

LOCAL AND OTHER ITEMS.

MANTLES & SPECIALTY.—Beer Bros. City Council meeting on Monday evening. SUNDAY SERVICES will be found on the fourth page. CROP REPORTS from Picton are better than for 25 years. The Strawberry festival advertised to be held in Zion Church is postponed till further notice. SOME NEW PLANS are badly needed in the sidewalk on Kent Street, between Prince and Hillsborough. N. of T.—Don't forget the Fraternal visit of Rev. Oswald Devotion to Victoria Division on Monday evening. ST. PAUL'S CHURCH.—The morning sermon tomorrow will be preached by the Ven. Archbishop Weston-Jones, Rector of Windsor, N. S. DONO WELLS.—The cheese factory at Head St. Peter's Bay, managed by Mr. G. G. Burgess, is doing well. He weighed in 6000 lbs. of milk on Monday last. ARRIVED AT LIVERPOOL.—By cable to Peake Bros. & Co., the bark R. B. Peake arrived at Liverpool from Puzos on the 6th inst., after a passage of twenty days. L. O. A.—All the brethren of both lodges will please assemble in Bayne Lodge Room tonight at 8.45 o'clock to hear the Secretary of the Celebrating Committee's report and other business. CITY TAXES.—The appeal court will meet on Monday forenoon, at 11 o'clock. Saturday next will be the last day for allowing discount on city taxes. Citizens are requested to be present on that date. FIREMEN'S TOURNAMENT.—At the meeting of firemen last evening, it was decided to send a parade team to St. John if a sufficient number of men could be got together, and the Captains of the four companies were appointed a committee to make arrangements. BICYCLE RACE.—In connection with the horse races at Georgetown on the 17th inst., there will be a five-mile bicycle race for a handsome silver cup, provided four or more enter. This is a good chance for some of our local riders to decide who is champion, and thus put an end to their doubts. SOMETHING NEW IN SUEDE.—The firm of Doh & Rogers are thoroughly up to date. They have just put up some very handsome polished brass signs on each side and on top of the entrance to their store. They are a vast improvement over the old-fashioned projecting affairs that the City Council has had to abolish. SCOTTISH GATHERING.—The annual gathering of the Clans under the auspices of the Caledonia Club of Prince Edward Island, will be held on the Driving Park at Georgetown on Wednesday, August 15th. A good programme of sports will be prepared for the occasion, and there will be special fares along the line of railway. ST. PETER'S SUNDAY SCHOOL PICNIC.—The steamer will leave the Ferry Wharf at 10.30 and 3 p. m. on Wednesday, the 11th of July, taking passengers to St. Peter's Sunday School Picnic and Strawberry Festival to be held on Mr. McEachern's beautiful grounds, Red Point. Fare: Return ticket, 12 cents; children, half price. LET THEM TALK.—People will talk about the weather. You cannot stop them. In this matter they defy reformation. What is the use of objecting to their talk? Consider the fact that many persons talk more entertainingly of the weather than of anything else. Why not ungrudgingly give them a chance to appear to the best advantage.—Buffalo Courier.

ODDS AND ENDS. Eight cases of smallpox were reported in New York city on Wednesday. There are 10,000 more women than men in the District of Columbia, U. S. Archbishop Tache, contrary to rumor, left no desire or will of any kind in relation to his successor. Rhode Island, which has 318 people to the square mile, is the most densely populated of the United States. The French courts have decided that the Paris fund shall immediately be delivered to Justin McCarthy. Japan has 377 churches, with an average membership of 100. The Sunday school scholars number 27,000. Recognition of his election to the Presidency, M. Casimir-Perier has granted pardons to 374 political and other prisoners. The Russian Government has closed all the Jewish synagogues in Warsaw which are located in the vicinity of Russian churches. The recent strife between Circassian settlers and Druses in Syria resulted in four hundred persons being killed or wounded. A new shell has been tested in Russia which is said to have pierced ten-inch armor plate hardened by the Harvey process, and came through without damage. Herbert Gladstone, who has come to the fore in the political world since his father's resignation, is intensely fond of the violin. He devotes an hour every morning to practice whether he is in town or country. It is announced at St. Peterburg that the marriage of the Czarevitch to Princess Alice of Hesse, will take place in January. The Czar and Czarina will start for the Baltic on a yachting trip next week. The richest man in Prussia is Albert Hock, who owes his wealth to his manu facturing establishment (iron and paper). His income is about \$2,000,000 a year and his taxes last year, when his wealth was rated half a million more, were \$108,000. The stud of the late Abingdon Baird and that of the Duchess of Montrose were sold by auction in London, Monday. Of the duchess' horses, the 52 lots sold realized \$42,425, (about \$200,000). Bachelors of the Baird stud was sold to Sir J. Blundell Maple for \$3,500. Centenarians are not uncommon now-a-days, but a woman who has just celebrated her 100th birthday at Turin has some experience not common even to centenarians. Her name is Countess Alviso, and when a bride of 18, she accompanied her husband through all the horrors of the Moscow campaign of 1812. Her biographer naively says: "So little, indeed, did the hardships affect her constitution, that she is still able to spend some hours daily practicing on the piano."

THE EVENT OF THE SEASON. The Roseberry Tea at Kinkora is without doubt, going to be the event of the season. It is in every person's mouth. The first word when you meet a friend is "Are you going to the Roseberry Tea?" "Well, certainly I am; are you?" "Oh! yes, of course, we are all going sure. No one will miss that." The contest for the most popular candidate in East Prince will be one of the most exciting events of the day, as the one chosen there will strongly voice the opinion of the electors. This will be no sham or mockery (as is often the case). It is a live issue, and almost everybody appears like taking a hand in it, and will watch the outcome with a keen interest. The result will be a strong indication and guide for the electors when they are called upon to choose candidates for their respective sides for this riding. We understand that there are four candidates at least in the contest on the 10th inst., viz., Hunt, Ye, (who ran before) Campbell and Bell, and Dana-Konnor has it that the two new ones will make it exceedingly hot for the old ones. The next event in importance will be the bicycle race. Certain persons have been talking loudly, and have gotten off a great deal of "guff" or late through the press about science, intelligence, brawn, strength and stupidity, submarine, etc., but now is their opportunity for distinction. Most singular, since this race was announced they appear to have hauled in their horns, so to speak, and have ceased blowing, at least through the press. The Cape Traverse amateurs, are, however, in daily practice, and will make a big effort on the 10th to win the cup and laurels from their Charlottetown and Summerside competitors. We understand that the cup to be presented to the champion on this occasion is a very handsome and valuable one. It is none of your pewter, brass, or ivory mugs, but one made of the right, genuine material. Some six or seven leading cyclists have already expressed their willingness to compete at the Roseberry tea at Kinkora on July 10th.—Co.

A Graduate of Toronto University Says: Our children have been treated with Scott's Emulsion from their earliest years. Our physician first recommended it and now whenever a child takes cold, my wife immediately resorts to this remedy, which always effects a cure. Dress goods may have intrinsic merit, and yet lack the possibility of perfect draping. Without perfect draping it is in vain that the goods are costly, or the make-up Parisian. The draping is the charm which gives grace to a woman. There is one particular in which Priestley's famous dress fabrics stand unrivalled. It is universally known that they wear better than other fabrics, but they drape with a grace which endears them to the aesthetes of every fastidious woman. Ladies should remember the trade mark "The Varnished Board" on which each piece of Priestley's dress goods is rolled. LOCAL NOTICES.
