

Among The Farmers

Federation Of Agriculture News

Farming Operations

The unusually fine open fall provides farmers with the opportunity of doing late ploughing. This dry fall following a season of light rain fall is going to mean dry fields on many farms.

Island Paradise

C. H. Bradbury, manager of the British Columbia Northern Certified Seed Potato Association who visited here in September has provided here in September with a lengthy account of his trip.

Island Breeders At Royal

All Island livestock men will be elated at the success of the Island breeders in the Royal Winter Fair. Competitions at the money is an achievement at the Royal and the North River Jerseys were up near the top in many classes.

County Meetings

The attendance at the County annual meetings indicates the support which farmers are giving to the Federation of Agriculture. In spite of a very difficult marketing situation for potatoes the opinions of the speakers were reasonable and well considered.

Probably the most significant resolution was the one indicating a willingness on the part of the growers to accept a quota system in the marketing of potatoes. These meetings prove that large groups of farmers are able to consider their problems together and agree on solutions.

The strength of the Federation of Agriculture lies in the school district unit and the delegates who attended the annual meetings should give a report of the proceedings to the members and the secretaries call a meeting while the discussions are still fresh in their minds and make a report to their neighbors.

Potato Price Supports
Potato growers will generally view with satisfaction the action of our Provincial Government in approaching directly the Dominion Cabinet in regard to assistance for the potato crop.

Food Agricultural Organization
Effective planning to offset shortages, improve distribution and assure expanded production of food was suggested by Director General Morris Dodd to the Council meeting in Washington, F. A. O. which is the Department of Agriculture of the United Nations.

The Octettes of Charlottetown will contribute musical features. At 7.30 P. M. the service at Lower Montague will be conducted by Rev. S. J. Boyce of Georgetown who will exchange with Dr. MacKenzie.

Anniversary Services at Trinity Church on Sunday

(contributed)

Another year has rolled around since our last Remembrance Day and on the coming Sunday special services will be held to do honor to the memory of those through whose efforts a congregation was formed, churches were built and services were organized all with one object in mind, the propagation of the truth as it is in Jesus Christ, our Lord. Let us again look at the story and having done so, rejoice in "what God hath wrought."

In 1778, Benjamin Chappell and his wife arrived in Charlottetown. They came from London, England and were disciples of John Wesley. They organized prayer service at their home on Water Street. Subsequently, Rev. Wm. Black paid a visit here in October, 1783 and again in 1798 when plans were laid for the erection of a church and Governor Fanning offered to assist "in the erection of a chapel in Town" in 1807 the first regular minister, Rev. James Bulpitt took charge and in November, 1835, a new church was dedicated on Prince Street, an ornament to the Town.

A few years later this church was considerably enlarged and a spacious wing was added afterwards but these additions did not meet all the necessities of the occasion and so on the 13th of November, 1864, the present Trinity United Church was solemnly dedicated to the worship of Almighty God.

In a publication in the writer's possession it is stated: "The First Church is well known, numerically and financially strong and is extending the work of the Master with enterprise and success. Too much cannot be said of the activity, benevolence, high Christian character and loyalty of its people to the Lord Jesus Christ. The present membership is 430 and the congregation is large and enthusiastic in all that pertains to aggressive church work. The seed sown has expanded under the fostering hand of God into a large and prosperous church. The successes of the past are full of encouragement for the future and the best of all is "God is with us". The music has ever been a distinctive feature. The congregational singing is excellent and hearty. A large, loyal and efficient choir under the leadership of Prof. Earle renders impressively the best church music and leads the great congregation in Holy Songs."

With that record Church Union came as a natural sequence and since 1926 the church has continued to prosper and abound in good works. The present membership stands at 1936. During the current year to date 227 new members were received into fellowship and these were 126 Baptisms. These figures show that the different organizations within the church are active, keen and zealous in their work for the promotion of Christ's Kingdom. The total receipts from all sources last year were \$6021.40. In the present troubled and serious conditions in world affairs the call for a rededication presents itself to each member with increasing emphasis so that each one may do his or her share in working for that righteousness which exalted a nation. May our prayer be "Thy Kingdom come" and may our Faith increase and grow stronger day by day.

Rev. Mr. Forbes of Fredericton, N. B. is coming to us as guest preacher. Let us greet him with a full congregation. The special guest preacher at the morning and evening anniversary services at Trinity United Church, Charlottetown, on Sunday will be the Rev. J. Arthur Forbes, M. A. (above) Minister of Saint Paul's United Church, Fredericton, N. B. Mr. Forbes is recognized as one of the outstanding preachers in the Maritime Conference of the United Church of Canada. He is a graduate of Dalhousie University, and took his M. A. in Philosophy there, following which he took the required course in Theology at Pine Hill Divinity Hall, Halifax, N. S. His parishes include: River John and Oxford in Nova Scotia; Saint John, New Brunswick, and Winnipeg, Manitoba. Later he was five years with the R. C. A. F. Chaplain Service—126 Wing Tactical Air Force—Normandy Invasion—finishing as Command Chaplain in North West Air Command.

He has been in Fredericton at Saint Paul's United Church four years, and since coming there has been active in the work of the Canadian Legion, four years Branch Chaplain, two years Provincial Chaplain, which office he holds at the present time. He represents New Brunswick on the Interprovincial Committee on Education of the Canadian Legion, and recently attended the Dominion Convention of the Legion in Winnipeg. For the second year in succession he has given the Remembrance Day address at the Cenotaph in Fredericton.

Sunday services are in observance of the 85th anniversary of the opening of the present edifice, and the 143rd anniversary of the founding of the congregation. UNITED BAPTIST CHURCHES - Montague, Murray River and Murray Harbor. Services for Sunday, November 19th. Farewell Service - Montague 11.00. Murray River 3.00. Murray Harbour 7.30. G. Maurice Fletcher, Minister.

HUNTER RIVER CHARGE. - Services November 19th. Wiltshire 11 A. M. Wheatley River 3 P. M. Hunter River 7.30. Topic, "God's Design." Special Y. P. Service at Wiltshire at 7.30. Pictures and special music. Rev. Howard Christie, Minister.

COUNTY COURT JUDGMENT - Judgment for the plaintiffs in full with costs was awarded in the County Court of Queens County by His Honour Judge C. St. Clair Trainor. The judgment was the result of a civil suit by John Morrison and George Waller, formerly Morrison and Waller, plaintiffs vs. Leigh Chappell, defendant claiming \$76.50 for work done and materials provided including a trap hauler and clutch for an engine. Counsel for the plaintiff was Mr. J. Arthur MacQuigan, for the defendant Mr. Allison Gillis.

CANNERY PRODUCTS BOOKLET - The products of the fifty-two canneries operating in the Province during 1950 are described, and other details of the business given in a new booklet issued by the Provincial Department of Industry and Natural Resources. Entitled "Prince Edward Island Canned Products" it has been expertly prepared by Mr. George Fraser, public relations officer for the Provincial Government, and is profusely illustrated. It will go to Canada's trade commissioners, commercial attaches of foreign legations in Canada, regional state offices of the U.S. Department of Commerce, officials of the Dominion Department of Trade and Commerce, Chambers of Commerce, Boards of Trade and wholesale firms across Canada, and should prove of much value in publicizing the Island's canning industry. A notable feature is the alphabetical directory of Island canneries with the address of each firm, and the products produced.

LIVERISH? "Troubles never come singly" they say! Suffer from Chase's Kidney-Liver Pills and get two treatments in one! This proven remedy helps you feel better faster—because it relieves both liver and kidney disorders and the backache and painful joints which so often result. Dr. Chase—a name to depend on.
