

# Noise Night at the Forum

This past weekend featured many outstanding happenings in the world of UPEI's sports. The Panther hockey team came up with 2 big wins to vault them into a tie for 3rd place with U de M.

Val Mitchell came up with an outstanding showmanship of hockey by scoring 4 goals and picking up 5 assists in the two games over the weekend.

On Saturday, the Panthers gave Mt. A a lesson on the finer points of putting the puck in the net by defeating them 8 - 4. Val Mitchell and Larry Arsenault both had 2 goals while Lennie Kelly, Wilfred MacDonald, Gary Trainor and Mike Selleck's being the winner in the

At the 3:25 mark of the overtime period, Rookie later in the period to make it 6-4.

Larry Arsenault came up with an outstanding all-round effort while picking up 1 goal.

Wilfred MacDonald played up to his usual form in breaking up many Mt. A. rushes while setting up his teammates on numerous occasions.

Val Mitchell is now 4th in the league in scoring while Lennie Kelly is 9th with Kenny Burton close behind in 11th.

Future games for the panthers are this coming Friday in Mt. A at 4:00 pm and then on to Moncton for a game Saturday at 2:00 pm.

3rd period. In Sunday's 6 - 4 overtime win all the fans in attendance were given their money's worth. Daved Cameron scored his second of the Night to win the game. Kenny Burton rounded off the scoring with only 9 seconds remaining in the game Val Mitchell scored his second goal by brother Bob's shot from the point into the net, to send the game into overtime.

This will be carried live on CIMN. Next Wed. the 9th of Feb., will see Moncton invading the Forum to tangle with the Panthers. This night is going to be NOISE-MAKING NIGHT and according to some reliable sources, I am told that anything goes. That means in the bleachers, but not on the ice.

This past Friday night saw the Panthers Basketball

team humiliate the X-Men 88-72. Ricky Mallard came up with an outstanding shooting performance by scoring 24 pts, with 18 of these coming in the second half. Kappos had 20, while Rowe and High each had 16pts. Kappos High and Mallard all played strong games, rebounding-wise, while Kevin Feighery showed why he is one of the best guards in the league in directing a potent offence.

To us, one of the major factors in the win was Feighery.

The referee's in the game, all-though not superb, did do their job to the best of their abilities and that's all that can be asked.

It's not easy refereeing in a small gym like UPEI's, with 500 fans ready to lynch you for every mistake

In statistics just released, we find Dennis High leading the league in Field Goal%, with a 66.6 avg, while Mark Vickers is shoot

ing 92.86% from the Foul line. Tom Kappos is 5th in scoring with 18.1 points per game, while being 3rd in rebounding with 11.1 avg Dennis High is 4th in rebounding with 11.0 avg per game.

The Panthers next basketball is 7:30 Fri. night at Home against the Men's All-Star Team.

We understand that Coach Heald has decided to have Mark Vickers sit this game out so he can rest his leg and psych up for the big game against the Midgets when Peter Henderson and Dr.J invade the gym to knock off the 7th ranked team in Canada.

The Lady Panthers lost to a tough St. X team 74-50, but at one point in the game, they stormed back, but had the win slip out of their hands. We could not reach Barb Mullaly to get the statistics, but we will try again next week.

Until next week - have a great Carnival !!

Dear Vic: Your worries are over!!! I've solved it!! Go to the things which are free and then save up for the big events you wish to go to. Of course, you can always hang around the Barn and Gym hoping to be picked up for the rest of the Carnival.

Dear Murna: I hear that all good things in life are free. Is this true?

Dear Free: Sure it is!! The best things in life are always free. Happiness, Peace, The Cadre, Sex, etc....

Dear Murna: Funds are low and I am wondering what you believe would be the best idea
