The formation of an all-star intermediate team was discussed, and it was proposed that such a team might be selected by three independent judges to be chosen. This was not, finally determined, but will again be discussed at a later meeting.

Georgetown Eagles 9 Montague Meteors 9

In a bang-up hockey game to usher in senior hockey for 1951 in Georgetown, the local Eagles and the Montague Meteors played to a hard-fought 9-9 tie, before a good attendance of fans. Many new faces were introduced on both teams to replace losses from last year's season. Play was fast throughout all three periods and plenty rugged for early season play, and gives promise of many hard-fought contests before the season ends. The visitors had the edge in the first period and carried a 4-2 lead into the middle session, which ended in a 7-7 tie. In the crucial third frame both teams went all out to snatch victory but play was close and the final bell saw both teams end in a 9-9 deadlock.

Montague In, 10-3 Victory Over Georgetown

The second hockey game of the season was played in the Montague rink last night with the Meteors defeating the Georgetown Eagles 10-3.

In the first period the visitors rapped in three quick goals before the locals got under way, but from there on the Meteors had the edge and counted straight tallies to the end of the game.

Although the visitors were not at full strength, they were by no means outclassed, and the first game on Monday night of the Southern Kings League should be a big drawing card when these two evenly matched teams battle it out.
