O'Brien Racing Today

Prince Edward Island's Joe O'Brien will be up behind Ambro Flight when the leading two-year-old fillies in America leave the wire at Yonkers raceway today in the $20,000 Lou Dillon Trot.

The little Irishman left the Island with not much more than his ambition and has obtained both fame and fortune in United States harness racing.

Ambro Flight, a black daughter of Star's Pride from Helicopter, a Hamiltonian winner, figures to be favored in the Lou Dillon. The O'Brien reined entry has won $79,000 the highest in history for a 2-year-old trotting maid.

Her most recent victory came in the $16,545 Eaton Ridge Farm Trotting Stakes in Lexington, Ky., in which she beat in straight heats, La Belle Helen, Frosty Song, Lansbury Hanover, Victory Princess and Merrie Flower.

Others likely to start in the Lou Dillon—named in honor of the great mare who in 1903 became the first trotter ever to race a mile in two minutes—are Arabesque, Lansbury Hanover, La Belle Helen, Frosty Song, Merrie Flower, Nimble Rodney and Victory Princess.

Arabesque driven by Starley Dancer, won the $14,250 Nancy Hanks at Brandywine, while Lansbury Hanover won a division of the $9,745 Arden Downs Filly Trot.

All of the trotting fillies in the Lou Dillon are eligible to compete against the colts and geldings in the $60,000 E. Roland Harriman Trot, scheduled for Oct. 29.

The 47-year-old O'Brien is the brother of Claude O'Brien and thus the uncle of Michael O'Brien who are both well known horsemen in local harness racing circles.

Tid Bits From Here And There

Four of Canada's top curling rinks have accepted invitations to compete in the eight-team tournament of Champions at Maple Leaf Gardens Jan. 5-8, it was announced Tuesday. Competing in this year's tournament will be world champion Lyall Dagg, of Vancouver, Ernie Richardson of Regina, four-time world champion, Doug Cameron of Charlottetown and Bob Ash of Kirkland Lake, Ont., last year's Canadian schoolboy champion. A total of $5,000 in prize money will be at stake with the winners collecting $1,500.

Peter Snell of New Zealand became the first double gold medalist in the Olympic games when he captured the 1,500 metres yesterday. He previously had taken top honors in the 800 metres competition.

Oshawa Generals have moved into second place with seven points in the Ontario Hockey Association Junior A series, but with a goal scorer like Ron Buchanan, it's a wonder they aren't in first place. Buchanan paced the General's scoring attack with his second three-goal performance in as many games as they dumped Toronto Marlboros 5-2 Tuesday night. He has counted for half the Generals 16 goals this season and leads the league in scoring. Oshawa now trails Niagara Falls Flyers by one point.

An attempt was made Tuesday night to form Charlottetown City basketball league, but nothing definite was decided. The idea of pooling the players who wish to participate in the league seemed to prevail with those attending the meeting. Anyone wishing to particapate in a City loop should contact Jim Fox, Don MacLean, Wayne MacDonald or Don LeClair.. Election of an executive will be discussed at the next meeting which is scheduled for Tuesday, Oct. 27, at 7.00 p.m. at City Hall.

The Milwaukee Braves, board of directors voted Wednesday to request permission from the National League to transfer their franchise to Atlanta for 1965. There was no further information available at the time this column went to press.

The United States and Russia will play for the basketball gold medal in the final round of the Tokyo Olympics today. The United States squad has never been beaten in Olympic competition. They won the Olympic crown by beating the Russians the last three times, and have a string of 46 consecutive wins since the sport was added to the Olympic program in 1936.

SPORT ECHOES

Summerside Bureau of The Guardian

These Are Hard Times

We're plunk in the middle of the sports doldrums, and it's difficult to find anything to write about. No one is playing baseball anymore, not even in Nova Scotia, and softball has also gone into its winter cocoon. Hockey is knocking at the door, but locally there isn't much to say except in the realm of conjecture, and in that department your guess is as good as ours. Everybody has heard by now that Red Schoendiest, in his day, one of the best second sackers in the business, has been hired as the world champion St. Louis Cardinal manager for 1965. We could fill some space wondering what happened Durocher who seemed to have the job nailed down before the surprising surge of the Cardinals in September. But if we have patience and wait, Leo will tell us all about that. After all, he wasn't called "Leo The Lip" for nothing.

The NHL hasn't begun to get exciting yet, though Kent Douglas, a Toronto defenceman, and a mere babe in arms compared to some of his teammates, is leading the league in points, but he has scored only one goal. Rather humdrum material for an "Echo", n'est-ce pas? (you se we haven't forgotten our bi-lingual responsibilities). When Jackie Mason thumbed his way to unemploymentville, it woke up a lot of people during the Ed Sullivan show during the weekend, but this was considered a very unsportsmanlike act, and as such should not be included in a sports column. Guess there just isn't anything to talk about.

A Little Reminising

Perhaps we could do a little reminiscing. Did we ever tell you about that play-off baseball game in Charlottetown which our Gallant lads won 2-0 in twelve innings? Charlottetown had the winning run dashing in from third in the very first inning, but centrefielder Alan Stewart threw a perfect peg to Bob Schurman at the plate, and the runner was tagged out. You heard that one? well, how about Les Gaudet's grand-slam home run in Dartmouth, or Russ Phaneuf's circus catch in Summerside, or Lippy Gaudet's dazzling stick-handling with a piece of tape off a hockey stick in Kensington? All old stuff, eh? "The Realm" must have beaten us to the punch.

No doubt there were glorious moments for Charlottetown when one of their boys turned the tables on Summerside in dramatic fashion, but let them put those moments in their own collection or reminiscences. We perfer to forget all about those highlights, and the sooner the better.

Soccer In Summerside

We wish we could tell you something about soccer. Summerside High and our elementary schools have taken this game up and we hear it's a good conditioner, and an ideal way of getting exercise. It's the world's greatest spectator sport, but hasn't made much progress on Prince Edward Island in that direction, as yet. It's the only game we've heard of where you use your head—in a physical sence, that is. They sometimes do in boxing, but its considered a foul. Well, we can't tell you much of anything about soccer, so that seems to be it. Our profound apologies, but there doesn't seem to be anything we can talk about. Wait there is an item. How many of you saw the Packer girl from Great Britain win that race in Tokyo recently. She was fifth and broke away from the pack making them look as if they were marking time. We don't remember having seen a more thrilling race.

Crib Tournament Gets Underway

GEORGETOWN — The annual Canadian Legion Cribbage tournament, sponsored by the Georgetown Branch of the Royal Canadian Legion, which proved such a crowd pleaser last winter, got underway at the legion hall Tuesday night.

Nine teams were in competition. The Legion provincial Command has instituted new rules, which provide for club members other than veterans being allowed to take part in the tournament and compete in country and provincial finals. All competitors must be 21 or over.

Three trophies are at stake: The branch trophy, zone trophy and provincial trophy. Legion members and club members will enjoy greater comfort and facilities this season, due to the recently installed automatic oil furnace and the installation of hot and cold running water and modern rest room facilities.

LOCAL MEN BAG BIG CATCH

Shown above are two proud Charlottetown hunters as they display their catch of ten geese which they bagged yesterday morning. 'Porky' Johnston is on the left and his fellow hunter is Frank Turnbull. The pair reported that they landed the catch in the Johnston's River area.

Yanks Place Three Men On Major League All-Stars

NEW YORK (CP)—New York Yankees placed the most players on the Associated Press annual major league baseball All-Star team. But two Los Angeles pitchers collected the most votes.

The Yankees to make it are outfielder Mickey Mantle, catcher Elston Howard and second baseman Bobby Richardson. Most highly rated were Sandy Koufax of Los Angeles Dodgers and Dean Chance of Los Angeles Angels.

Koufax, winner of 19 games before he was sidelined for the season by a sore arm in mid-August, polled 77 votes as the outstanding left hander in the balloting by 85 baseball writers. Chance, a 20-game winner for the Angels, drew 71nas the top right hander.

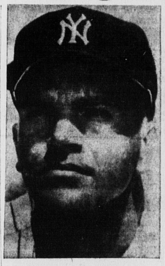
Others named were first-baseman Bill White of the World Series champion St. Louis Cardinals, third baseman Brooks Robinson of Baltimore Orioles, shortstop Jim Fregosi of the Angels and outfielders Willie Mays of San Francisco Giants and National League batting champion Roberto Clemente of Pittsburgh Pirates.

The voting was based on regular season performances. In all, six National Leaguers and four American Leaguers were selected for the first team.

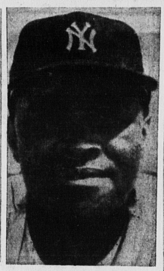
NL PLACES SEVEN

The National League, however, placed seven on the second team to the American League's three.

Those chosen were right handed pitcher Juan Marichal and first baseman Orlando Cepeda of San Francisco, outfielder Hank Aaron and catcher Joe Torre of Milwaukee Braves, second baseman Ron Hunt of New York Mets, third baseman Ken Boyer of St.Louis, shortstop Luis Aparicio of Baltimore, outfielders Tony Oliva of Minnesota Twins, Johnny Callison of Philadelphia Phillies and left handed pitcher Gary Peters of Chicago White Sox.



BOBBY RICHARDSON



ELSTON HOWARD

Clemente, who batted .339, was third in the balloting with 61 votes. He was followed by Robinson with 58, Howard 55, Mays, 54 and Mantle 51. Oliva, the AL's batting leader with .323, was named on 30 ballots.

The voting was one - sided for each position except outfield and shortstop. Fregosi, who batted .277, edged Aparicio, a .266 hitter and the stolen base leader with 57, by 11 votes. Fregosi had 35 votes and Aparicio 24.

Marichal, runner-up to chance for right handed pitcher, collected only six votes, followed by Philadelphia's Jim Bunning, who won 19, including a perfect-game against the Mets, with four votes.

Larry Jackson of the Chicago Cubs, who won 24 games, the most in the majors, was not named on a single ballot. Only Fregosi, Richardson and Mays finished under .300 among those named to the first team. Mays finished at .296 after a sensational start. He did manage to win the National League home run title with 47. Richardson wound up at .267.

Mantle compiled a .303 average, 35 homers and 111 runs batted in. Howard had a .313 mark with 15 homers and 83 runs batted in. White had 21 homers, 102 RBI and a .313 mark with 15 homers and 83 RBIs. White had 21 homers, 102 RBI and a .303 average, and Robinson hit 28 homers, drovd in 118 runs and was second to Oliva in batting with .317.

Commonwealth Is The Third Force

By ED SIMON

TOKYO (CP)—A third force came into the picture in the 1964 Olympic games and walked away with enough gold medals to indicate clearly that the trend against United States and Russian domination in track and field is gaining momentum.

In the track and field competition that ended Wednesday the Commonwealth won seven gold medals with Britain, accounting for four

The third-force countries took a total of 15 of the 34 championships while the U.S. won 14 and Russia five. In 1960, Russia won 11 gold medals in track and field, the U.S. 12 and the rest of the world just nine. Two events, the women's 400 metres and the pentathlon, weren't on the program four years ago.

The Americans won 24 medals, two fewer than in Rome. Britain was the surprise country. Not only did it win four golds, it also matched the U.S. total of seven silver. New Zealand's Peter Snell gave his country a pair of golds and Australia's Betty Cuthbert won another.

Canadians took one silver and one bronze. Bill Crothers of Toronto won the silver in the 800 metres and Harry Jerome of Vancouver took the bronze in the 100 metres.

JUDO TAKES OVER

Russia was expected to cut heavily into the United States medal lead today as gymnastics, canoeing and judo took over with the track and field events out of the way

The track and field display left 24 world and Olympic records broken and three world marks equalled and wound up with Snell, the greatest middle distance runner in the world, winning the 1,500 metres and a doughty Ethiopian wearing he marathon crown for an unprecedented second time.

Russian Girls Win Gymnastics

TOKYO (CP)—Vera Caslavska, 21, of Czechoslovakia, performing with skill and grace, won the women's individual gymnastics gold medal at the Olympics Wednesday by upsetting Russia's Larisa Latynina.

The Russian girl, a two-time Olympic champion, won the second - place silver medal. Polina Astakhova, also of Russia, took the third-place bronze.

The Russian girls successfully defended their championship in the over - all team exercises, winning the gold medal for the third successive games.

Czechoslovakia won the silver medal and Japan won the bronze.

Canada's only competitor was Gail Daley of Saskatoon, an 18-year-old blonde who has won the Canadian women's championship for the last three years. She placed 55th in the field of 84.

Joe Frazier Of US Makes Finals

TOKYO (CP)—Joe Frazier of the United States stormed into the Olympic heavyweight finals with a second - round technical knockout over Russian champion Vadim Yemel Yanov Wednesday night.

Frazier was handing Yanov such a beating in the second round that after 1:59 the Russian's trainer threw a towel into the ring to stop the contest.

The Russian had taken two counts of eight in that round.

Frazier became the only U.S. boxer to reach the finals. He will meet German Hans Huber Friday night for the gold medal. Yanov's defeat broke the Soviet Union's unbeaten record in the semi - finals, in which seven Russian boxers have qualified for the finals.

Neptune Theatre Slashes Deficit

HALIFAX (CP) — Donald Kerr, president of the Neptune Theatre Foundation here, said the theatre had a deficit last year of $8,000 as compared with $165,000 the year before.

In an address to a Halifax service club Mr. Kerr said it was "not so much the result of increased attendance as the cutting back of costs."

He said Neptune was probably the best small theatre in Canada.

Habs, Hawks Battle In Furious Game To A Tie

MONTREAL (CP) — Chico Maki's third - period goal enabled Chicago Black Hawks to tie Montreal Canadiens 5-5 Wednesday night in a furiously-played National Hockey League game before 12,921 fans.

Maki's goal, his third of the season, represented a comeback for the Hawks who got behind 5-4 after rolling to an impressive 3-0 first-period lead.

Ralph Backstrom, the little Kirkland Lake, Ont., winger almost traded for listless play last season, sparked the Canadiens with two goals. He scored only eight goals all last season Defenceman Jacques Laperriere and wingers John Ferguson and Gilles Tremblay scored the others.

Kenny Wharram, playing his first full game since a serious pre-season face injury, blasted two first - period goals for the Hawks while Eric Nesterenko and Bobby Hull triggered Chicago's remaining markets.

Norm Ullman's Goal Gives Wings Victory

NEW YORK (AP)—A slick deflection by Detroit's Norm Ullman gave the Red Wings a third - period goal and a 1-0 victory over the New York Rangers in a National Hockey League game Wednesday night.

The goal ended a duel between rookie Detroit goalie Roger Crozier and New York netminder Marcel Paille.

Paille was especially impressive, in coming back and virtually matching Crozier although he suffered a 12-stitch skate cut over his right temple with 7:17 left in the first period. It came from teammate Arnie Brown's skates as the defenceman made a dive to clear the puck.

Paille was the busier, stopping 36 shots. But Crozier's 19 saves included some good ones too, especially when the Rangers poured it on after Detroit defenceman Doug Barkley was penalized for elbowing with 1:36 left in the game. The Rangers pulled Paille for an extra attacker with 41 seconds to, but to no avail.

Ullman's goal, his first of the season, came as he got his stick on Barkley's 50 - footer just enough to make it skip by Paille. It came at 8:30 of the third period.

First period: No scoring. **Penalties**—Bergman 4:51, Howe 8:15, Angotti 13:31, Martin 18:58.

Saves:

Crozier	5	9	5—19
Paille	11	12	13—36

Yacht Club Ends Successful Year

By BERNARD RAINE

A highly active, progressive and successful yachting season at the Charlottetown Yacht Club held its annual meeting in the Pownal wharf clubhouse.

Commodore Ronald Atkinson in his report to the members noted that "this year the Charlottetown Yacht Club has reached, through the hard work of all members, pinncales of success that a few years ago were only dreams."

He reported on the major repairs which were carried out this past spring after a severe winter storm wiped out the main wharfage in front of the club.

Commodore Ron also heaped praise on the members of the Junior sailing committee who inaugarated a junior sailing program during the summer with 20 Flying Junior type craft procured for this purpose.

In speaking of the National Boy Scout Sailing Championships regatta which was held here this summer, the commodore noted that Canadian Yachting Association officials called the Charlottetown week "the finest held to date."

Also mentioned in the report was the highly successful Charlottetown to Shediac yacht race; and the various famous sailing ships which were in port during the summer.

Ian Rankin, chairman of the Junior sailing committee reported on the activities carried out at the club this summer for the juniors.

A six week sailing course was held from the Yacht Club under its juristiction, with instructors being Steve Russell from Toronto and Jim Lee of Charlottetown. Mr. Rankin said that although most members of the course had little or no experience at the start, 25 of the 60 enrolled and taking part were considered experienced enough to skipper a boat at the end of the season.

He also said that through the local club's affiliation with the Canadian yachting Association, Jim Lee was sent to the 2nd annual National Sailing seminar held in Toronto in August.

Regular committee reports were also heard.

Elected to the executive for the coming year are: Honorary commodore, A. M. Irwin; past Commodore, Ron Atkinson; commodore, Art Love; Vice Commodore, Ian Rankin; Rear Commodore, Clive Stewart; secretary, Ike Sinclair and Treasurer, Boyd White.

Executive committee members are: Bill Rix, Norman Lowther, Paul Williams and Henry Peters.
