Local and Other Items

NEW HOCKEY RINK.—Ottawa is to have a new hockey rink which will cost \$25,000 to \$30,000. The ice area will be 125 by 85 feet.

CONFESSED HIS GUILT.—A Chicago despatch says: August A. Brecker, the sausage maker who has been under arrest for four weeks on a charge of murdering his wife, has made a full confession. He said that he cut his wife to pieces and burned the remains in a stove. Brecker, when first arrested, admitted killing his wife, but declared he pushed her off Randolph street viaduct into the lake and that she was drowned.

GET ONE.—The Prince Edward Island Magazine is for sale throughout the Island at the following places. Price 5 cents:—
Georgetown—Hon. D. Gordon's.
Summerside—Small & Bearisto's, and D. K. Currie's.
Souris—D. Sutherland's.
Mt. Stewart—Gordon Douglass'.
Montague—F. S. Macdonald's.
Cardigan—L. H. Owen.
Alberton—G. S. Muttart's.
Tignish—J. A. Brennan's.

VALUABLE TREES.—Fifty black walnut trees in Cass county, Mich., were recently sold for \$10,000 cash. These trees have been felled, and will be shipped to British buyers. The largest tree was seven feet in diameter at its base, and will yield lumber worth from \$700 to \$1,000. Of course walnut trees take time to grow, but it is agreeable to think that a man planted a farm with walnut trees, the next owner might live comfortably by selling one a year.

TOOK HER PILL.—Seldom do we hear of those engaged in the work of marrying indulging in a pun during the ceremony, however much they may be tempted by the names of the happy couple, but a Scotch registrar could not lose an opportunity recently afforded him. On a couple presenting themselves it was found that the name of the bridegroom was John Pill. When the registrar reached that part of the ceremony where the bride agrees to take the groom for better or worse, he said, "Clara—do you take this Pill?" To which the bride was heard to respond, "Yes," almost inaudibly.

PASSED AWAY.—At Point Prim on the 14th of February, J. A. McLeod passed away in the 58th year of his age, after a short illness of paralysis. He leaves a wife, three sons and three daughters to mourn the loss of a kind affectionate husband and father. The death of Mr. McLeod is a great shock to all his friends and relatives as he was highly esteemed by all acquaintances. Great sympathy is felt for the sorrowing family as his death was unexpected. One son and two daughters are at present in New York city. Mr. Angus McLeod, of N. Y., who served in the United States army in Cuba during the war, is a son of the deceased.

After the close of the meeting the visitors repaired to the beautiful new home of Bro. D. P. Irving, D. T., where an excellent repast, served in the Misses Irvings usual good style, was partaken of. After singing "Auld Lang Syne" the delighted visitors returned to their homes.

A man's health is the rope which he climbs to success. If he can keep his health, he will go on to success. Yet his health is the very thing he neglects more than anything else. It is easier to keep health than it is to regain it. When a man feels himself running down, when he realizes a loss of vitality and energy, he must call a halt. The strands of his rope are parting rapidly. Dr. Pierce's Golden Medical Discovery has helped thousands of men in just this condition, it makes health, it makes pure, rich blood, it forces out impurities and kills germs. It doesn't make any difference what name you call your trouble by—dyspepsia—kidney disease—rheumatism—consumption—skin disease, the "Golden Medical Discovery" will cure it absolutely. None of these diseases can retain hold on the body when it is full of rich, pure blood.

Send 31 one-cent stamps to cover cost of mailing only, and receive a free copy of Dr. Pierce's Medical Adviser, Address, World's Dispensary Medical Association, Buffalo, N. Y.

How it Was Discovered!

Soap made after old methods, looses dirt but slowly, and Women used to rub clothes briskly between the hands or on a board.

This process went on till one day somebody estimated that clothes received more wear on wash day than on every other day of the week.

Then our soapmaker went to work and after patient study, the richest and best material known in the science of soap making were ingeniously combined, to which was skillfully added a new scientific discovery of marvellous cleansing properties and

ROYAL OAK SOAP

was evolved.

The cheapest, the safest, and purest soap now on the market. No effort or expense has been spared to make it the best.

It Loosens Dirt
It Saves Labor
It Makes Linen as White as Snow, & Woolen as sweet as New Mown Hay.

A TIMELY REVIEW OF

CHOICE EASTER DRESS GOODS

It is high time you ordered that new dress of yours, if you expect to wear it on Easter Sunday. Dressmakers all over town are getting more and more busy every day, and unless you make arrangements soon for the gown you expected to wear on that day you are liable to meet with disappointment.

We have received a large assortment of our New Dress Goods for spring. Having bought them before the rise in price, we are in a position to give you very low prices. The reputation of this store rests entirely upon the proper price level of the merchandise itself, and our promise to sell you better goods for the same money, or the same goods for less money, is not demonstrated to better advantage in any part of the store than here.

SENTNER, McLEOD & CO.

If you are looking for a good frank, Valise or satchel, you can get them here. If we don't mistake you will get the best in Charlottetown.
