The winner of the Bicycle in the "GO" Contest recently held at Co-op Super Market was Desmond Falls, 92 Sydney Street.

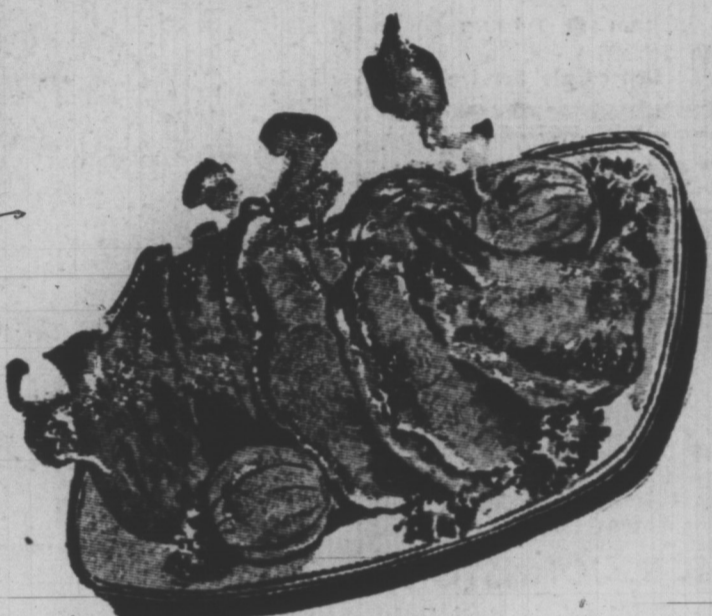

Ever have a bag rip or spill the contents on the sidewalk or floor? It can't happen here because our packers are expertly trained to pack your order carefully . . . securely . . . and convenient for you to carry. A strong, oversize bag is used. Heavy packages go in the bottom to make a solid base . . . rigid packages strengthen the sides . . . and the perishables go in last—at the top where they can't be crushed. Why risk an "accident"? Play it safe—and save money, too. Buy all your foods and supplies at CO-OP SUPER MARKET.
