PIANO TUNING.

H. W. VINNICOMBE, formerly of J. P. Vinnicombe's Piano Warehouse, England, and for many years Tuner to Government House, the Convents, also the leading musical families throughout the Island; acknowledged by musical critics and piano makers to be one of the best practical tuners in the Dominion. Makes no specialties, as he thoroughly understands the whole construction of the instrument in every detail. Having many years experience with the actions of various makers, including many late patent adjustments, he can give perfect satisfaction; is prompt and particular to a nicety, not in tuning alone but in all mechanical work—Repairing, Stringing, Regulating Actions, Restoring Weak Tones, &c.
P. S.—Mr. Vinnicombe has had a long experience in Pipe and Cabinet Organs.
Orders may be left at the Diamond Bookstore, or at residence, Fitzroy Street, near St. James Church. Office at Fletcher's Music Shop.

N. B. AND P. E. ISLAND CONFERENCE—SABBATH SCHOOL ANNIVERSARY.

(From our Own Correspondent.)

MARYSVILLE, June 17.

Rev. Mr. Wilson in the chair. On the platform were Revs. J. C. Berrie, C. W. Hamilton, J. S. Allen and Mr. C. W. Strong, of Summerside.

After singing Rev. E. C. Turner led in prayer. The Chairman made a few remarks. Then Rev. C. W. Hamilton read the report. In the Conference are 204 scholars, 396 preaching places, 11,721 scholars, 1506 teachers and officers, 18,775 volumes in the libraries. Seventy schools are open all the year and 16 have regular teachers' meetings for the study of the lesson. There is an increase of 467 scholars. For school purposes \$3776.56 had been raised. For the Sunday School and Extension Fund \$130, being an increase of \$8.00.

Choir sang "O Lord be Merciful." Speeches were delivered by Rev. J. S. Allen and Mr. C. W. Strong. After the choir sang, "Praise the Lord, O my Soul," Rev. J. C. Berrie made some remarks. A collection was taken up and Rev. J. S. Allen gave the benediction.

FOURTH DAY—SATURDAY MORNING.

After prayer by Rev. J. J. Colter and J. Howe, journal was read and approved. Rev. W. W. Percival and his connection with the trustees of the Milltown property. A committee, having sit upon the case, recommended that the further prosecution of the affair belonged to trustees and not to this Conference. This recommendation, after some discussion prevailed, permission was given the trustees of Summerside to sell the building formerly used as the Methodist Church of Canada.

An attempt was made to have the proceedings of Conference published in the form of a journal. After some discussion it was decided to make no change.

The Secretary was ordered to have 1,000 copies printed, and to send them to Superintendents the same as formerly.

Mr. Alfred Rowley, of Marysville, was reported to have been elected a member of the General Missionary Board.

After disposing of some routine business, Conference adjourned, Dr. Pickard pronouncing the benediction.

The following appointments are not likely to be changed:—Pownal, Rev. George Steel; Vernon River, Rev. Richard Opil.

SATURDAY-AFTERNOON SESSION.

Rev. S. Allen led in prayer. Journal approved.

Rev. W. Dobson read the Pastoral Address, which, with slight alterations, was adopted.

Conference adjourned at 3.30, after attending to matters of minor importance.

Rev. S. W. Sprague pronounced the benediction.

A \$10,000 Mail Bag Missing.

It is reported that a mail bag from Halifax for Charlottetown, went astray on the Intercolonial, on Thursday, somewhere between Halifax and Pictou. The bag is said to have contained, besides ordinary registered letters, several bank packages, containing, it is said, from \$7,000 to \$10,000. The bag should have been transferred to the Pictou mail clerk at Truro station; but he alleges that he did not receive it; and it is said that the valuable bag was subsequently found somewhere in New Brunswick—the scene of many missing mail bags containing money. It was only a few months ago that a registered bag containing \$5000 was lost between Chatham and St. John. The banks interested, who came so near being victimized, will doubtless insist upon a searching investigation. The fact that the bag subsequently turned up all right is no guarantee against future mistakes or carelessness on the part of railway or post-office officials.—Hx. Herald.

Boston Markets.

Boston, June 18.

POTATOES—With larger receipts and a dull trade prices have declined about 10 to 15c. For the best Houlton Hebrons 90c is an outside price, and best Rose will not go over 85c; Maine Central stock mostly at 75 to 80c, and Northern at 70 to 75c. P. E. Island Chenangoes dropped to 70c, which was the rate for most of this week's receipts. New Southern sold at \$2 to \$4 per bbl. Market closes unsettled for all kinds of old stock and quotations are most nominal.

Eggs—There is not much change to note in the egg market. Receipts are kept sold up and prices are firmly maintained. Sales of Eastern extras at 15c, and Western and Provincial at 14 1/2 to 15c per dozen.

FISH—There has been a falling off in the receipts of mackerel and the market is firmer. Sales in fare lots at \$7 per bbl for medium and \$9 for large, sea packed. The small receipts from Nova Scotia sold readily at \$9 per bbl. Old mackerel are without movements of importance and prices are nominal.

Mr. Angus McLean, of Buctouche, N. B., who was reported some months ago to have died in the North West, has returned home safe and sound. Some other Angus McLean from New Brunswick is supposed to have been the man reported dead.

The Pope's jubilee celebration will occur on the last day of the present year. All the Archbishops and Bishops throughout the world have been invited to be present at Rome during the festivities. The dome of St. Peter's will be illuminated three nights previous to jubilee day. This will be the first occasion when this has been done since 1850. It is said that every diocese throughout the world, however small, will be represented in this jubilee.

Go to Lewis' and have your photo taken to give your friends the best possible satisfaction.

Found in a Creek.

The body of a man was found in the creek alongside the railway track about a quarter of a mile from Moncton station on Saturday noon. It had evidently been in the water some weeks and the features were unrecognizable. An inquest was held before Coroner Wortman on Saturday evening. An examination of the body showed it to be dressed in black cloth coat, diagonal vest and dark homespun pants and white shirt. In his pockets were found 60 cents in silver and coppers, a knife, tobacco pipe, trunk check number 2363 and a key; also a letter from W. H. Power, Braintree, Mass., dated April 24th, post marked April 25th, and addressed to Dennis Power, Merland, Antigonish, Nova Scotia. The letter advised Dennis Power to proceed to Braintree without delay, as he would probably be able to get work there. Enquiry at the office of the general passenger agent of the Intercolonial shows that a letter was received two weeks ago from the station agent at Tracadie, Antigonish, to the effect that a man named Power had purchased a ticket, May 2nd, from that place to Boston, but never arrived at his destination, his trunk lying unclaimed in Boston. An attempt was at once made to trace the ticket, but only the coupon from Tracadie to New Glasgow could be found and no other part had been taken up. Power would reach Moncton in the night and would be obliged to wait here six hours before proceeding on his journey to St. John (under the old time table). The railway embankment at the creek where the body was found is very narrow and steep. How he met his fate is mere conjecture, but some suppose he lost his ticket and discovering his loss rushed out of the car when in motion, and jumped off at the creek, when he rolled over the bank. No ticket was found on the body. The trunk check found on the body corresponded with that issued to Powers.

O'Brien in Dublin.

William O'Brien arrived in Dublin on Sunday evening and was received with the greatest ovation witnessed in many years. He was met at the railway station by the lord mayor and corporation and by Messrs. Davitt, Kenny and others. O'Brien entered the lord mayor's carriage, which was then dragged along by the crowd, the horses having been detached. A procession followed, composed of thousands of citizens with bands and banners. A deputation of the Gaelic Athletic Society comprising a hundred members all dressed in costumes joined the procession, the route of the procession extended two miles and was densely packed, and all the windows crowded. Having arrived at the hotel the lord mayor from the balcony on Sackville street proposed cheers for O'Brien, Davitt, the Bodyke tenants and Gladstone, and groans for Lansdowne, all racketing landlords and Salisbury. The responses were lusty. O'Brien spoke briefly, his voice failing to reach more than a small part of the assembly. The crush of people was enormous and many persons fainted.

A Dakota Cyclone.

The vicinity of Grand Forks, Dak., has been visited by a destructive storm. Miss Cora Starbird Mrs. A. N. Tappan were instantly killed. A. Anderson, A. Reynolds, Robert Anderson and wife and A. J. Lyons were probably fatally hurt. Mrs. Fallet had her hip broken. About 72 buildings were levelled. The north Dakota University was almost totally demolished. The Catholic Church was completely ruined and the Congregational Church considerably damaged. The Plain Dealer and Herald buildings were unroofed. About 300 other buildings were damaged to a more or less extent. An incoming Manitoba train, containing a smoking car and a first-class coach, was blown off the track and down an embankment, rolling over two or three times. A number of the passengers were injured. The force of the wind was so strong that a heavy building belonging to the Austin Powder Company was blown fully half a mile.

Astonishing Success.

It is the duty of every person who has used Bosche's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Samples bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

The colored people of Richmond, Va., have a newspaper of their own. It is called the Epoch. This is how it admonishes the white folk:—
"Poor white men of Virginia, it is time that you bestir yourself relative to the approaching canvass. You have been snubbed and abused. You have been put in the rear in all matters pertaining to the welfare of the city. The same men who denominated you as 'poor white trash' are waiting for an opportunity to once more humiliate you. Will you submit?"

WASHING MADE EASY.—I have on exhibition in my shop window a washing machine that does away with the old and laborious way of washing clothes; you can sit in your easy chair and rest while your washing is going on. It has been tried and proved genuine. Please call and examine this great Washer and Bleacher. Purchase one and thereby save labor and expense. They are sold for \$2.00 each. G. G. Jany, sole Agent for the Monarch Washer and Bleacher, North side Queen Square, opposite Post Office.
