SPECIAL NOTICES.

Holloway's Ointment and Pills.—Bilious Diarrhœa.—This disease always creates doubt and anxiety, whether it comes alone, or as the attendant on fever or other ailments. From diarrhœa fatal results are daily registered; which Holloway's preparations would have speedily and successfully combated at the commencement. In any part of the progress of this insidious complaint to these remedies may the sufferer always turn with confidence, as they gradually and certainly check the intestinal irritation, and prevent all present discomfort and future danger. They soothe, purify, invigorate and regulate the system. During the autumnal months every well regulated house should have Holloway's corrective Pills and Ointment at hand. They are applicable to every disorder and every accident to both young, mature and aged.

Burnett's Toilette Preparations.—Our readers are aware of the superiority of Burnett's Toilet Preparations. These preparations need only to be tried to be pronounced incomparable.—[New Haven Daily Register.

THE OXYGENATED BITTERS.

For years medical science had been taxed and the skill of the physician exhausted in the hope of discovering some remedy available to cure that most distressing of all diseases—Dyspepsia, as well as its long train of evils under their various names.

No medicine *existed* which would speedily, permanently, effectually, and radically cure and expel these diseases from the system until *Dr. Green* made known his discovery of

The Oxygenated Bitters.

Such is its remarkable power and peculiarity, that cases, which for years have baffled the most potent medicine and the highest professional skill, yield to this remedy as readily as if the disease were but of a day's standing. For all diseases of the *Stomach* and *Digestive Organs*, and for *General Debility* it is equally salutary and certain.

Typhoid Fever, Dyspepsia, and Debility.

The following letter from Stephen Leavitt, Esq., a well known and worthy citizen of Lake Village, is but the testimony of thousands of like sufferers:—

Lake Village, N. H. Nov. 4, 1859.

Messrs. S. W. Fowle & Co, Boston,—

Gentlemen:—Eight years since I was attacked with *Typhoid Fever*, which left my digestive organs in a very feeble condition. I was totally unable to perform labor; I could eat but the lightest and most simple food without causing distress; and the various medicines which I had taken produced no favorable alteration to the disease. I continued in this miserable condition for several months, until a brother-in-law, (Mr. Joseph Burrill, of East Boston,) sent me a bottle of the Oxygenated Bitters, with such strong assurances of its virtues that I was induced to give it a trial. I had not exhausted the contents before the effect was quite visible, and gave sufficient encouragement to persevere in its use; and I was in due season restored to a comfortable state of health. This remedy I have since recommended to some of my dyspeptic friends, and always with the most satisfactory results.

Yours, STEPHEN LEAVITT.

Timely Warning.

Every mother should be prepared to act in the capacity of both nurse and pysician to her children: she can, if she will discharge these duties much better than any one she can employ. If she does not, she ought to know that there is a medicine prepared by an old nurse and female physician, which has stood the test of many, many years, and is the most perfect thing on earth for children teething; it also cures Wind Colic, Dysentery, Diarrhœa, and *is sure to regulate the bowels*. We say to every mother, do not let your own prejudice, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of MRS. WINSLOW'S Soothing Syrup. It is sold everywhere, at 25 cents a bottle. *Office*, 13 Cedar-street, New-York.

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the *worst cases* to be found in the following complaints:

Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Dolloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, *for cleansing the blood*.—Keep the *blood* healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is d sordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

The Wonder of the Age!
Manny's Patent MOWING and REAPING Machine.

ONE acre of Hay or Grain cut on rough or smooth land in an hour, for less than one shilling cost, with the assistance of four or five joined in the purchase of one of those ever renowned *labour-saving Manny's Patent Mowing and Reaping Machine combined*.

Now on Exhibition and Sale, with Witcomb's Patent Horse Hay Rake, and Brown's Patent Horse Pitch Fork, at *Orwell Cheap Store*—cheaper than the cheapest Country Store on the Island, and with the greatest variety, from a Needle to an Anchor.

Three Gold, Six Silver Prize Medals, and $100 cash have been awarded at the Crystal Palace and State Fares of America, where Manny's Machine has been fully tested with several other Machines, and proved to be the best, safest, most durable and cheapest Machine of the kind ever offered to the public, for saving time, labor and expense to the Farmers, by which five weeks labor and cost can be saved over the old fashion mode of harvesting with hook and scythe, which will pay a fifth share of the entire Machine in one season. It can now be got if four or five in a Settlement join together, and for which time will be given for payment by the Subscriber, for all those ordered by the 20th of May, so as to have them ready in time for harvest, to enable the Farmers to ship their produce in good weather, and a month sooner, and not fear having too much grain ripe at once, when one of these money saving machines can be had on such favourable terms and easy payment, at Orwell Cheap Store.

This is an opportunity that cannot be got every day, to clear and make large farms, and have a month's work done by lads 16 or 18 years old, in one week. This is coming up to Telegraph operation, and will make the Farmers independent, and look out for better times and more produce.

These wonderful Machines are invaluable to Ship-builders and Sea-Captains, Mechanics, Teachers, Widows, and all those whose time is more valuable at other callings, and will be set up by the maker. A trial given of them, and warranted fully perfect, or taken back.

Annexed are a few testimonials from some of our most extensive Island Farmers, that can be depended on, and who are willing to give satisfactory reference, if called on.

N. B.—All parties wishing to use any of these Machines, would do well to roll the land in time for them—*this is important*. P. S.

Certificates.

We certify that each of us have purchased one of *Manny's Patent Two Horse Mowing and Reaping Machines*, the operation of which we are highly pleased with, and it has proved much more satisfactory than we expected, having performed all our work much better, and at less cost than hand labor, and having our hay and grain secured nearly five weeks sooner than our neighbours, *with the old fashion* scythe and hook.

We consider *Manny's Machine* the most valuable invention ever discovered, or seen on this Island, for the benefit of the Farmers, and strongly advise every one requiring such to secure them in time, if they can arrange in any way to have one in each settlement, when the benefit will be found to save money and time—so valuable to farm workers.

(Signed) WILLIAM ACORN, Miller & Farmer, Lot 49,

April 22, 1861.

N. B.—Any one wishing to see our Machine, can call at any time, or to the agent, at Orwell Cheap Store, where one is on exhibition and sale

I certify that I had one of *Manny's Patent Two Horse Mower and Reaping Machines* at work on my Farm last season, and found it proved admirably well, and far superior to any one of the kind I ever saw in England, or on this Island; and had I not succeeded in getting the use of it, I should have lost a great quantity of my grain, it having got over ripe, and I could not get men to hire at any wages at the time. I found it much less expense, and the work better done than by hand. My opinion is, that when these Machines are a little better known, no Farmer that wants to save money, or time, will be without one.

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and induing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury*, nor *Antimony*, nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmacentical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual Costiveness with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudices of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Langour*, and *Melancholy*, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucuous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of *Gravel*.

Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption*, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores*, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions*, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum*, and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS.

General Debility, Loss of Appetite, and Diseases of Females—these medicines have been used with the most beneficial results in cases of this description:—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painter's Colic, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

ADVICE GRATIS!

HOLLOWAY'S PILLS.

To Purify the Blood.

These Pills have been placed by the common consent of mankind at the head of all remedies for removing obnoxious poisons from the blood, and clensing all the tissues of the body. They have saved thousands year after year from falling a sacrifice to the effects of dyspepsia, dysentery, diarrhœa, constipation, liver complaints, &c., a fact attested by myriads of witnesses. Excessive weakness and debility, the warnings of decreasing organic energy and vital decay, are restored and reanimated with vigour and healthful action in every organ throughout the system, by the restorative and exhilaratiug influence of this medicine.

Female Complaints.

All disorders of the sex, and diseases in every crisis perilous to the life and health of woman, youthful or aged, married or single, may be radically and quickly cured without risk or trouble by a few doses of these Pills, taken according to printed directions.

Indigestion with languor and want of energy.

When taking these Pills, rub Holloway's celebrated Ointment over the pit of the stomach, and over the regions of the liver, on the right side under the ribs, and you will at once experience a change for the better in your digestion, spirit, appetite, strength, and energy. The improvement, though it may be gradual, will be thorough and lasting.

DROPSY.

The efficacy of Holloway's Pills in dropsy is extraordinary. They act with such peculiar effect upon the system, that the fluids arising from this direful disease are imperceptably carried off and prevented from any further accumulation. The sufferer regains a buoyancy of spirits and rejoices in a completely renovated constitution; but it is indispensably necessary that the Ointment should be most effectually rubbed into the complaining parts.

Stomach, Liver, Kidneys, and Bowels.

Those who suffer from bile and liver complaints, should try the effects of this valuable remedy, a few doses of which will make the sufferer feel elastic and vigorous, removing all impurities, giving a healthy action to the liver; if bilious attacks be allowed to continue serious casualties may arise, and the sufferer be consigned to a bed of sickness. In all disorders of the kidneys, the Ointment should be well rubbed into the small of the back, once or twice a day—and the Pills acting in unison, will cure any complaints arising from these organs.

Puffy,—Shortness of Breath with Weakness.

Very bad symptoms, which if not corrected, may tend to some serious disorders of the heart, or other vital organs. Eat moderately of solids, take six Pills nightly for some little time; take plenty of fresh air with moderate exercise, and the human machinery will be quickly restored to health and vigor. Try this but for three days only, and the result will be marvellous.

Complaints incident to Children.

All complaints of children may soon be cured if care be taken to purify their blood, correct the action of the liver, and cleanse the stomach and bowels: a few doses of these famous Pills will immediately have the desired effect, particularly if parents be careful in not allowing them to eat of things which they know would be injurious to themselves.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Asthma	Erysipelas	Lumbago	Tic-Doloureux
Bili's Complaints	Female Irregula-	Piles	Tumours
Blotches on Skin	rities	Rheumatism	Ulcers

CURE IS AT HAND!

HOLLOWAY'S OINTMENT.

Scorbutic Eruptions, as sore Heads and Scrofulous Swellings.

If this wonderful Ointment be well rubbed into the parts affected all skin disease will be speedily overcome. It acts not by repression, but repulsion. It enters the system as salt enters meat, and operates not locally only, but constitutionally purifying the whole system, neutralizing all deprived humours, and effecting a radical and complete cure. The Pills should be taken as an auxiliary to the Ointment, as they are so operated as to act in unison with it, facilitating and confirming the conquest of the disease.

Diptheria, Ulcerated Sore Throat and Quinsey.

The above complaints have for twenty years been treated with Holloway's Ointment and Pills with perfect success. The cures have been so remarkable, speedy and numerous, that these often fatal diseases are now easily cured by those medicines, than even the common sore throat, if taken in time.

The Kidneys, Stone and Gravel.

In these complaints, the Ointment almost acts like a charm, providing it is very effectually rubbed over the regions of the kidneys which it will penetrate and give almost immediate relief, while the Pills should be taken according to the printed directions, when the most extraordinary cures may be effected by this means.

Bad Legs, Bad Breasts, Scrofulous Sores, and Glandular Swellings.

In such cases the Ointment operates surely and with a rapidity that resembles magic. It should be rubbed into the parts affected after they have been fomented with lukewarm water. The purifying and curative powers of this marvellous unguent have never failed. Any old sore, wound or ulcer always yields to its influence, and in cases of bad breasts, or milk fevers, its action is wonderful. Glandular *swellings may soon be reduced* by following the printed directions.

The Action of the Heart. Dropsy.

This last named disease is commonly preceded by irregular action of the heart, and difficult respiration; which symptoms are always severe, and ever go from bad to worse, unless proper means of cure are resorted to. In Holloway's unrivalled Ointment and Pills the dropsical patient will ever find succour; the present relief derived from the use of these remedies is marvellously quick, and perseverance in the steady application of this famous Ointment, invariably results in a cure. They act with such energy in the circulation and absorbent system, that the dropsical fluid vanishes, and the sufferer finds all the oppressive symptoms daily decline, till natural health returns.

Gout and Rheumatism

May be cured with the greatest certainty if large quantities of the Ointment be well worked into the complaining parts, and this perseveringly done for some time. It is no use to smear it on the skin only, it must be got into the system. Take as many Pills nightly as will act two or three times during the 24 hours; eschew the use of coffee and all stimulants. When these complaints are leaving the system, the virulence of the complaint frequently seems to increase.

Indiscretion of Youth.

Sores, ulcers, and swellings, can with certainty be cured if this Ointment be thoroughly rubbed all round the complaining parts twice or thrice a day, keeping them covered with linen rag spread with the same.

The Pills must be taken according to the printed directions. The blood being in an impure state, perseverence is necessary. From humane motives letters of advice will be answered gratuitously. To save carriage, the Pills and Ointment should be obtained in the neighbourhood of the sufferer, and not from Holloway's Establishment.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chiego-foot	Fistulas	Sore-throats
Bad Breasts	Chilblains	Gout	Skin-diseases
Burns	Chapped Hands	Glandular Swell-	Scurvy
Bunions	Corns (Soft)	Lumbago	Sore-heads
Bite of Mosche-	Cancers	Piles	Tumours
toes and Sand-	Contracted and	Rheumatism	Ulcers
Flies	Stiff Joints	Scalds	Wounds
Coco-bay	Elephantiasis	Sore Nipples	Yaws

CRAMP AND PAIN KILLER.

THE world is astonished at the wonderful cures performed by the **Cramp and Pain Killer** prepared by CURTIS & PERKINS. AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1858.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

Dear Bro. Ayer: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine*. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.
