Tea Topics

"A little knowledge is a dangerous thing"—but the redeeming feature is that generally a little knowledge leads to study, and the little soon becomes a great deal.

And so it is with our Matchless Blend of Ceylon Tea. A little knowledge of its goodness leads to a trial, and then you've learned that real good tea can be had at a moderate price. We know that your verdict will be the same as that of the housewives who have used it steadily for thirty years.
