Kryptok Double Vision Lenses

If one is wearing glasses for distance vision. When the age of forty to forty-five years is reached one needs another pair of glasses—a pair for reading and a pair for distance vision. Kryptoks combine these two pairs into one, the upper half of the lens for distance vision and the lower half for reading. Kryptoks are not two lenses cemented together—they are two strengths of glass fused into one. They have no seam or uneven surface to catch the dirt or confuse the vision, and in appearance you cannot tell them from an ordinary single vision lens. We specialize in "Kryptoks".

The Family Cream Separator

Have you seen the New Sharples? The entire family will be delighted with this wonderful invention which we have received from the "world's largest separator factory." Your girl may turn slowly and make the work very easy. Your boy can readily fill the large low supply can.

THE NEW SHARPLES SUCTION-FEED

separator skims clean at any speed. Capacity increases as you turn faster so you can finish the job sooner when in a hurry. Delicacy of cream of the exact thickness desired no matter what the speed. No other separator has these important advantages. The simple tubular bowl is a favorite with the women folks—it's so easy to clean. There are only three pieces—no discs to wash. The Suction-feed Separator has many other new and exclusive features. Bring in the whole family and let us show you just how it works. You'll all be interested and we'll be glad to see you.

LETTER OF CANADIAN TO LEMMEL CLARK AND FAMILY

Dear Friends: Whereas it has pleased our Heavenly Father to call your wife and mother from the pain and sufferings of earth to the Heavenly Home where all is peace and rest, we her sisters of the Ladies Aid wish to convey to you our heartfelt sympathy in your great loss. We feel no words of ours will soothe your aching hearts. We only can commend you to Him who has seen fit to take your loved one to Himself. May you ever feel his everlasting arms of love around and about you. We are promised His Grace as sufficient for all our needs. We cannot understand the meaning of our trials now but some time in the better land we'll know. Our loved ones are passing out of our sight to their Heavenly Home above. We miss them but still, we rejoice to know they are safe in their Saviour's love.

MRS. BENJAMIN HOUSTON
MRS. ELDON McKay,
MRS. GEO. H. STEVENSON,
On behalf of the members of the Ladies Aid Society of the New Glasgow Christian Church.
