IN MEMORIAM

In loving memory of my dear sister Mildred, (Mrs. Harry Keating) who passed away December 12th, 1948.

I was not there to see you die,
To clasp your hand and say,
'Good-bye.'
But I'll remember my whole life through,
The last few words I had with you.

Always Remembered by Sister Iona and Brother-in-Law Donald, of Summerville, Mass.

Her life to us, will always be a guide,

Until we, too, shall cross the Jordan tide.

"Big Top"

Landmark for visitors to the Festival of Britain is the great Dome of Discovery, with its 2 1/2-acre top sheathed in gleaming aluminum. Largest dome ever built, it has more than three times the diameter of the Dome of St. Paul's Cathedral.

Canadian visitors to the Festival may be excused for pointing with pride to the fact that roof, ribs, rafters and other parts of the all-aluminum Dome were made from Canadian aluminum... and that Canada is the world's most efficient producer of this essential modern metal. Aluminum Company of Canada, Ltd. (Alcan).
