### SNOW PLOW INSTALLED ON TRUCK

A new all-purpose truck purchased by the town of Summerside is seen above with a newly installed "one-way" plow blade which is equipped with an hydraulic hoist capable of lifting the plow blade to various levels. The truck is a 1958 Dodge, purchased at a cost of \$7,000.00, from Willard MacDonald Ltd., who had the lowest tender submitted by all local dealers. The specifications are 23,000 pounds gross vehicle weight, on a short wheel base, with an extra heavy 216 horsepower engine, and a 5-speed transmission for snow plow work in axle of 18,500 pounds. This new truck is equipped with booster brakes, heavy duty generator, 12-ply mud grip rear tires, an 11-foot dump body and hoist, and a "no-spin" differential block to prevent spinning of wheels on ice. The truck, which will be the property of the Street Department, will be equipped with two-way radio communication, with a unit transferred from one of the electric light trucks to provide continuous contact between the truck and the central radio set at the police station, to facilitate the snow plowing service when plows are needed in emergencies and at all other times.

# Stubborn Fire In Alberton House

Alberton, O'Leary and Tignish Fire Departments successfully brought under control a stubborn fire at the home of Mrs. Jesse Matthews in Alberton last night. Fire broke out in the large three story dwelling about nine o'clock and was finally extinguished shortly before eleven. Firemen from the three brigades were hampered by the low temperatures which caused frozen pipes and hoses and made their task extremely difficult. The house houses part of the Matthews Turkey Farm and is located near the home of Herbert Matthews, owner of the farm. Barns and buildings containing hundreds of turkeys would have been endangered had the fire gotten out of control. Fire and water damage is extensive throughout the building. The fire is believed to have originated from the furnace in the basement.

He was introduced by Rev. J. M. Fraser who also led in prayer. The scripture lesson was from first Corinthians, Chapter 13, and the text for Mr. Hutcheson's inspiring and timely message was from verses 12 and 13. He spoke of the beginning of the New Year as the symbol of a new beginning in our lives, and it offers us the opportunity of making resolutions to look not only to another year but to eternity and make the Christian way of life our life.  
He emphasized the weakness of human effort without the accompaniment of faith in God, which itself is the answer to many of our problems, and pointed out the necessity for piloting our lives towards Christ instead of floating aimlessly on the sea of life.  
The choir sang as an anthem "Haste Ye, Haste Ye, Heralds Immortal". At the conclusion of the service, Rev. J.M. Fraser pronounced the benediction.
