St. Peter's Cathedral Sees Parish Hall Need

The necessity of a new parish hall was emphasized at the annual congregation meeting of St. Peter's Cathedral, Charlottetown Monday evening.

Property warden A.H. Peake recommended in his report a three-year plan of debt liquidation in preparation for construction of such a building.

The meeting unanimously decided to conduct an every-member visitation if the congregation for the purpose, among other things, of raising the level of giving in the parish.

It was also proposed that architect's plans of the building be prepared as soon as possible.

Venerable Archdeacon J. R. Davies presided over the meeting, which was well-attended despite bad weather conditions.

CONSTRUCTION ACTIVITY

Reports of organizations gave an impression of constructive activity throughout the year, with healthy financial balances. Archdeacon Davies commended the congregation for its generous support of the church's work, with assessments paid in full and the missionary apportionment overpaid.

Special funds to meet the needs of impoverished areas of the world-wide Anglican Communion, and the victims of such disasters as famine and flood were also generally supported. Other substantial donations were made to such objects as religious communities and societies, missions to seamen, Sun-

day school by radio and the Protestant Family Service Bureau.

Within the parish itself advances made during the year included the complete redecoration of the Cathedral. Grateful acknowledgment was also made of such memorial gifts as the new oak parquet sanctuary floor and oak sedilia or clergy bench, in memory of Charles McKarris and the Rev. Walter Cotton respectively.

SUBSCRIPTIONS

Acting upon recommendations of the Bishop of the Diocese, and the executive of the Diocesan Church Society of P.E.I., a motion was passed to provide every family in the congregation with a year's subscription to the Diocesan Times and Canadian Churchman, so that parishioners may be informed about the church and its affairs at home and throughout the world.

The following officers and delegates were elected: Edgar Acorn, R.F. Acorn, M.V. Blake, Arthur Holland, David Hyndman, Paul Kays, Eugene Korrey, A.H. Peake, T.N. Rogers, Ronald Smith, Frank Weatherby and Dr. H.H. Kelly as vestrymen; Synod delegates: H. B. Armstrong; Hon. F.W. Hyndman, with Paul Kays and Brig. G.G.K. Peake as alternates; DCS delegates, R.F. Acorn, T.L. Fitzgerald and George Vessey; Diocesan Times convener: Mrs. Salem Korrey.

Mackinley Bros. Top Dairy Co. Production

Mackinley Brothers of North River repeated their performance of the previous year when they were top producers for the Wiltshire Dairying Company for 1964. It was announced by Nelson Hatherly, manager, at the annual meeting held Monday of this week.

The cream they shipped contained 9,065 pounds butterfat for a total value of \$6,451.91. E.C. Wright manager of the Charlottetown Branch of the Royal Bank of Canada presented John MacKinley with a silver tray for producing the largest amount during the year.

Mr. Wright also addressed the meeting and complimented the company for the fine job it is doing. The finances, he said, are in excellent condition.

Production of butter for the year was 676,087 pounds. Feed sales were up 20 percent for a total value of \$117,638, the manager's report revealed.

The net profit for the year of \$1,506.48, after income taxes, was down somewhat from 1963 and the manager explained this was caused by extensive outside repairs to the creamery, to the feed warehouse, and also because a higher average was paid to producers per pound of butterfat.

OTHER PRIZES

Other prize winners announced were:

Largest increase in butterfat in 1963, first, \$25 awarded to Ivan Turner, Winsloe, with an increase of 2,932 pounds; second, \$15 awarded to Edwin Mousse, North River with an increase of 1,517 pounds, and third \$10 awarded to Les MacPhail, Cornwall with an increase of 1,511 pounds.

John MacLeod, Hartsville, won a \$10 prize for the producer sending the largest amount of butterfat who had not been a patron in 1963. His production was 4,307 pounds. Second prize was 4,207 pounds. Second prize of \$5 went to Everett Ford, Winsloe with 1,704 pounds.

The following is a list of the 10 top producers and the value of the cream they sent: MacKinley Bros., North River, \$6,451.91;

He was an elder in Trinity United Church, school trustee and secretary of the School Board in Southport and active in the Charlottetown Branch of the Canadian Legion.

HELP CHILDREN

Since Shriners hospitals for crippled children were established in 1922, more than 30,000 handicapped children have been cured or materially helped.

Comedian Plugs P.E.I.

Johnny Wayne gave Islanders a special treat Monday night when he sang "They All Sat Down in Charlottetown" on the Wayne and Shuster Hour.

Wayne did this number for the first time at Confederation Centre last August.

The two top Comedians, who have by now been accepted as popular here, have always been popular here, but their 1964 Centennial visit has made it almost a "must" to watch when their shows are piped down this way.

Remember The White Cane

The simple white cane of the blind was introduced in England in 1921. Since then it has been adopted universally as the symbol of the sightless. This year, White Cane Week, sponsored by the Canadian National Institute for the Blind, is being held Feb. 7-13.

The annual message for White Cane Week was delivered by Miss Rosella Arsenault, member of the Canadian Council of the Blind. In her address she said, "When you see the white cane on buses, streetcars, trains, and airplanes, you know that these people are sightless and would appreciate a little help finding a seat or locating an address."

Today's white canes have pieces of reflector tape attached to the shaft as a safety measure. The tape lights up brightly in the flash of an auto light and warns the driver.

White Cane Week has revived an old theme "Let the White cane introduce us. It is because of your guidance and friendly words, we who are blind may go about with confidence."

THANKS

Gilbert Clements

To those that supported me in any way during our recent civic election, whether from Montague or not, I offer you my sincere thanks, and I assure you that your confidence in me will not soon be forgotten.

I believe that 21 votes is not a defeat but rather, a lesser victory than that given to Mayor Yeo, and I am in no way discouraged in my efforts to serve our Town.

To Bruce go my congratulations, I found him to be a hard but fair opponent.
