

FIELD HOCKEY

The 1983 edition of the U.P.E.I. Panther Field Hockey team will have a different look this year as only three members of last years Panthers are returning. Back for this year are senior forward and captain Carolyn Drake and fullback Margaret McGee and second year forward Mary Chamberlain.

The new players that come to the Panthers this year bring a great deal of field hockey experience with them. Judy White a forward from Colonel Gray has played with the P.E.I. Canada Games team as well as with the provincial senior team. Two players Simone MacKenzie and Libby MacKenzie have played previously with university squads, at St.

Francis Xavier and Acadia respectively. From the provincial junior field hockey team come fullback Trish Lund and goalie Libby Kennedy, while Chatam, N.B. native Tracy MacEachern also a goalie possesses a good deal of field hockey experience. Rounding out the newcomers are Lori Kane, noted island junior golfer as well as Colonel Gray field hockey player, Joanne

Weatherbie also of Gray and Peggy MacAdam of Morell P.E.I.

The Panthers open their season this Saturday as they travel to Moncton for a game at 2:00p.m. They open their home season hosting Dalhousie at 12:00 noon. Both contests will be good tests for the relatively young Panther squad.
