OTTAWA, Dec. 15.

Mr. Wurtele, member for Yamaska, will, it is thought, be appointed Speaker at the coming session of the Quebec Legislature.

The Commission issued by the Local Government of Manitoba to investigate certain abuses in the sale of the lands of half-breed miners has concluded its labors and its report embodies a mass of evidence, some of which bears very hard upon the Chief Justice.

A form of petition is being extensively circulated for signatures praying both the Ontario Legislature and the Parliament of Canada to pass an act similar to or more comprehensive than the imperial acts 32 and 33, Victoria, cap. 98, section 4, and 33 and 34 Victoria, cap. 49, whereby the law on the subject of oaths may be assimilated or extended beyond that of England; and whereby every person otherwise competent to testify, may, no matter what may be his religious opinion, be rendered competent and compellable to testify in criminal cases in all the Courts of Justice in the Dominion and also compellable to testify by solemn promise and declaration in all matters within the jurisdictionof the Parliament of Canada where oath or evidence on oath may now or hereafter be lawfully taken. The petition cites the opinions of Mr Justice Osler, the Chief Justice Moss, and ex-Vice-Chancellor Blake in favor of the change.

SHERBROOKE, Dec. 15.

The mate of the steamer "Rochdale" arrived here this afternoon from Indian Harbor Bay, and reports that the steamer "Rochdale" ran ashore during thick rainy weather, at the above place, about 2 a. m., on the 14th. The "Rochdale" was cotton laden, bound from Charleston, S. C., for Sebastopol, intending to coal at Sydney. The steamer will probably prove a total wreck, as she lies in a bad position. No lives were lost.

[The "Rochdale" was an iron screw steamer of 961 tons register, and 1491 tons gross register, built at South Shields in 1878, hailed from Scarboro, E., and was owned by Pantland Hick, Jr., of that place.]

ST. JOHN, N. B., Dec. 15.

The case of Theall, on trial for wife murder, resulted this evening in a verdict of manslaughter with a recommendation to mercy.

UNITED STATES.

GALVESTON, Dec. 15.

The *News* Eclipse despatch says: "The Southern Pacific passenger train west from here on Wednesday morning, was boarded by highwaymen. Wells, Fargo & Co.'s messenger was knocked down, gagged and compelled to surrender the keys of the safe, from which fifteen hundred dollars were abstracted. About sixteen hundred dollars were secured from the passengers. Besides the money taken from the safe of the Express Company they rifled it of 12,000 dollars of other valuables. When the train neared Rogers Station it slowed up for a bridge and the robbers jumped off and cut across the country into Mexico.

WASHINGTON, Dec. 15.

Among the witnesses in the Guiteau trial to-day was Rev. Mr. Shippen, of Washington, who testified that the usual topics of conversation between himself and the prisoner were Conkling, Garfield imbroglio, and the New Testament revision, and on no occasion did the prisoner exhibit more excitement than any other person might do. Mr. Shippen's testimony is considered of the highest value to the prosecution.

Mrs. Dunmere, formerly wife of Guiteau, took the stand. She was married to the prisoner in July, 1869. Scoville objected to the testimony unless a record of proof of divorce was shown, and the witness withdrew, Corkhill remarking he would introduce the witness later after the necessary copy of Court records had been obtained.

Dr. Noble, the young physician at the jail, testified that Guiteau once said: "If the President should die I would be convinced my inspiration was from the Deity, but if he should recover I would be in doubt about it." Witness thought the prisoner a little impatient of restraint, and at times a little nervous as a man in his position would naturally be, but perfectly sane.

NEW YORK, Decr 15.

Arkell & Co., agents of the Bristol Steamship Line, have given up hope that the steamer "Bath City," which sailed from Bristol, Eng., November 10 will ever be heard from again. She was last seen November 30th, 250 miles East of St. John's Nfld., by the steamer "Marathon." She had broken her rudder-head, was leaking about stern, and had lost her foremast. The "Bath City" had on board thirty-five days supply of coal. Arkell thinks she was lost in the hurricane of Nov. 30. She was commanded by Captain Ivey, and had a crew of thirty-four all told, but had no passengers. The freight was valued at $150,000, vessel the same. Both were fully insured.

TERMS OF UNION.

SECTION 7.—That the Dominion Government shall assume and defray all the charges for the following services, viz:

SUB-SECTION J.—Efficient steam service for the conveyance of mails and passengers to be established and maintained between the Island and the mainland of the Dominion, winter and summer, thus placing the Island in continuous communication with the Intercolonial Railway, and the Railway system of the Dominion.

A BANQUET was given to the Deputy Minister of Marine, Mr. Smith, at New York on Saturday night. Postmaster-General James, Collector Robertson, Appraisers Howard, Police Justice Smith and Commissioner of Charites Hess were present.

MR. JAMES KITCHEN, the well-known ship builder of River John, has his men now in the woods, getting out the frame of a 1,200 ton ship, ordered by parties in Pictou. The new vessel will be launched in July next, and will be the largest vessel owned in the county.

ANOTHER COTTON MILL PROJECTED.—It is stated that a Hamilton firm has applied to the Government for water power on the new canal near Thorold, Ont., with the intention of erecting a cotton mill there.
