bell, until the rain—"it raineth every day"—came. Then there was hurrying to and fro, and gathering in hot haste—many finding shelter in the church.

But the religious ceremony was held before the rain came. Pontifical High Mass was celebrated by His Lordship Bishop McDonald, assisted by Father Boudreault of Egmont Bay as High Priest. Fathers Gallant of Bloomfield, and Arsenault of Mount Carmel were the Deacons of Honour; Father Chaisson of Palmer Road the Deacon of Office; Fathers Ignatius McDonald and Rev. Dr. Monaghan, Masters of Ceremonies; while Rev. Theodore Gallant presided at the organ. The Royal Mass was rendered with fine effect in Gregorian chant. After the first Gospel the Rev. Father Richard, of New Brunswick, ascended the pulpit, and preached an excellent sermon on religion and the relationship of the people to the Church; and after the communion Dr. Doyle addressed the congregation, giving a succinct, graphic and eloquent history of the parish from its beginning. The spacious church was crowded with worshippers and listeners.

At the conclusion of the religious ceremony, a grand banquet was given at the Presbytery, the Rev. Donald McDonald presiding, with the Bishop on his right and the Lieutenant Governor on his left. Around the hospitable board were many dignitaries of the Church, including Father LeLanda, the Rector of the Sulpician College at Quebec and many distinguished representatives of the laity, including Judge Landry of New Brunswick. The viands were well served, and including the following:

### MENU.

#### SOUPS.

Vermicelli, Consomme aux Croutons, Soles a la Creme.

#### MEATS.

Sirloin of Beef a la jardiniere and Dish Gravy, Chicken and Current Jelly, Boiled Lamb and Caper Sauce, Roast Ham and Champagne Sauce.

#### ENTREES.

Mashed Brown Potatoes, Green Peas.

#### DESSERT.

Ice Cream and Assorted Cake, Blanc Mange, Oranges, Bananas, Grapes, Water Melon, Lemon and Washington Pie, Tea and Coffee.

The following toasts were proposed by Father Turbide, and duly honored:—

His Holiness Pope Leo XIII.

The Queen, (National Anthem.)

The most Reverend Donald McDonald then gave expression to the great pleasure he felt in being honored with the company of the Bishop, the Lieutenant Governor, so large a number of the clergy, including representatives from Quebec and New Brunswick, and so many of the prominent laymen; and proposed a toast to "Our Visiting Guests."

This was responded to by the Bishop, who congratulated the pastor and people

of Tignish upon the increase of seven families of a hundred years ago, and expressed the hope that the increase in the next century would be in like proportion; by the Lieutenant-Governor who recalled pleasant memories of the parish when his venerable uncle, the late Bishop McIntyre presided over it; by Judge Landry, who remarked upon the unanimity of sentiment apparent, and the cordial good-feeling which existed between the different races composing the congregation, and the various religious denominations with whom they are intermixed; and by Rev. Father Clarke, of Boston, who spoke of the importance of fidelity to the voice of conscience, and to the strength of religious convictions, as evidenced by the people of Tignish.

Rev. Father Turbide proposed a toast to the Press, which was enthusiastically honoured, and elicited short speeches from Messrs Cotton, Bant, Boule, Robideaux and McIsaac.

The weather having cleared, a large crowd gathered at 3 o'clock around the grand stand erected on the grounds, from which the following address was presented to the Governor:

To the Honorable Peter A. McIntyre, Lieutenant Governor of the Province of Prince Edward Island, &c., &c., &c.,

May it please Your Honor,—

"The undersigned committee, on behalf of the inhabitants of Tignish, beg to extend to you a most cordial welcome, on this, the occasion of your first visit since assuming the position of Representative of our beloved Queen, in your native Province.

That the choice of her Majesty's Privy Council for one of the highest positions in the gift of the Crown has fallen upon you is more emphatic than anything we could say as to the manner in which you have heretofore discharged your duties as a man and a citizen.

Your selection must not only be a source of gratification to your self and your many friends, but also a just recognition of the claims on public attention of that noble profession of which you are a most worthy member.

It is not only as the representative of Her Most Gracious Majesty that we greet you to-day, but also as the nephew of that saintly man, the Right Reverend Peter MacIntyre, third Bishop of Charlottetown, and for many years the pastor of this great parish of Tignish, to whom it owes so much. The evidences of ecclesiastical prosperity to be noted around you, you will be glad to learn, are largely the work of his well matured plans.

We had hoped to have here to-day not only your Honour, but the presence of your immediate predecessor, Ex-Governor Howlan, whose sound judgement as a constitutional Governor, and untiring energy on behalf of the Provinces varied interests have endeared him to all its people. With your ripe knowledge of public affairs, gained from years of Parliamentary experience, we feel that you will be a worthy successor, not only to Governor Howlan, but to a long line of distinguished predecessors.

We thank your Honor for your presence at this Centenary Celebration of the founding of the parish of Tignish by the brave Acadians who landed here in the closing days of the last century. We ask you to convey to Mrs. McIntyre the expression of our highest esteem, accompanied by our best wishes for your future welfare and happiness.

His Honor replied in felicitous terms, referring particularly to the pleasure of this, his first visit to Tignish since his assumption of the gubernatorial office.

Addresses were then delivered by Bishop McDonald, (in English), Judge Landry (in French), Rev. Father Burke (in English), Rev. Father Belliveau (in French), and Mr. Hackett (in English). All the addresses were appropriate to the occasion, and admirable.

Cheers were then given for the Queen, the Lieutenant Governor and the Bishop, and the remainder of the afternoon was spent at games, dances and the merry-go-

## WRECKED ON SABLE ISLAND

Adventure of an Islander and Companion.

ABANDON A FISHING SCHOONER IN A DORY

And Succeed in Making Canso—Rest of Crew not Reported.

[SPECIAL TO THE EXAMINER.]

HALIFAX, July 20.—Two of the crew of the American schooner Hattie E. Worcester, of Gloucester, arrived at Canso yesterday in a dory. Their names are James L. Macdonald of Montague, P. E. Island and Henry Jodrey, of Digby, N. S.

They report that on the night of July 17th during foggy weather, their vessel struck on the north-east bar of Sable Island.

The crew of 16 took what food and water they could get, launched five dories and sailed away from the wreck.

They soon drifted apart in the darkness. McDonald and Jodrey decided to try and make Canso, in which they were successful.

They are very anxious about the remainder of the crew and are afraid that they tried to land on Sable Island and were lost, as the fog was very thick after they separated.
