BLACKLIST SHIP

DAMASCUS, Syria (AP) — The Arab League's central office today blacklisted the 10,172-ton U.S. tanker Memory, which flies the Liberian flag. A spokesman told reporters the vessel had defied Arab boycott regulations by "carrying strategic cargoes" to Israel. A Danish tanker, the 74-ton Ulla Danielsen, also was blacklisted on the ground it had operated a year under charter by the Zim Israel navigation company.

other alliances. Unification of the armed forces into one service is not immediately practical but "is a goal to be aimed at." On changes in the defence administration, Gen. Peakes said a new government would be guided by advice by the chiefs of staff. "It would be unwise to make any statement before that advice has been considered."

Says Ministers Consider Taking Industry Jobs

VANCOUVER (CP) — Several Presbyterian ministers have considered leaving the ministry and taking jobs in industry so they can help meet the church's financial needs, says Rev. Lloyd Henderson, mayor of Portage la Prairie, Man.

Mr. Henderson told the 83rd general assembly of the Presbyterian Church in Canada Tuesday he would himself resign rather than be a member of an assembly which did not permit church extension.

Mr. Henderson, who has been mayor of his city for 10 years, said later in an interview he has been offered a \$25,000-a-year job as an economist. The McGill University economics and political science graduate said his church stipend is \$3,000 a year.

He said he knows of a Toronto Presbyterian minister who has considered taking a \$12,500-a-year job as a stained-glass artist.

PAY BOOST PROPOSED

Rev. J. A. Munro, home missions secretary, said his committee is anxious that "the sting of poverty be removed from masses of our church." A proposal to increase the stipends of ministers to \$3,000 from \$2,800 a year was referred to a special committee.

Owen Channon, Quebec City newspaper editor, urged that a \$2,000,000 budget be set for 1958 because "our church is in a state of crisis." The budget was fixed at a record \$1,680,000.

Mrs. W. R. Adamson of Oakville, Ont., said the assembly must "find an answer to the question of the place of women in the church."

church." She said Canadian women missionaries are ordained by the Formosan Presbyterian Church but the Canadian church does not admit them to the ministry.

Plan Review Of Defence

VICTORIA (CP)—A "thorough review" of Canada's defence organization will be made by a Conservative government if it takes office, Maj-Gen. G. R. Peakes, VC, said Wednesday.

Gen. Peakes, re-elected in Esquimalt-Saanich with a wide majority, is considered the most likely choice to succeed Ralph Campney as defence minister.

Commenting on a Canadian Press dispatch from Ottawa that a reappraisal of the department's top administration was likely, Gen. Peakes said:

"A Conservative government will make a reappraisal of our obligations as far as defence is concerned and of fulfilling these responsibilities in a most economic way."

Duplication must be eliminated, he said.

There was not likely to be any drastic changes in Canada's defence commitments to NATO and
