TORONTO

TORONTO (CP) — The stock market wandered aimlessly around lower levels most of the day and with the exception of a rising industrial index would have fallen lower during the lightest trading in two weeks Thursday.

Western oils and base metals each dipped one-half point and golds fell off one-quarter point.

Mines, although trading lightly, had a rough day. McIntyre-Porcupine recorded the only major gain, going up ⅝ at 92¼. International Nickel lost ¼ at 104¾, Hollinger was down ½ and Falconbridge fell ¼. Senior uraniums were mixed. Algom was unchanged at 11⅜, Consolidated Denison gained ¼ at 11¼ and Gunnar dropped five cents at $9.60.

Western oils were relatively quiet throughout the day with only a few minor changes on the board. Losses, however, were well ahead of gains.

Index changes: Golds down .20 at 87.23; base metals off .52 at 168.87; and western oils off .50 at 99.99.
