

India Threatened.

RUSSIA RENOUNCES THE IDEA OF EVACUATING CENTRAL ASIA.

Much uneasiness has been caused among government officials in London by the latest imperial utterances from St. Petersburg. This is attributed to a growing belief in Russia, that England is gradually retiring from its former policy of empire extension.

Aimed at the Brakeman.

No, my son that gentleman in the azure clothing and gilt buttons is not a naval officer. He is a gentleman of leisure, of no profession, and without and above occupation.

Household Hints.

Cream Cakes—Boil, in half-pint water, three-quarters cup butter; stir in, while boiling, one and three-quarter cups flour.

Potato rolls for breakfast are made in this way:—Boil six good potatoes with their jackets on, take them out with a skimmer, drain them, and squeeze them with a towel to insure their being mealy and dry.

The Sense of Touch.

They were in the grocery store. Said Brown (seeing a blind man about to enter): "Were you aware how delicate the touch of a blind man is? When nature deprives us of one sense she makes amends by bringing the other senses to extraordinary acuteness.

Special Notices.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifling with the majority of sufferers.

A Terrible Cough Cured. "In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep.

While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation.

I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried.

I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL.

I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.

W. R. WATSON, Ch'town, Wholesale Agent
