On Tuesday evening the 25th ult., Dr. McNeill organized another Lodge of British Templars, at Hazel Grove, called "Crystal Stream Lodge No. 76." Night of meeting, Tuesday—E. D. John G. McKay. This Lodge promises to do well. It is composed of a large portion of the influential and intelligent class in that neighborhood. Will other settlements who are without a Lodge go and do likewise? and raise a standard against the re-opening of taverns or rather a renewal of licenses?—Com. to Pat.

Edward Bayer, Esq., Horton, Kings Co., N. S., writes that an astonishing cure has been effected on his daughter by the use of "Johnson's Anodyne Liniment." The whole spine became dislocated, she lost the use of her limbs, and her back was rounded up like a hump, in consequence of taking cold after having been inoculated for the knee-pock. She is now well.

We pledge our reputation on the assertion that any educated physician, after a careful examination of the recipe, will say that "Parsons Purgative Pills" possess more merit than other pills now offered for sale.

Wistar's Balsam of Wild Cherry. This preparation is a certain cure for all diseases of the Throat and Lungs, coughs, colds, bronchitis, whooping cough, croup, incipient consumption, &c. In confirmation of the highest medical authority, than comparison can be made, numerous instances of complete restoration from this disease by the use of the Balsam can be given.

WISTAR'S BALSAM OF WILD CHERRY.—This sterling remedy appears to be working wonders.
