HORSES SHIPPED.—A consignment of choice horses, bought by Messrs Traak and McKie, were shipped from this city to-day. Mr. Traak accompanied the shipment.

METHODIST CONFERENCE.—The ministerial conference opened today at 2 o'clock. This morning was occupied by committees preparing the work. A large number of ministers arrived last evening.

THE PASTRY called for Summerside about eleven o'clock this forenoon, with a general cargo. She will arrive here on return to-morrow morning about daylight and will leave for Halifax at four in the afternoon.

ARTISTIC.—The display of pictures in the show window of Lewis' photograph studio includes an excellent likeness of John Murphy & Son's new bread wagon and place of business.

EVANGELISTIC SERVICE participated in by several members of the Conference will be held in the Second Methodist Church this evening, beginning at 7.30 o'clock. All are cordially invited to attend.

THE HEATHER BELLE.—We understand that the men who have been at work for some time past endeavoring to raise the Heather Belle have abandoned the work. It is reported that the owners of the sunken steamer are negotiating with other persons.

VALUABLE PURCHASE.—The property of the late Hon. Judge Young, on Prince street, was purchased at the private sale yesterday by Walter Matheson, Esq., for \$11,500. This is one of the most pleasantly situated private residences in the city. We congratulate Mr. Matheson.

STRAWBERRY FESTIVAL.—A strawberry festival and an apron fair in aid of the Charlotte town hospital will be held on the 13th July next. Donations will be thankfully received by the ladies of the above mentioned Hospital.—B. Blake, Sec'y of Committee.

HORSES AND CATTLE.—A correspondent asks that the guardians of the city take such steps as may be necessary to protect the taxpayers of Ward Five East from the danger and annoyance incident to the allowing of horses and cattle to run at large in that part of the town.

WORTH SEEING.—Mr. G. B. Hallett will have an exhibition at the Driving Park during the Farmers' Tournament the horse Edison, which has the heaviest tail and mane of any horse in the world. Edison is a grey stallion and weighs about 1,400 lbs. He is well worth seeing.

ST. PETER'S SCHOOLS will close for the holidays to-morrow. The closing exercises will take place and the prizes will be awarded in the schoolroom to-morrow evening at 8 o'clock, the Hon. Mr. Justice Hodgson in the chair. Songs, recitations and choruses will be given by the pupils. All friends and those interested in education are invited to attend.

PHILHARMONIC CONCERT.—The programme of the forthcoming Philharmonic Concert to be held on the 28th inst. is a very attractive one, and includes Dudley Buck's Golden Legend, and several other interesting items. The Golden Legend is being repeated by the express desire of some of our leading citizens who heard it last year, as well as for those who failed to hear it on that occasion.

FAST SERVICE FOR BOSTON.—By advertising in another column the Canada Atlantic Line announce their summer tri-weekly service with the magnificent fast steamers Halifax and Olivette leaving Halifax every Tuesday and Thursday at 8 a. m., and Saturdays at 10 p. m. This frequent service will be of great advantage to the travelling public, as these steamers are so well known, and considered the fastest and most luxurious on the Atlantic coast. They will carry a regular United States and Canadian mail and will only be "one night at sea." Through tickets and baggage checked by the Charlottetown Navigation Co.

FROM BOSTON.—The steamer Carroll, Capt. Briggs, which arrived from Boston shortly after three o'clock yesterday afternoon, brought a general cargo and the following passengers: Miss Ella Cain, Miss A. McMillan, Mrs. Fagg, Miss B. A. Briggs, Miss Belle Reed, Mrs. Cunningham and family, Frank Newson, Harold Newson, F. L. Guren, Miss Giron, Miss A. Longwood, Mrs. Mack Kinnon, Miss Kate McKinnon, Annie McKinnon, Miss Sarah A. B. Lugs, Miss Gelia Cain, Miss Maggie Boline, Mrs. A. Finlayson, Mrs. P. King, Miss Christie MacPhee, Miss Annie McMillan, Miss Edith Gallant, Mr. McLeod, D. D. Hugh, T. A. McDonald, Mr. Norton, Mrs. Catherine Stapleton and 7 children, Miss Nellie McDonald, Miss Annie Grant.

NEW HARDWARE STORE.—Messrs. Fennell & Chandler expect to be ready for business in their new premises in the Cameron Block, directly opposite the Post Office, in about three weeks time. They intend doing a general hardware business. As both gentlemen have had the experience necessary to successfully conduct business in this line, we feel confident that they will be successful. Mr. Fennell was for six years a member of the late firm of Norton & Fennell, and for twenty years previous to that was a builder and contractor. These contemplating householding would do well to give the new firm a trial as they would then have a practical man to deal with. Mr. Chandler has served an apprenticeship of twenty years in the business, and is, therefore, well qualified to attend to the wants of our customers. We may need anything in their line. The new firm has the best wishes of THE EXAMINER.

DOMINION PARLIAMENT.

THE RE-DISTRIBUTION BILL

OTTAWA, June 22.—The Redistribution Bill occupied the attention of the House yesterday. On the first sub-section Laurier moved that all sub-sections relating to the Province of Quebec be omitted from the bill. He still held that there should be a conference between the two parties to settle the principles of the bill, not only on this occasion, but on all similar occasions. After speeches by Hon. Messrs. Thompson, Oulmet and others, Laurier's amendment was lost, 57 to 27.

Blake and the Nationalists

NEW YORK, June 22.—When asked his views on the subject of Blake going with the Irish Nationalist party, John Redmond said: "I have no views whatever in the matter." American friends who were with Redmond at the moment were utterly opposed to the idea of a Canadian becoming a Nationalist leader, and apparently being given an Irish seat. Prejudice against Canada seems to be the only motive, as they expressed no reason. No Canadian, they said, would be acceptable to Irish Nationalists in the United States who provides funds for Home Rule.

A Horrible Sight

MONTREAL, June 22.—A gentleman returned from the wreck on the G. T. R., near Hillhurst, says it is a horrible sight. The engine is embedded in a mass of mud and water, and projecting above the surface are the feet of Dale and Small the engineer and express messenger, who have not been released from under the debris. The body of the fireman has not yet been seen. It is believed he is under the engine.

Narrow Escape of Excursionists

SHERBROOKE, June 22.—The bridge at Missawippi Lake on the Boston and Maine Railway gave away yesterday just as the last car of the astward bound passenger train was getting over it. Six hundred excursionists were on board and had an especially narrow escape.

The Presidential Election

CHICAGO, June 22.—Papers nearly all agree and the impression prevails among delegates that Cleveland will be nominated without any material opposition. It is thought Gray, of Indiana, will be elected for Vice-President. The convention will probably conclude its labors on Thursday at the latest.

Suicide

WINNIPEG, June 22.—Arthur Westley, a news agent on the C. P. R., committed suicide at Vancouver.

Weather Bulletin

TORONTO, June 22.—10 a. m. Northerly winds; fair, some local showers or in southern portion thunderstorms.

General Telegraphic News

CHICAGO, Ill., June 20.—Emmons Blaine died at 11.50 o'clock to-day of blood poisoning induced by bowel trouble. The event was a total surprise as it had not been generally known that he was ill. Even his father and mother were unaware of it. Death occurred at the residence of his wife's mother, Mrs. C. H. McCormick, 135 Rush Street, Mr. Blaine having for the last year made his home in Chicago. Mrs. Emmons Blaine and their 2-year-old son, McCormick Blaine, were the only persons present beside Mrs. Cyrus McCormick, young Mrs. Blaine's mother. Mr. Blaine had not been in the best of health since his return from Minneapolis to look after his father's interests there. He was one of the busiest men in the city for the last five days.

DIET, N. S., June 20.—The little sixteen-ton schooner Lizzie G. arrived in port on Saturday morning and reports an exciting experience with a mammoth she whale on this trip to the fishing grounds. Capt. Keane has seen a great many whales during his long sea life, but in size this one knocks all. During the attack the monster got under the vessel and nearly upset her, she succeeding in throwing the vessel partly on her broadside with a portion of the deck under water. At this moment all on board had given up every idea of escaping a watery grave as everything on deck was secured, including the dories.

QUEBEC, June 19.—In place of increasing the jury and the building fund, which would have to be borne by municipalities, the G. O. P. of the executive council, civil service employees and public officials receiving regular salaries will be taxed 2 1/2 per cent. on their salaries, this amount being retained by the province. Professional men will have to pay upon the first judicial day in July of each year or forfeit the right to practice.

PARIS, June 20.—A telegram was received here from a high source in the United States, which says that President Harrison will appoint Chauncey M. Depew Minister to England and Robert T. Lincoln, the present incumbent of the office, will be recalled to fill the position of Secretary of State.

QUEBEC, June 20.—The preliminary investigation into the charge of malfeasance of office against Mercier was concluded this morning. A. Chaboussin, the only witness, swore that the \$14,000 cheque in payment of the Government subsidy to the Montreal and Ottawa railway, was part of the subscription of \$25,000 which he had made to the general election fund for the election of June 19; that the amount was paid C. A. G. Giffon, the treasurer, at Montreal, and the frequent companion of Mr. Laurier, Mr. Mercier, Mr. Laurier and Mr. Giffon, it will be remembered, dined together in Montreal the very day that the Langlais stationery deal was made, by which another large sum was stolen by Mr. Mercier from the Quebec treasury and handed over to Giffon to be spent in Laurier's interest.

TREMENDOUS BARGAINS

IN

Men's, Boys' and Children's Suits.

THE GENERAL REMARKS:

"We see, sure enough, you do better for us when we call to see you than you advertise to do. Your assortment is the largest we have ever seen and your prices the lowest. How are you going to pay your bill when you sell so cheap?"

WE SAY TO OUR CUSTOMERS:

We can afford to sell at those prices because we buy in large quantities for Spot Cash, and we sell so much that we can live on a very small profit, so we thank our customers for being able to sell at the prices we do.

We are boys from the country, and fully understand how hard it is to make a dollar when prices for produce are so low. In asking you to trade with us, we do so because we are sure we can do better for you in CLOTHING and HATS than any Firm in Town.

A Trial Will Convince You that we are indeed THE WONDERFUL CHEAP MEN.
