

Eden Urges West Ignore Overtures For Conference

By TOM OCHILTREE
LONDON (AP)—Foreign Secretary Eden urged the West Monday to ignore Russian overtures for a European security conference until after a rearmament West Germany takes her place in the Western defence lineup.

After that diplomatic goal has been reached, Eden told the House of Commons, the situation of the Western powers "would not exclude the possibility of further discussions" with Russia.

The foreign secretary said the West must not be thrown off its course toward ratification of the Paris accords by Moscow's proposal Saturday for a 24-nation conference Nov. 29 in Moscow or Paris on "the creation of a system of collective security in Europe."

Clement Attlee, leader of the Labor opposition, agreed that ratification should go forward.

Murder Charge In N. B. Shooting

EDMUNDSTON, N. B. (CP)—Mrs. J. C. Thibodeau, 26, was charged with murder when she appeared briefly Monday before county magistrate A. M. Chamberland. The slight blonde was remanded for a week.

Her husband, a 33-year-old pulpwood cutter, died Nov. 5 of a shotgun wound suffered at his Upper Siegas home. A coroner's jury last Friday found Mrs. Thibodeau responsible for the shooting.

The murder charge was laid following withdrawal of a public mischief charge. The mother of five children was accompanied to court by a nurse and counsel, J. A. Pichette. She had received hospital treatment for "nervous exhaustion" after the shooting.

Court Blocks Cemetery Case

WASHINGTON, (AP)—By a 4-4 tie vote, the Supreme Court Monday blocked a \$180,000 damage suit against the Sioux City, Iowa, cemetery which refused to permit the burial of an American Indian killed in army service in Korea.

The court's action upheld a decision by the Iowa Supreme Court that Mrs. Evelyn Rice, white widow of Sgt. John Rice, had no grounds for suit. The Iowa court said it could not declare void any private contract containing a restrictive covenant.

Mrs. Rice sought to sue the cemetery for "humiliation and mental suffering."

She signed a contract with the Sioux City Memorial Pearl Cemetery for the burial of her husband, but after a graveside service the cemetery notified the widow the body could not be lowered into the grave. This was because a section of the contract said burial was restricted to Caucasians.

Rice later was buried with full military honors in Arlington National Cemetery here.

COMMITTEE TO MEET
MONTREAL (CP)—A committee of the International Air Transport Association will meet at New Delhi, India, Nov. 22, to consider ways to simplify international border-crossing regulations. It was announced Tuesday from IATA headquarters here. About 15 persons from airlines serving all parts of the world will take part in the meetings, designed to recommend simplification of customs, immigration and other controls at international airports.
