After a long frustrating season the varsity basketball team has finally made the win column. Following several close losses, to tough mainland opposition, the Panthers, led by Jim Fitzgerald's 26 points downed UNB 64-56 last Friday at the Malpeque gym. The team held a 10 point bulge at the half and then hung on in the final to register the victory. The Panthers wind up their league play this Friday with the return game at UNB.

Vince Mulligan, general manager of the University Intermediate hockey club, has passed word that the team is now awaiting the winner of the Bedeque-Covehead series for the right to enter the provincial finals. The team, coached by Eric "Boo" Gallant, has recently completed their Island quarter finals by eliminating the C.D.P. Pacers in consecutive games. All series are the best of five.

The Junior intramural teams, both in hockey and basketball, appear to be in favourable positions to take all the honors for the class of '71. In basketball the juniors hold a record of 13-4 and have amassed the greatest number of game points in the four team league at 1051 points. This team is currently in 1st place with 26 points, four more than the second place seniors.

Switching to hockey, the intramural juniors have completely run away from all competition. This squad boasts a formidable 14-3-1 record for 29 points, 12 more than their nearest rivals, the

seniors. Not to be out done by their peers, the Buzzer League juniors have also proven to be the class of their league. Statistically this club has accumulated an impressive 13-3-1 record to place them at the top, two points more than the senior "A" squad.
