Me!
Come and find
out at the
next
Society
Meeting!"

Hi, Fellow History Fans! Welcome to our new format, in the space that is available, I would like to inform you of some important events which you may wish to add to your chronological calendar.

For all those concerned, there is an Executive meeting at the Barn on Oct. 21 at 6pm. On the 22nd, there is a General Meeting for all Society members at 3pm in the Robertson Library, Conference Room B.

***This same evening, we shall be having our "Soiree of the Year": A Wine and Cheese Social, (See accompanying ad).

On Oct. 30, we invite those interested to take "a nostalgic walk down brew-

ery lane (Milton, Society Members, and the PEI); viewing such greats Student Union.

In closing, I would like to introduce another aspect of our new format: "The Pompous Point for Primeval Ponderance". This week's point: "History:

The British never remember it;
the Irish never forget it;

the Russians never make it;
and
the Americans never learn from it."

A clarification must be made regarding the Society's Executive, since previously we had reported that we had co-chairpersons — this has since been changed, and now we have a president and a vice-president (this is not the same as what happened in Fiji!). If you have any questions regarding any aspect of the Society, do not hesitate to contact either of these people. Our president may be reached at the Circulation Desk at the Library, by simply asking to speak with Kim Stright.

The UPEI History Society Executive would like to thank the following for their time and effort: The History Dept., S. Manovill,

Next Meeting:
October 22,
3 p.m.
R.L. - Conference Room B

EDUCATION SOCIETY

The education society recently elected its executive for the upcoming academic year and it reads as follows:

- Gordon Cox — President
- Lisa Chevue — Vice-President
- Tony Mason — Student Council Rep
- Valerie Dochendorff — Treasurer
- Treena B. — Financial & Social Advisor

The famous and much admired outdoor week-end was recently held at Camp

Riverdale. A good time was had by all especially Greg and Randy! It just goes to show that teachers can be fun too, contrary to belief.

The education society is also coming back with its #1 pubs (based on last year's results) and this time watch out! We are looking for your moral and financial support as we do sponsor non-profit organizers and the Senior class. Well bye for now, but remember, support the Barn and do your homework.

Gordie Cox
President
