

COMMUNITY SUPPORTS SHINERAMA

This year's Shinerama committee would like to thank the following for their support in this year's Shinerama fund raising campaign for Cystic Fibrosis research:

Frank Johnston and staff of McDonalds in Charlottetown who gave all Freshmen and Shinerama committee members a complimentary breakfast and orange bowls to give us energy to get through our day

Hillside Auto Host and Elden Rent-a-Car who applied us with vans for transportation of Freshmen throughout Charlottetown and Summerside to set up their Shinerama stations

William MacKay of Canada Packers and David Scher of Perfection Foods for supplying us with our lunches that enabled us to go on

CFCY and CHTN who were just super in their support of this year's Shinerama campaign. Garry Barker and Craig Ainsley of CFCY and Orne Fevens, Rick Green, and Maurice Rogerson of CHTN

are to be thanked wholeheartedly for all the support given to us before and during Shinerama Day. You guys made our task a lot easier. We thank you very much!

Carl Adams of Seaman's Beverages who supplied us with our Shinerama kits

Walter MacIntyre of the Guardian-Patriot and Ron Cuddy of the Journal Pioneer who gave us support in their newspapers to help our campaign

All others who supported our campaign through cash donations, time donations, and pure support. We thank you all!

It is great to see how a campaign for such a good cause can get great support throughout the province. Without the support of all the above mentioned this year's record breaking total of \$4,118.80 could never have been achieved.

On behalf of all CF children, a sincere thank you for helping to give the "Breath of Life".

Sincerely

Ken Baker
