

**Election Card**

To all Voters in the Town of Summerside:— I have nominated for a three year term in the coming Civic Election to represent the Water and Sewerage Commission. As time will not permit me to call on you all, any support you can offer me will be greatly appreciated. Signed, **Elmer J. Newson**

**Election Card To The Electors of S'side**

At the request of a number of citizens, I am offering as Water and Sewerage Commissioner in the forthcoming civic election. As it is impossible for me to call on you all personally I take this means of soliciting your support on election day and if I am elected I will endeavour to represent the town in an efficient manner. Signed, **Roland Sheen**

**Election Card**

I have been nominated by a number of interested citizens to contest the Centre Ward in the forthcoming Civic Election and should I be elected I will endeavour to serve to the best of my ability. Contrary to current rumours concerning my stand regarding the skating rink question it is not my desire or intention to place any unnecessary burden on the taxpayers. As I do not feel that the citizens welcome a solicitation from candidates I will not be making a personal canvass but would sincerely appreciate your support on election day. Signed, **Hillard E. Clark**

**Election Card**

For the past week I have been approached by many citizens to nominate as Councillor in the coming election but did not give it much consideration. On January 27th a delegation of citizens presented me with nomination papers signed by a large and well represented number of citizens of the Centre Ward, and urged that it was my duty to accept the trust they put in me. If elected I promise to do a faithful and honest job of protecting the citizens from needless expenditures, thus easing the burden on the taxpayers. I am in favour of a rink. We need it badly, but I am definitely not in favour of the taxpayers' money building and operating it. Signed, **Norman W. Prichard**

**POWERFUL DRAMA OPENS TODAY AT CAPITOL SUMMERSIDE**  
Susan Hayward, Dan Dailey and George Sanders, one of the season's brightest star rosters, hold down the leading roles in the much heralded film attraction due today at the Capitol Theatre, Summerside "I Can Get It For You Wholesale." Based on the best-selling novel of Jerome Weidman, which attracted wide attention by virtue of breaking new fictional ground, the Twentieth Century-Fox motion picture has been brought to the screen under the guidance of veteran producer Sol. C. Siegel and rising young director Michael Gordon. The background for the story of "I Can Get It For You Wholesale" is the fabulous and teeming garment industry of New York, and advance reports indicate that the film does for this aspect of metropolitan life what "All About Eve" did for the people of the theatre. The drama of a woman of fashion's rise to power in the business world, at the cost of walking over a few people on her way up, weidman's novel told a frank and penetrating story of excessive ambition.
