STOLEN CAR RECOVERED — A 1950 Ford sedan stolen one week ago from Summerside was recovered yesterday at Indian River. The missing car was found hidden away in a woods. It had been first observed three or four days ago by a man from the area, who, at that time, did not know that it had been stolen. Yesterday he reported the location of the car to the Summerside detachment of the R.C.M.P. who went out and returned the car to Summerside. The keys had been left in the ignition, and apart from a broken ventilator window on the left side of the car, there was no other apparent damage. The car is owned by Mr. James Hudson, of Summerside.—S.

Fund For Gallant Family Closed

Mr. J. F. Arnett, president of the Summerside branch of the Red Cross Society, announced over the weekend that the fund in aid of the family of Alphonse Gallant of St. Charles is now closed.

This family lost their home in a fire on January 22nd, and six of them are still in hospital, but their condition is good.

Mr. Arnett said that the drive here and in their home parish of Egmont Bay had resulted in between four and five thousand dollars being raised. The family is now established in a new home which has also been furnished from funds raised.

Mr. Arnett said that the Red Cross is very appreciative of the fine response received from many organizations and individuals. He said that among the last donations received was one from the Borden Women's Institute of \$133.75 which had been contributed by the citizens of Borden. Donations of ten dollars were also received from the Summerside sub-division, Catholic Women's League and the Canadian Legion at O'Leary. — S.

Britain Moves To Enforce Embargo To China

LONDON, (AP) — Britain acted Monday to reinforce its embargo on the export of strategic goods to Communist China.

The ministry of transport laid before Parliament an order designed to prevent any strategic material from being carried to China from any source in British ships.

The action is an aftermath of an accord reached in Washington by Foreign Secretary Eden and State Secretary Dulles on methods of strengthening the embargo on shipment of strategic material to Red China.

No ship registered in the United Kingdom or colonies of 500 gross tons or more may after March 31 proceed to sea anywhere in the world on a voyage to China or North Korea or between ports in these places except under British licence. Such licence will only be given if the ship does not carry strategic cargo.

Boy Steals More Than 400 Cars

NEW YORK, (AP) — A 16-year-old boy was sentenced to the reformatory Monday after admitting he had stolen more than 400 cars just to go joy-riding.

Brooklyn County Judge Samuel Leibowitz told the boy, Robert Maher:

"You are the champion auto thief in America. That's a great distinction, isn't it? Here you stand before me ready to go to jail, when you should be studying the box scores of the Dodgers."

Replied Robert: "I don't know what comes over me—I just can't stay away from automobiles. It's not that I want to do it—I just do."

Says Beer Taxes Will Pay For The Coronation

LONDON, (AP) — Taxes on the extra beer Britons are expected to quaff during the Coronation should more than pay for the royal event, a British brewery official estimated Monday night.

Nigel Baird, vice-chairman of the Allied Brewery Traders Association said that if Britons repeat their drinking performance of 16 years ago at the coronation of King George VI, more than 50,000,000 extra pints will be downed.

The treasury, which will provide an estimated \$925,000 for Coronation expenses, should collect double that amount in beer taxes, Baird said.

St. Patrick's Play Presented At Summerside

Under the direction of Miss Margaret Wedge the St. Paul's players last night presented the three-act St. Patrick's Play "An Old Man's Mopsey" in St. Paul's Hall, Summerside.

The players were greeted with a capacity house which applauded the young thespians for their splendid work. The cast was composed of a number of veterans and some newcomers but all performed so well that it would be difficult to note the difference in quality of their work.

The play was interspersed with many comedy situations which the players made the most of.

The specialties between the acts were in the true spirit of St. Patrick's Day and much credit is due to the excellent training they received from the Sisters of the Convent in their various songs and dances.

The stage setting, which was most pleasing to the eye, was the work of Mr. Joseph Clark, advertising manager of Smallman's Limited, who gave generously of his time and talent to provide a suitable background for the work of the young actors and actresses.

The stage settings were loaned through the courtesy of Messrs. R. T. Holman Limited and Brace MacKay Co. Ltd., and the Sisters of the Convent are deeply grateful to those firms for the assistance received from them.

The following is the cast of characters: "Katherine Ferrick", Dorothy Sonier.

Allied Pilots Blast Enemy Truck Convoy

SEOUL, (CP) — Allied jet pilots took full advantage of sitting-duck targets Monday after an alert Australian brought a halt to a column of 50 Communist trucks by knocking out the first and last vehicles as they moved along a narrow mountain road in North Korea.

The Australian, Robert Turner, patrolling in his twin-jet Meteor, spotted the convoy winding along the Wonsan-Yangdok road behind the eastern front. The road has steep cliffs on one side and a precipice on the other.

Turner's guns picked off the first and last of the trucks, preventing the whole column from moving either forward or back.

Then he went home to tell the rest of the boys. For the rest of the day Australian and American pilots leisurely popped off the trucks one at a time.

At least 26 trucks were smashed and 75 put out of operation.
