"Y" Maintenance Fund Campaign Gets Underway

The opening of the general canvass for the Y.M.C.A. Maintenance Campaign took place last evening at the Y.M.C.A. when a well-attended meeting of workers got the canvass off to an enthusiastic start.

Co-Chairman for the evening were Earl Taylor and James O. MacLean, and they are being backed up with five Divisional Commanders and twenty-five teams of workers. The supper opened with a blessing given by Captain Titcombe of the Salvation Army. Lt. Col. D. W. Bell, President of the Y. M. C. A., addressed the gathering and spoke of the importance of this effort to the general welfare of the Y. M. C. A.

A report was given by Fred Gamble, General Secretary of the "Y," showing that a great volume of program and activity was being provided by the Association for the youth and citizens of the city. 444 were enrolled in the "Y" boys and girls in the Craft and Hobbies Program, 100 in nine various clubs for young adolescents, 160 in Young Adult Clubs and activities, and 200 attending the new Saturday Night Club activities.

Special mention was made of Adult Clubs such as the Y's Men, Menettes, Ladies Auxiliary, who are the service clubs of the Association, and who assist youth activities in so many ways. Holland Cove Camp had had a banner year in 1951 with over 200 boys and girls, and young men and women taking part in six different camps. The community use of the Y.M.C.A. building was illustrated by the fact that over thirty community groups and organizations had used "Y" facilities on 100 occasions during the year with a total participation of 2300 persons.

A typical day at the "Y" showed 19 different activities with a total participation of 486 for the day, this being taken from actual figures.

Divisional Commanders for the Campaign are Mr. Arthur Hogan, Mr. W. Willis, Mr. W. MacMurtry, Dr. W. Carson, Mr. George Craig, Mr. Lawson Jenkins, Col. D. N. Bell, Mr. George MacDougall, Mr. George Anderson and Mr. Fred Norton.

Egg And Poultry Grading Course

The course in egg and poultry grading which was originally scheduled to start yesterday at the Vocational School will commence this morning. It was announced by school officials.

The program will be under the auspices of the Vocational Wing, and the course of instruction will be provided by Messrs. F.M. Nash, J.B. Arsenault, and E.A. Holland, of the Dominion Department of Poultry Products.

Thirteen men have already registered for the course and it is expected that more applications will be received. The course is open to young men from 16 to 30 desirous of learning the egg and poultry grading trade.

Lectures, movies, theory, and practical work make up the nucleus of the training program. During the course students will be taught the various ways of determining the quality and classification, as well as the proper methods of handling, packing and storing of poultry and eggs.

A dark room with a battery of 12 egg grading lights has been set up in the Vocational School so that each individual will have a separate light with which to study the various eggs, thus eliminating any congestion and wasted time due to lack of apparatus.

Tests will be administered weekly and a final test will be given on completion of the course. Those who successfully complete it will be presented with certificates that will certify them as qualified egg graders.

The classes are from 8:30 a. m. until 5:00 p. m. Monday through Friday, and from 8:30 a. m. until 12:30 p. m. on Saturdays. In all the course will entail three weeks of instruction.

Although there is not an acute shortage of trained personnel in this trade, a slight shortage is being experienced in the rural areas. It is hoped that these courses which are presented annually to the public, and the purpose of which is to qualify egg and poultry graders for this province, will help alleviate this condition.

Memorial Service For King Held In Clearwater, Fla.

The following news item has been received from Mr. and Mrs. Cecil Kemp, who are wintering in Clearwater, Florida:

"British-Canadians and Americans at a memorial service for King George VI held Friday morning at the Episcopal Church of the Ascension, Clearwater, Florida, made an offering of \$266 for a memorial plaque to be sent to Carlisle Cathedral in England.

"The inscription is to read 'To the glory of God and in loving memory of King George VI from the friends and admirers in Canada and the United States who worshipped together in his memory on the 15th of February in the year 1952.'

"Among the clergy participating in the memorial service were: The Right Rev. Frederick Budong, rector of St. Andrew's, Clearwater; the Rev. Robert M. Mann, local church rector; Dr. Hubert Carleton, associate rector; Dr. D. P. McGeachy Jr., pastor of Peace Memorial Presbyterian Church; the Rev. Cecil Heaven, the Rev. Charles Biggs and the Canon C. G. Napier Smith."

planned Monday that four Allied planes "intruded" over Panmunjom in violation of a neutrality agreement.

Air Force Col. Andrew J. Kinney, U.N. liaison officer, told the Reds, "we note your statement. We will take it up later after we get the facts."

The Reds charged that American planes landed in North Korea insects bearing germs of cholera and bubonic plague.

Not desiring to notice the allegations officially, Allied officers speculated unofficially that perhaps North Korea was suffering from a new outbreak of epidemic diseases and the Reds were attempting to blame their people's suffering on the enemy.

There was no progress in the truce negotiations Monday. Discussions of prisoner exchange were called "completely fruitless" by Col. George Hickman, chief Allied staff officer.

Dinner Opens Concert Drive

The Charlottetown Community Concert Association held its annual dinner meeting last night at the Charlottetown. The dinner was attended by sixty people, including members of the Executive Board and volunteer workers of the Association.

The enthusiastic meeting marked the opening of the one-week campaign during which the association plans to enroll a capacity audience which will insure another full series of concerts for the season.

Raoul Reymond, President of the Association, presided at the dinner and welcomed the group to the opening of their 21st campaign for concert memberships. The president then introduced Mr. H. C. Bohaker, general chairman of the Association, who explained campaign details to the workers.

Then Mr. Reymond introduced the Community Concert representative, Harry Beall.

Mr. Beall spoke to the group on the history of music in North America and the last thirty years and more especially on the list of great musicians who have visited Charlottetown in the past twenty seasons of Community Concerts.

Mr. Beall, who came from New York on Sunday, will be here all week at the Campaign Headquarters in R. T. Holman Ltd., to assist with the campaign.

In an interview following the dinner, Reymond, Association President, said that the Executive Board and the seventy workers of the Charlottetown Community Concert Association were contributing their efforts during the campaign week in order to accomplish something eminently worthwhile for the community - entertainment coupled with inspiration on an adult level.

Mr. Reymond also said that such a concert series can only be presented when someone underwrites the expense, which often leaves a deficit, or by the Association plan, whereby many citizens contribute their efforts in a cooperative enterprise which eliminates deficits and at the same time creates a much larger audience and encourages new listeners.

Mr. H. C. Bohaker, Membership Chairman, reminded the Charlottetown citizens to make the list of the volunteers as easy as possible by getting in their memberships early and not to make it necessary for them to make several trips or inquiries for each membership. He pointed out that it is to the advantage of every member not only to get in his membership promptly but to try to get another new membership along with it as every dollar collected by the Association goes into securing the possible value of a membership other than the number of seats in the auditorium. He further stated any person interested in memberships should call 3196 between 9 and 5 for further details and information.

District Governor Visits Kinsmen

A message bringing home to all present the principles of Kinsmen-ship was delivered last night by Mr. W. H. (Bill) Burden, Governor of District Number 7, as he spoke at the annual Founder's Night dinner of the local Kinsmen Club at the Charlottetown.

Governor Burden's informal talk was entirely extemporaneous as he spoke without notes in expressing his pleasure at being asked to attend the meeting here. In company with his wife the Governor received a warm welcome from the local club members.

During the dinner the toast "To the Ladies" was proposed by Kin Bob MacLeod and responded to by Kinette Mrs. Ike Sinclair. The toast "To the Club" was proposed by Kin Gordon Hutchison and replied to by National Vice President Walter McCallum. He was quoted from a letter received from the national president. The toast "To the Founder", Hal Rogers, was proposed by Dr. Hal Duffy who gave a short outline of the aims of the club and told how the founder happened to organize the first Kinsmen Club. It was replied to by Kin Ron Smith.

Mayor J. D. Stewart spoke briefly in expressing his appreciation at being asked to be present and said that all service clubs in the city were doing an excellent job.

Clinton Man Kept Busy With Plane

Operating much in the manner of a flying taxi, Elton Woodside, Clinton, who flies under a charter granted to Paul Sharp's Flying Service in Charlottetown, has been answering emergency calls ever since the big storm of last week tied up travel.

After a very busy week, Elton, accompanied by his wife, left home at five o'clock on Saturday evening and half an hour later landed in New Glasgow, Nova Scotia, for an overnight visit with relatives there.

On Sunday morning he made two trips to Pictou Island taking one man from New Glasgow and another from Pictou.

He returned to New Glasgow for his wife and they arrived back at their home where she began to prepare dinner while he flew to Summerside to take a passenger up for some aerial photographs, and then headed home to dinner.

In the afternoon he took a lady from Hamilton to her home in Alberton.

Yesterday morning he took off for Newport, east of Cardigan, and took a doctor in Charlottetown, a 78 year old man, who on that trip made his first flight in an aircraft.

The elderly gentleman enjoyed the trip so much that he intends to make an appointment with Elton to fly him home again.

From Charlottetown he went to New London where he took a man to Charlottetown for an emergency trip for a machine part. The man obtained the necessary machine part and was home and at work on the repair job before 1 P. M.

After dinner Elton took a man from Kensington to French River. Returning home he found his daughter had tooth ache. In no time at all they were in Summerside and the tooth was extracted by a dentist.

While in Summerside he received a call to take a man to Charlottetown to visit his mother in the hospital; she had been flown there earlier last week by Elton.

From Charlottetown he proceeded to Wilshire where he encountered a very poor landing area. With keen judgement and excellent control of his aircraft he brought the plane in under the telephone lines and across the snow covered fences of the main road and four fields, and taxied up to within a field of the house, from which a patient for the hospital was brought by horse and sleigh. Landing at the airport in Charlottetown the patient was taken to hospital by ambulance.

He proceeded from the airport to the ice on the harbour at Charlottetown where he took home to Cavendish the man he had earlier taken to visit his mother in the hospital.

From Cavendish he next landed

Nominated To Attend Convention

Three members of the local branch of the Canadian Legion were nominated to attend the Dominion Convention scheduled for Montreal in May. Those named at last night's regular monthly meeting at the Legion Home were Stanley Bryant, C. M. Sinclair and Vincent King.

A drive to bring the membership roll to where it should be by the end of next month. It is hoped that in addition to the many who are not now members of the Legion those who are former members will return to the active list. A start was made last night when one new member was admitted and two others were reinstated.

A pleasant feature of the business meeting was the presentation to the Branch of an aerial photo, taken by the R.C.A.F. of the Vimy Memorial. The beautifully clear photo was given by Legion member Spurgeon Leard and accepted on behalf of the Branch by Mr. C. M. Sinclair. During the meeting a tribute was paid to the late Mrs. A. A. Butler, mother of the Legion's Roman Catholic padre, Fr. T. Butler.

Compliments were also offered to the women of the Ladies Auxiliary for their special effort in supplying home cooking to all veterans in all hospitals on the eve of St. Valentine's Day.

Fairy Tale Give A Fine Performance

In a repeat performance a large and appreciative audience watched a delightful production entitled "Cinderella of Loreland", which was presented at the Notre Dame Auditorium last night.

The beloved fairy tale came to life on the stage through the clever portrayal of the characters by resident college students.

From the very first scene depicting Cinderella's step-mother's kitchen where Cinderella and her magic cat Ashes were talking and working together, until the final scene where she and her handsome Prince Charming left for a life of royal splendor in their castle, the audience was held spell-bound.

The lovely costuming of the cast and the excellent management of the whole production added greatly to the success of the play.

The play was presented in a modern three-act version and was under the able direction of Sister St. Augustus.

The following are members of the cast: Cinderella, Mary Gillis; Ashes, her cat, Patricia LeClair; The Step-mother, Dorothy Keays; Tillybell, her step-sister, Mae Grimes; Glad-tola, her step-sister, Marie Hagan; The Godmother, Jean McCallum; The Prince, Elva McKenna; The King, Marie Chivers; The Queen, Elaine MacDonald; The Princess in Gold, Ruth McEwen; Biff, the Court Jester, Anne Moran; The Prime Minister, Lucille Roche; Mrs. Chancellor, Mary D. Gillis; The Chancellor, Bernice McPhee.

Fairies in Dance (act 1): Elizabeth McKenzie, Frances Mulligan; Margaret McIntyre; Marilyn Clow; Carol Anne Jones; Shirley McGee; Joan Eileen Grant; Sylvia Egan.

Year's Progress Reviewed By Royal Edward Chapter

The regular monthly meeting of the Royal Edward Chapter of the Order of Daughters of Empire was held in the ladies' room of the Legion Hall on Monday afternoon with an unusually large number of members present. The Regent, Mrs. J. A. Lawson, presided and after the opening ceremony she read the beautiful poem written by the post-laureate John Masfield at the time of the passing of our late beloved King. A two minute silence was reverently observed followed by an affirmation of loyalty to the new Queen, Elizabeth II.

Three new members were received, Mrs. Bell, Mrs. Scantlebury and Mrs. Bryant and three former members, who had in the past been devoted workers - Mrs. A. E. Morrison, Mrs. H. H. Smith, and Miss Mary Irving, were reinstated as honorary members. All were cordially welcomed.

A communication was read from Mrs. Regina Murray, chairman of the C.W.L. "Crusade for Good Reading", requesting the endorsement of the Chapter of a resolution being forwarded to the Government at Ottawa urging the enforcement of the law regarding the ban on immoral literature. It was unanimously agreed that the Regent should sign this petition. At the adjournment of the monthly meeting the annual meeting convened.

The appended reports tell of a year of unsurpassed achievement and the following officers were elected for 1952:-

Hon. Vice President, Mrs. T. W. L. Prowse

Hon. Regent, Mrs. E. M. Blanchard

Regent, Mrs. J. A. Lawson

1st Vice Regent, Mrs. J. Walter Jones

2nd Vice Regent, Miss Mary Hazard

Secretary, Mrs. W. E. Massey

Ass't. Secretary, Mrs. E. T. MacLeod

Treasurer, Mrs. H. L. Sear

Educational Secretary, Mrs. Stuart Weir

School Secretary, Mrs. A. V. Saunders

Standard Bearer, Mrs. E. G. Saunders

Councillors: Mrs. W. T. Weir,

Regent's Report

"I am glad of this opportunity as your Regent to again compliment you on a most successful year. It has been a busy one for your Officers and Conveners of the various Committees, but it has been an interesting and happy one.

"As members of the Imperial Order Daughters of Empire we pledge ourselves to forward every good work for the betterment of our Community, our Country and all the Nations of the Commonwealth and Empire.

"I am proud of the part our Royal Edward Chapter has played in the cultural life of our City and Province. We have had representation on practically every project for the welfare of our Citizens during the year from the successful display of articles of historic value in the P.W.C. Hall during Festive Week to the knitting of mitts for the Free Dispensary at Christmas time. That, coupled with the financial aid to worthy students, Music Festival, T.B. League, Library Association, Sanatorium Radio Fund and magazine subscriptions and contributions to Veterans' Wing in each of our City hospitals as well as care of the graves of R.A.F. personnel at Sherwood and assistance to Citizens Council and our new Canadians, makes for a full and varied program of worthwhile public service.

"Your subscriptions to National Funds, shipments of clothing (hand made) and comforts to those in need in Britain and the Continent, boxes of books to naval training bases in Canada help you to realize the scope of the work of the Order.

"The Monthly Meetings have been instructive in that we have had either a showing of educational films or papers dealing with topics of interest presented.

HOLMAN STORE NEWS

There are big profits to be made in the Poultry Business . . . And now is the time to get going with day-old chicks, because the earlier you start, the earlier you'll be reaping these big profits. To do things right you'll want one of the new Queen Automatic Oil Burning Brooder Stoves. These give chicks a real chance to grow and thrive. They provide clean, even heat in all kinds of weather. The Queen Brooder Stove, No. 652 has 1,000 chick capacity under its heavy galvanized cover. The maximum fuel consumption is only 5 gallons in 24 hours and there is an automatic draft regulator, so you see it is dependable, and economical. The Queen Brooder Stove has a triple combustion pot type burner, the same as used in the range burners and the price is just \$4.95 in the Hardware Departments of both the Charlottetown and the Summerside Holman Stores.

Something new in the Home Permanent field: It's the Prom Home Permanent Refill and it is easy as ABC to give yourself the softest, most natural permanent yet because no ammonia is used. Your Prom Wave neutralizes itself automatically as your hair dries. The price of Prom is just 1.75 and you can buy it at the Cosmetic Section of the Accessory Department.

It's a wonderful idea to have a bit of knitting on hand to pick up when you have an idle moment or two . . . that's the reason I'm telling you about the Paton and Baldwin "Atlantic" Fingering Yarn - it's only 33 cents for the 1 ounce ball in the 5 and 10 Department. "Atlantic" Fingering is a 4-ply yarn and it comes in a gorgeous array of shades. Dig out those needles and get purling with "Atlantic" Fingering from the 5 and 10 Department.

A must for the new wide skirts! . . . a smart flouncing Petticoat of crisp, rustling Taffeta. I noticed these in the Sportswear Department this morning in a lovely Fuschia and Dark Colors. These have a deep ruffle around the hemline and elastic waist bands. The price is 4.98 in the Sportswear Department.
