

Sugar Ray Is Favorite To Regain Boxing Title

By Jack Hanu

NEW YORK, Sept. 11 (AP)—Sugar Ray Robinson of New York is a 2 to 1 favorite to win back the middleweight boxing title from sturdily Randy Turpin, the pride of Britain, tomorrow night at the Polo Grounds in the hottest international bout since 1938.

Not since Joe Louis annihilated Max Schmeling in their second brawl has a fight incited such transatlantic excitement. Sugar Ray's tremendous upset defeat by the 23-year-old British Negro shocked and thrilled the fans of two continents.

The 15-round rematch is ex-

pected to draw the largest gate ever for a non-heavyweight battle. Some 50,000 are due to beat Robinson to see the man who beat Robinson—until July 10 "the great" fight—er-pounded for pound in the world.

Total receipts may near the \$1,000,000 mark counting the movies and theatre TV. The old middleweight mark of \$422,918 set by Rocky Graziano and Tony Zale in 1947 is already broken with \$425,000 in advance sales.

Fine weather and temperatures near 85 are forecast for tomorrow. If it should rain, the bout would be held Thursday.

The odds favoring Robinson have not shortened appreciably. He opened at 12 to 5, went down to 9 to 5 but now is 2 to 1 in man-to-man betting.

American fans find it difficult to believe that Robinson, even at 31, can be whipped twice in a row by a muscular bullyboy with an awkwardly effective style. After all, Robinson lost only two of 132 fights, knocked out 84 of 128 victims and fought two draws. He never has been knocked out.

Turpin, stopped once by ordinary Jean Stock in 1948 when he injured his hand, has lost two of 44. Until he fought Robinson in London two months ago he never went more than eight rounds. His record shows 29 knockouts in 41 wins, and one draw.

Expert opinion is well divided, largely on nationalities. British writers like Randy 8-2 and American boxing reporters name Robinson 29-12. The pick by this writer is Robinson by a knockout.

CINCINNATI, Sept. 11 (AP)—Mickey Livingston, one-time catcher for the New York Giants, was brought up from Fort Worth of the Texas League today to help drive for the National League pennant. Roy Campanella, Dodger catcher, suffered a hip injury in the game with the Giants Saturday and will be out of action until the end of the week.

Beavers Sign New Goalie

SAINT JOHN, N.B., Sept. 11 (CP)—Saint John Beavers, one of six teams in the expanded Maritime Major Hockey League, tonight announced the signing of Phil Hughes, goalie for Toronto St. Michaels last season.

St. Michael's Ontario Major Hockey Association winners, conquered the Western Canada Major Hockey League champions and were finalists against Valleyfield Braves in the Alexander Cup series.

A product of the lakehead district, the six-foot-three Hughes has been ranked among Canada's top goalies. He is the property of Toronto Maple Leafs.

A Beaver spokesman said the appointment of Hughes to O'Flaherty, former New York Americans star and St. Mike's coach, as Beaver coach and the acquisition of Hughes were only two of many moves to give Saint John its most powerful hockey club in years. Names of other players would be announced as their contracts were received.

Annual Tuna Cup Match Begins Today

WEDGEPORT, N. S., Sept. 11 (CP)—Top-notch anglers from many parts of the globe were on hand in this Acadian village tonight, ready for the 8th international tuna cup match.

A cosmopolitan crew will begin angling at dawn tomorrow in the annual bluefin classic at Soldier's Rip, a tide-tortured strip of water where the mammoth tuna come to play and feed. The contest runs three days.

Chile is the defending champ, having won the Alton B. Sharp Trophy, emblematic of world tuna angling supremacy, here a year ago. The Chileans will defend the mug against teams from the United States, Cuba, the British Empire and a combined squad from Denmark and Sweden.

Cmdr. Duncan Hodgson of the Canadian Navy, who established a record when he beached a 977-pound bluefin last year, is skipper of the Empire team. Other members are from South Africa, Bermuda, Australia and England, as well as Canada.

Signs point to a good—possibly a record—tournament. More than 300 bluefins, nearly double last year's number, have already been landed by rod and reel this season. Their weight ranged up to 800 pounds.

A whopping 932-pounder was landed late today by Harvey Teller of San Francisco.

"Biggest thrill I ever had in my life," said Mr. Teller, after the 50-minute struggle was over. "Up until today I never caught a fish weighing more than 45 pounds."

Veteran guides here believe it is the second largest bluefin ever landed on rod and line, second only to Cmdr. Hodgson's.

Team members are: Chile—Frederico Weissner, captain; Louis Reyes, Carlos Pena, Manuel Pena and Joaquin Edwards, all of Santiago.

Cuba—Casimiro Tallaeche, captain, Pedro Pablo Kohly, Jose I. Macia, Pepin Aizcorbe, Ramon Del Collado and Paco Bonet, all of Havana.

Scandinavia—Arvid Carlander, captain, and Wainer Moerner, Stockholm; Boerje Velandar, Helzingberg, Sweden; Knud Kyvsgaard, John Wahl Asmussen and F. Bleucher-Altona, Copenhagen.

U. S.—Tony Hulman, Jr., Terre Haute, Ind., captain; Robert Beech, West Palm Beach, Fla.; Ben Crowinshield, Ipswich, Mass.; Joseph Gale, New York; Alfred C. Giassell, Houston, Tex.; C. F. Johnson, Hendersonville, N. C.; and John Manning, Beverley Hills, California.

B. E.—Cmdr. Hodgson, Montreal; Tom Wheeler, Toronto; Dr. Edwin R. Coetzee, Montagu, South Africa; James Pearson, Tucker's Town, Bermuda; Bevis C. Walters, Sydney, Australia; Maj. Cyril Frisby, Guilford, England, and Ernest Besey, Shelly Bay, Bermuda.

Big Max Embrett, the Air Force boy who hurled the Curran and Briggs juniors to victory over Charlottetown last Wednesday will be on the mound again today for the western capital juniors in the game following the intermediate clash.

Coach Ev. MacNeil of the Abbies will counter with either left-hander Jackie Burke or right-hander Cliff Ready.

Missing from the Abbies bench today will be "Lefty" MacAler, who has gone on board the icebreaker Saurel. "Lefty" will be out for the remainder of the series. Holman's will play without the services of star rightfielder Gordie MacKay.

Crucial Game Today In Intermediate Series

California Woman In New Channel Record

DOVER, England, Sept. 11 (AP)—Florence Chadwick today became the first woman to swim the icy English Channel from Britain to France. She did it in near-record time and also became the first woman to swim the Channel in both directions.

The 22-year-old San Diego, Calif., mermaid—who last year broke the woman's record from France to Britain—a zig-zagged 35 miles across the calm but largely fog-shrouded Channel in 16 hours and 22 minutes.

This time she missed by only 51 minutes the Britain-to-France record set last year by Tom Blower, 37-year-old Briton. Blower also splashed out from Dover today, planning to try to swim the Channel both ways without stopping.

Miss Chadwick crawled ashore this afternoon at Sangatte, midway between Calais and the jut of French land known as Cap Gris Nez. She promptly got into a boat with her father, Richard Chadwick, and fell asleep on her way back to Dover.

Considerable confusion surrounded her unexpected arrival five miles away from her Cap Gris Nez destination. Crowds waiting at the expected point were stunned when two gendarmes rushed in from Boulogne to investigate reports that "the lady is lost at sea."

Then excited Frenchmen at Sangatte thought Florence was Elna Andersen, a Danish swimmer who hadn't even left Dover.

The slim Miss Chadwick plunged into the Channel at 9:26 P.M. (5:26 P.M. E.D.T.) Monday night at St. Margaret's Bay near Dover. She followed a carefully plotted course to take advantage of changing tides. The cross-flight distance from Dover to Cap Gris Nez is 21 miles.

Miss Chadwick became sick several times before she discovered that fumes from accompanying motor boats were causing her trouble. She was barely panting when she completed what is considered the most difficult swim in the world.

"I had strength to spare," she declared, "and I believe that if I had not had the difficulty with the exhaust I could have got across in something like 13 hours."

More than 200 swimmers have tried the Britain-to-France crossing, but only five have succeeded.

Junior Baseball League Ends Successful Season

The West Prince Suburban Baseball League has just concluded its fourth consecutive year of baseball among the students of the school districts of St. Roch, Tignish Shore, St. Louis and Tignish High School.

During the last two years eight of the players by their excellent work were taken over by the Prince County "B" League and have done remarkable work for the Tignish Aces and the Mimmingsh-Royals. Those transferred were Rodney McInnis, Malcolm McInnis, Leo Richard, Henry Gaudet, Eugene McDonald, Alyre Peters, Lloyd Gaudet and Desmond Callaghan.

The value of this league as a training institution for junior players to eventually fill positions in any adult league when needed, has not only been recognized by the Department of Physical Fitness but by the general public as well.

To have made all this possible, credit is due Mr. W. D. Sumner of Tignish who had the foresight four years ago to promote and organize this league. He has been President since its inception.

Boston Red Sox Keep Pennant Hopes Alive

(By The Canadian Press)

Boston Red Sox were held to three hits Tuesday by Detroit Tigers but Ted Williams kept their flickering pennant hopes alive by lashing a two-run single in the eighth inning for a 4-3 American League victory.

The Tigers totalled eight safeties, including Steve Souchock's 10th homer, while putting on a sensational defensive stand that included a triple play.

While righthander Marlin Stuart was working on a 3-1 lead, he walked the first two Boston batters in the seventh. Then he forced Walt Dropo to line an outside pitch to Johnny Lipon.

Lipon doubled up Clyde Vollmer at second and Gerry Priddy's throw to Don Kolloway caught Billy Goodman off first base to complete the triple killing.

After blowing a six-run lead, Chicago Cubs finished strong to defeat Boston Braves 13-11 in a wild National League scoring marathon.

The Cubs clinched a 33-hit rondo in which 11 pitchers were used with three runs in the Chicago eighth. Hank Sauer opened it by hitting his 27th home run to tie the count, 11-11. Then Bruce Edwards singled and reached second on Sibby Sisti's throwing error. Roy Smalley was purposely passed. Bob Ramazotti then hit a game-winning double which scored Edwards and Smalley.

Interscholastic Track, Field Meet Saturday

The N. B.-P. E. I. intercollegiate football schedule will be opened here on Saturday, October 6 with the Saints opposing Mount A. It was announced here last night by Mr. A. J. MacAdam, Athletic Director at Saint Dunstan's University.

Saints will play their second game of the schedule a week later when they clash with the University of New Brunswick at Fredericton. U. N. B. and St. Dunstan's will play here on Wednesday, October 24.

Saints do not resume studies here until September 18 which does not give them too much time to get into condition. A number of last year's players will be missing from their line-up when they take to the field including stars like Jim Ayers, "Bun" Callaghan, Johnny Cash and Dunstan Murphy.

Following is the intercollegiate football schedule:

Oct. 6: Mt. A. at S.D.U.
Oct. 13: S.D.U. at U.N.B.
Oct. 20: Mt. A. at U.N.B.
Oct. 24: U.N.B. at S.D.U.
Oct. 27: S.D.U. at Mt. A.
Nov. 3: U.N.B. at Mt. A.

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

U. K. Unions Back Government On Rearmament

By SIDNEY WEILAN

BLACKPOOL, England, Sept. 10 (Reuters)—Leaders of Britain's 8,000,000-strong trade union movement swung out against sterility of the government rearmament policy.

But their backing for government economic policy seemed less wholehearted. Demands that the government bring down living costs and jack up taxes on profits carried a clear implication that the trade unions will not help to hold the line unless they are met half way.

Opening the annual conference of the Trades Union Congress here, chairman Alfred Roberts declared in denouncing supporters of Aneurin Bevan—the minister who resigned from the government because he contended rearmament would injure living standards.
