

Management Forms Counterpart Of Labor

VANCOUVER (CP)—A group of the British Columbia Federation of Labor is being organized in the province to represent management.

The new group will be known as the Commercial and Industrial Research Foundation. The first governors include some of B.C.'s leading industrialists.

Chairman is J. E. Richardson, president of B.C. Telephone Co.

Governors include J. V. Rhine, chairman of MacMillan Bloedel; Frank Brown, president of White Pass and Yukon

Railway; Murray Benn, president of Johnston Terminals; Edward Benson, vice-president and general manager, Pacific Press Ltd.; Graham Dawson, president Dawson Construction; Gerald Hobbs, president Western Canada Steel; G. B. McLean, president Standard Oil of B.C. Ltd.; and J. H. Salter, vice-president, Comcon Ltd.

First staff member is Thomas Johnstone, foundation president.

WILL COUNTERFOIL
"I have said that ultimately we will be the counterpart in terms of representation of the B.C. Federation of Labor," said Mr. Johnstone.

The foundation was incorporated in March with offices in downtown Vancouver.

Membership is open to any group or person involved in commerce or industry.

Mr. Johnstone said the foundation hopes to do a "fully objective job of research" that will not have bias attributed to it because of its source.

NOT PARTISAN
"We are not going to engage in partisanship," he said. "In addition to research we expect to make pronouncements on questions of current importance."

"At the present time no voice speaks for management." We

six brothers and their families had died during the German occupation of Poland. His son's findings confirmed it.

CHILDREN USE ELEGANT CLUB

TORONTO (CP)—The elegant doors of the Primrose Club, one of Toronto's finest private clubs, have given way to the demands of little children.

The feet pattering across the deep carpets of the club are on the primrose path to the bathroom.

The children come from adjacent Winston Churchill Park, which offers supervised recreation in July and August but has no washrooms.

A member of the \$1,250,000 club, which overlooks the park, spotted the children one hot day this month and recognized their problem.

"I felt sorry for them and invited them over."

About 15 children and their supervisor, Nancy Kershaw, trooped to the club, used the washrooms and were treated to ice cream and soft drinks.

Miss Kershaw refused an invitation to bring her group every day, because it meant leaving other children unsupervised. But the youngsters, when nature calls, take matters into their own hands and come by themselves.

CHANDELIERS IMPOSING
The largest chandeliers in the world are eight hung in the "neutral sector" hall of the University of Moscow, each weighing 2.8 tons.

Nazis Killed His Relatives

TORONTO (CP)—Hyman Givertz, father of Toronto Mayor Philip Givens, learned that members of his family were slain by the Nazis in Poland during the Second World War.

"I had my fears but now they are facts," Mr. Givertz, 79, said. Mayor Givens, who is on a trip to Poland, heard an eyewitness account of the execution of his uncle, Josef, in the small town of Lublin and confirmed the deaths of others in the family.

Mr. Givertz suspected that his
