## THE GREAT AMERICAN HAIR TONIC.

BOGLE'S celebrated Hyperion Fluid, for the growth and preservation of the Hair is well known to be without a rival on this continent. Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair restorative, and their doom been sealed whilst Bogles's Hyperion Hair Fluid with a popularity never attained by any other article, goes on 'conquering and to conquer.' There is no malady which can affect the Hair but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

BOGLE'S ELECTRICK HAIR DYE converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without injuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeanona removes Freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion.

To be had, wholesale or retail, of W. Bogle, 227 Washington street, Boston, U. S.

## READ THE FOLLOWING STATEMENT OF A WONDERFUL CURE OF DYSPEPSIA BY USING THE OXYGENATED BITTERS.

PORTSMOUTH, N. H, April 15, 1848.

MR. WM. R. PRESTON:

Dear Sir:—For the last four years, I have been, as you are well aware, a great sufferer with Dyspepsia. Frequently during that time I have been compelled to quit my business, and confine myself to the house; and the disease had become so seated, that I had given up all hopes of ever obtaining any relief. The most simple food caused great distress, accompanied with severe costiveness, acid stomach, flatulence, loss of appetite, headache, disturbed sleep, frightful dreams, in short, every attendant of suffering produced by dyspepsia.

Every medicine I saw advertised for this disease I would purchase and make use of, hoping to gain some relief, but all without success; and I had given up in despair, until you strongly recommended the "Oxygenated Bitters," and it is with a heart full of gratitude that I now pronounce myself "wholly free from all symptoms of Dyspepsia." I can eat any thing at any time, sleep well, and can now enjoy the balmy air of Spring, and look upon Nature with a delight that has been a stranger to me for years. It is for the benefit of thousands of the human family who are now suffering from this tormenting disease, that I present my case for your perusal; and to every citizen in Portsmouth and its vicinity who may be suffering from Dyspepsia, I would say to you all, "Use the Oxygenated Bitters."

WM. PLAISTED.

PORTSMOUTH, N. H., April 15, 1848.

MESSRS. STIMPSON, REED & Co:

Gentlemen:—It is with much gratification that I add my hearty concurrence with the above statement, knowing it in every particular to contain nothing but the truth; and from the statement of others, who have tried the medicine, I most cordially acknowledge, that I never sold any medicine for Dyspepsia, that has given so universal satisfaction as the "Oxygenated Bitters."

## Dr. A. JOHNSON'S American Anodyne Liniment,

FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma Pain in the Sides or Breast, Rheumatism Cram pin the Stomach, Spitting of Blood and all Lung Complaints.—Manufactured by I. S. JOHNSON, Bangor, Maine.

*Dr. Johnson's AMERICAN ANODYNE LINIMENT, an entirely vegetable preparation, prepared and intended for Internal and External application.*

The inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and offer it with full confidence to the afflicted, as the result of his long experience, and best efforts.

This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical Faculty, wherever it has been introduced.

With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public; not doubting that it will sustain the high reputation it has already acquired. We do not affirm that this article is a cure for the ten thousand ills humanity is heir to, but let those who are afflicted with the following diseases, try it, and we can assure them they will find relief.

Inflamation of the Bronchia or Bronchitis, Rose Cold, Catarrh, Hard dry Cough, Whooping Cough, Hoarseness and common cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma and Influenza, for Sore Throat and Weak Lungs, for Chronic Diarrhea caused by Rheumatism in the bowels, for Cramp in the Stomach, for Stranguay, Gravel and Stone, Blind Piles, &c.

Externaly it will have the most happy effects, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chilblains, Chapped Hands and sore Lips; it is a sovereign remedy for the bites of flies, and other insects. There is nothing of equal efficacy to this for Horses and Oxen, where they are corked, cut, bruised, strained or chafed by the harness, and it possesses more than double the power of any other Liniment.

Inflammation of the Bronchia or Brochitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq. (No. 10 Court Street Boston) who had a case of three years standing, has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose Cold. This cold comes on when the flowers bloom in the Spring, and continues till the leaves fall in Autumn—if this disease is not attended to in season it ends in consumption. Take of the Liniment according to directions and a cure will result.

Catarrh, and noise of confusion in the head may be cured by a faithful trial of this Liniment, drop one or two drops in each ear at night before going to bed, and take it internally according to directions.

In all Coughs, the Anodyne Liniment is a well known remedy, particularly for Whooping Cough. The first symptoms should be checked, and not the least difficulty will occur in the cure of this complaint. For children half a teaspoon full of Liniment night and morning.

This Anodyne Liniment for sore throat and weak lungs, that complaint so common inallcountrie. sespecially in this climat stands unrivalled; and in every case, a complete trial will be marked by the most complete success.

The Blind Piles. The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Liniment internally external application should be made.

The sale of this invaluable medicine is rapidly increasing, and the Proprietor can say with confidence that he has been the favored instrument of giving relief to thousands of the afflicted and suffering. The following certificates are genuine and he earnestly solicits all who may be afflicted, to give this Anodyne Liniment a fair trial, satisfied that if taken with a full determination to test its ability they will find relief.

## PERRY'S HUNGARIAN BALM.

**For Restoring, Preserving & Beautifying THE HAIR**

THIS elegant preparation is an effectual remedy for Baldness or Falling off of the hair. It prevents and completely eradicates Scruff and Dandruff, strengthens the Roots of the hair causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scruff, dandruff, and other impurities, which so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is espccially adapted to ladies use and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it once and you will be convinced of its superiority over all other compounds for the hair. Much more might be said in favor of this inestimable compound, but it is deemed unnecessary, as the proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it.
If you are losing your hair and wish to preserve it.
If you are troubled with Dandruff and wish to remove it.
If you have any humour of the Scalp and wish to cure it.
If you are troubled with Nervious Headache and wish to cure it.
If you have hair eaters at the roots of the hair and wish to destroy them.
If you have harsh, dry and wiry hair, and wish it to become soft, pliable and beautiful as Silk; and if you wish to preserv rich, graceful and luxuriant tresses to the latest period of life use PERRYS HUNGARIAN BALM.

Price 25 and 50 cents, in large bottles.
