Mr. E. Boswell, of Victoria, has returned from a business trip to Halifax.

Miss Pope is among the nurses returning from South Africa by the Roslyn Castle.

His Worship Mayor Warburton will arrive in Charlottetown tomorrow morning.

Dr. Douglass, M. L. A., Hunter River, is in the city. He is a guest at the Queen Hotel.

Mr. Benj. Rogers, M. L. A., Alberton, came to Charlottetown from Georgetown on Saturday evening and went west this morning.

Mr. William Fraser, of Picton, who came up from the Magdalens on Saturday evening, crossed to his home yesterday by the Minto.

It is not true that the spirit of our old friend Ann Gainer has passed away. A report from Falconwood her present residence is to the effect that she is as lively as a butterfly in the month of May.

Mr. E. Y. Rowland, the well-known commercial traveller, and Mrs. Rowland are visiting Boston. Mr. Rowland had a severe attack of appendicitis about a month ago, and it is said that he is to undergo an operation in Boston.

The Railway News says; A. T. LeBlanc, travelling passenger agent of the I. C. R., has been appointed assistant general passenger agent with headquarters at Campbellton. We congratulate Mr. LeBlanc on his well-earned promotion.

The Cross of the Legion of Honor, says a Paris despatch, has been conferred upon Madame Berosthorn, wife of the Austrian charge d'affaires at Peking, for her heroic conduct and assistance to the French during the siege of the legation. Only one other foreign woman has been thus decorated.

Mr. James H. Stevenson, of the Bank of Nova Scotia staff, who has been at his home in New Glasgow for some time, left Charlottetown for Amherst yesterday to enter the agency of the bank at that place. Previous to coming home Mr. Stevenson was in the Chicago agency of the bank.

Capt. John W. McLeod, of the schr. J. C. Schwartz, owned by Mr. W. F. Tidmarsh, of the Portland Packing Co., whose vessel is now at Georgetown, is now in this city. He has one of the most difficult jobs, for a young captain, of any in the same service. His duty is to collect lobsters from the New Brunswick and Nova Scotia shores, also from the Magdalene Islands. Capt. McLeod passed a successful examination, obtaining a master's certificate. He is now enjoying a well-earned rest after a successful season's work.

The mother who would be horrified at the thought of letting her daughter wander away to a strange country without guide or counsel, yet permits her to enter that unknown land of womanhood without counsel or caution. Then, in utter ignorance, the maiden must meet physical problems whose solution will affect her whole future life. Dr. Pierce's Favorite Prescription has been well named a "God-send to women." It corrects irregularities and imparts such vigorous vitality to the delicate womanly organs, as fits them for their important functions. Many a nervous, hysterical, peevish girl has been changed to a happy young woman after the use of "Favorite Prescription" has established the sound health of the organs peculiarly feminine.

You pay the postage. Dr. Pierce gives you the book. The people's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free on receipt of stamps to defray cost of mailing and customs. Send 31 one-cent stamps for the paper bound book, or 50 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

SENTNER, McLEOD & CO Y
 Charlottetown's Busiest Dry Goods Store,

A PROTEST.

SIR.—The Minister of Marine and Fisheries so far this season has succeeded badly with the winter service. With two good boats we should have daily mails between this and Picton. But instead of that we have had barely tri-weekly mails. But that is by the way. My object in writing is to call attention to what appears to be a studied attempt to bid defiance to the law of God, and the moral sentiments of thy community, in running the Minto on the Sabbath. The responsibility for this must be with the Minister of Marine and Fisheries.

I need not say that acts done by persons in authority in violation of the law of God appear to me to be more wicked than if done by private individuals. The whole country is made partners in the sin when the offender is in high authority, and the only escape left is in protesting against it.

Sir Louis Davies may cut down our mail service to one-half. We can put up with that more easily than to see the Lord's Day profaned and corrupted.

Yours, etc.,
 D. MACNEILL.
