**ANNUAL MEETING - 1958**  
 Good weather and good roads produced a satisfactory attendance of directors at the annual meeting of the Federation on January 10. While the attendance was satisfactory the fact still remains that there were directors absent, directors in some cases who did not make any great effort to attend or who perhaps failed to realize the responsibility of their position. This criticism is, of course, made with complete recognition of the fact that directors of the Federation are serving with no pay and are travelling at their own expense—a public service of pretty high order. The director who undertakes to attend a number of meetings through the year is making very much greater contribution than the \$3.00 membership fee of the individual member.

**Report Shortage Of Funds For Family Service Bureau**

It was announced Thursday by the president, N.W. Lowther, Q.C., that a sharp decrease in voluntary donations has put the Protestant Family Service Bureau in a difficult financial position. The Annual Campaign for funds held in November and December has produced only \$8100.00 with most returns now in. Mr. Lowther indicated that this falls \$4400.00 short of the year's objective of \$12,500.00. It is also \$2400.00 less than was collected in the 1956 campaign, (\$10,500), a decrease of more than 20 per cent. He indicated that unless further revenues could be obtained, the Bureau would be faced with a deficit of between \$4500.00 and \$5000.00 before the next fund-raising campaign.

**SERIOUS SITUATION**

This situation has arisen," he continued, "at a very serious time because of the greatly increased demand for the Bureau's services during the past year and particularly because of the great need that has been created by the unusual, and we hope temporary, unemployment situation which has existed for the past eight months and which now is at its peak."

**Pleads Guilty, Gets Suspended Term For Forgery**

A two-year suspended sentence was imposed upon Theresa Pin- eau, 23, of Mayfield, convicted of unlawfully drawing a document, by Mr. Justice George J. Tweedy, in Supreme Court Thursday morning. Arraigned yesterday, the accused entered a plea of guilty, and the Petit Jury was not called to sit. Counsel for the accused was Mr. R. R. Bell, Q.C., and for the Crown, Mr. John P. Nicholson. The sentence was passed on the condition that the accused along with her husband enter into a recognizance of one thousand dollars to keep the peace for the two year period.

The document in question was a Federal Treasury Department cheque which was issued in the name of the accused's husband. The accused was convicted of having endorsed and cashed the cheque at a store in the New Glasgow district whilst her husband was employed and temporary living elsewhere.

**Permit Passport Photos In Color**

WASHINGTON (CP) — United States citizens will be allowed to have color photos in their passports starting Feb. 1. The state department said the action was taken "because color provides more accurate identification than black and white and because, with color, illegal substitution is more difficult." "Additionally," it said, "color photographs can be more appealing to the individual traveller."

"In our business, during the past 30 years newspapers have become indispensable." So says Orville Johler, vice president merchandising and advertising, Independent Grocers Alliance, reports Advertising Age. "The IGA not only uses newspapers to sell merchandise in its stores, but also uses them to study the reactions of its consumers. One of the most effective selling surveys ever made by IGA food stores was made through advertising columns of the daily press." Concludes Johler: "Any time you want to really get a true reaction from the masses of people — use newspapers. We at IGA have never found their equal."
