TALK ABOUT BLANKETS.—We buy as cheap and sell cheaper than any house in the trade. Look at our prices: New stock white blankets, 60 lbs only, \$3. Higher grades in proportion.—Stanley Bros. n16 31 end

THE WRONG MAN.—An elder of a Halifax south end Presbyterian church recently received a letter from a crook in New York, offering to sell him "green goods" in denominations of from one to twenty dollar notes. He has decided not to accept the offer.

THE HOME RULE FUND.—At a meeting of the Irish party, held at Dublin recently, Mr. Blake, member of parliament for the south division of Longford, read a letter enclosing a check for \$50.00 from the committee of the Irish Home Rule organization at Toronto, Canada.

FROM BOS ON.—The steamer Worcester, Captain Allen, arrived here yesterday afternoon with a large miscellaneous freight and three passengers—Miss McKinnon, Miss McCormack and Mr. Freeman. She will leave on return to Boston to-morrow (Thursday) afternoon at 4 o'clock.

CANADIAN HORSES IN ENGLAND.—Thus far this year 1389 horses, valued at \$214,783, have been exported from England to Canada, against 1,222 valued at \$126,264 in 1891; and only 125, valued at \$17,925 in 1891. There is a large and increasing demand for horses of various kinds in the English market.

SUDDEN DEATH.—A Moncton despatch says: Mrs. Charles P. Henry, a middle aged lady living at Lewis Mountain, near Butternut Ridge, started for church on Sunday, but finding no fire there, went into the house of her sister nearby and died in her chair a few minutes later. Heart failure is supposed to be the cause of death.

LADIES APPRECIATE Anti-Dandruff from the fact that it not only thoroughly removes dandruff with three applications, but stops falling of the hair, restores fading hair to its original color, and makes it soft and pliable without leaving any indication of a dressing being used. Clear as crystal, clean to use, it is a valuable toilet preparation.

VALUABLE COAL FIND.—According to an Amherst despatch, Mr. J. T. Smith struck a seam of coal some 2 1/2 feet thick in his area at Macoon last summer, since which time he has been carrying on boring operations on the area. He has recently, as he believes, struck a mass both in thickness of seam and quality of coal. Mr. Smith intends at once sinking a shaft on the area.

WILL HAVE LAW.—A quarrel between a railway stationer and a farmer named Hughes occurred at Bedford Station on the 5th inst., which Stewart complains resulted in the breaking of several of his ribs. Stewart has sworn out a warrant for the arrest of Hughes, and he was taken in last evening. He gave bail to appear before Henry Smith, J. P., on Monday next at 11 o'clock.

FIRE AT ST. JOHN'S.—A fire at St. John's on Sunday last destroyed the biscuit and to bacco factories of which Hon. Mr. Harvey is head. The loss of \$40,000 is covered by insurance. These buildings were burned at the last great fire, and will now take four months to rebuild.

People who have visited St. John's, N. B., since the big fire, say that it is a hard looking sight, although they report that there do not seem to be many people in need of any of the necessities of life. The captain of the brig, Edward D. now at this port, says that when he was in St. John's about the 5th of October he noticed smoke coming from the ruins in several places.—St. John Sun.

THE CANADIAN ALMANAC.—The 46th annual issue of the "Whittaker" of the Dominion, v. z., Copp's Canadian Almanac for 1893, is to hand. This year a number of special features have been added, a list of the barights and solicitors in Ontario has been included, and a list of the practicing notaries in Quebec. The clergy list has been enlarged and now includes all denominations in the Dominion. The regular departments have been carefully revised and corrected to the latest possible date. In this full and comprehensive almanac one can find almost any fact connected with the commercial, statistical, astronomical, educational, Parliamentary or other intelligence of the Dominion. The publishers are the Copp, Clark Co. (Ltd.), of Toronto.

The obstruction was removed after the summons was served. In giving judgment, the Magistrate said he would not feel bound to impose a \$5 fine for similar infractions of the Act, but would make the fine more or less as warranted by the circumstances of the case. Three drunks were disposed of for fines ranging from \$1 or 4 days to \$2 or 8 days.

ANOTHER PERJURY CASE.—Yesterday a summons was served upon Alexander C. Shaw, of West River, returnable on the 20th inst., before His Honor the Magistrate, before the informant being Alex. S. Hackett, a Justice of the Peace for the Province, for all the purposes of the Fisheries Act and regulations, "falsely, wickedly, wilfully and corruptly" committed perjury. A number of witnesses from the country will be examined.

CHRISTMAS TREE.—The Christmas Tree in St. Joseph's Convent was opened to the public this afternoon, and will be continued to-night and to-morrow afternoon and evening. The Christmas Tree is under the management of the ladies of the Sodality, which is a guarantee that it will be eminently successful. No pains have been spared to please all who attend. The different tables are well stocked, and there will also be the amusements usual on such occasions. All who desire to pass away an evening very pleasantly as well as help along a good cause should make a point of calling at St. Joseph's Convent this evening.

DR. LATHERN'S LECTURE.—It is so to say that his audience would have been much larger last evening if Dr. Lathern had lectured upon a light and popular subject, instead of upon "The English Bible." It was, perhaps, too much to expect a crowd to come to hear about the inspiration of those who wrote the scriptures, or the struggles and sufferings and martyrdom of those who translated them into the vulgar tongue and gave them to the English people—"a priceless heritage." Only the thoughtful few take much interest in the scriptures. Still, there was a goodly number to see and hear Dr. Lathern, and to applaud Dr. H. Johnson when he expressed the thanks of the Epworth League and admitted the debt due to Dr. Lathern by the audience. Mr. Frank Beer occupied the chair.

Mr. Havelock Fyfe is home from Vancouver, visiting his relative and friends here. We are indebted to Captain Allen, of the SS. Worcester, for late Boston papers.

Mr. Geo. H. Reddin, of the firm of Reddin Bros., leaves to-morrow morning on a trip to New York. He will likely not return before Christmas. George has hosts of friends here who will unite with THE EXAMINER in wishing him a pleasant holiday.

Rev. P. A. McLeod, M. A., of Sonva, Ontario, a native of P. E. Island, recently passed examination at Queen's University in all the subjects of the course leading to the degree of Bachelor of Divinity (B. D.) which will accordingly be conferred upon him.

COME AND SEE THE BALL ROLLING

THE STAR TAILORING ESTABLISHMENT

TRADE has commenced to move earlier than usual, and we mean to keep it moving if BARGAINS will do it. As we have decided to run our business, on and after October 1st, for CASH, and CASH ONLY, we have determined to quote prices lower than the lowest to secure the patronage of Cash customers.

We have taken this step after an experience of years in business. We learned that those who pay cash are entitled to the full benefit derived from prompt payments; and as "pay as you go" is the only safe road to travel, we will endeavor to educate public sentiment in favor of that independence of character which is not found in those who prefer credit to paying cash.

As we want money, we also want to give value for your money. We must, therefore, have you come in and see what we can do for you. The LATEST NOVELTIES in our line always on hand.
