This modern, scientific home-dye which has already superseded all others in Great Britain, on the continent and in Australia is now revolutionizing home-dyeing in Canada and the United States: Its popularity is due to the following points of superiority: It is a soap and dye combined and cannot fly or dust about. It cleanses and dyes at one operation. It dyes equally well all fabrics whether silk, satin, wool or cotton. Being a scientific preparation, its colors are true, even, absolutely fast and unfading. It imparts an appearance of freshness, of newness to the goods and never streaks or crocks them. It may be used with perfect success by anyone without previous experience. Failures are impossible if simple directions are followed.

Those who have used the old fashioned powder dyes will appreciate what the introduction of MAYPOLE SOAP, the modern home-dye, means to the housewife. Where formerly the result of dyeing was attended with grave uncertainty, and often with complete failure, uniform and unvarying success is now assured, if MAYPOLE SOAP be used. Many things about the house one would not wish to risk spoiling may now be treated to a dye bath without any misgivings, furthermore when dyed they will not present that common, dead, re-dyed appearance characteristic of the work of powder dyes. The complete doing away with the mess incident to the use of other forms of dyes is in itself sufficient to popularize MAYPOLE SOAP.

NOTRE DAME DE GRACE,  
June 6th, 1898.  
MESSRS A. P. TIPPET & Co.  
During the last three weeks I have had several dresses as well as other things to dye. I have tried the BLACK of your Maypole Soap, and I must say that the result was beyond my expectation, it is simply beautiful. I have used a good many dyes of other makes, but with none have I attained the same results as with "Maypole." I am highly pleased and will recommend it.  
Yours truly,  
(Signed) MRS. J. S. HOULE.

THE RECTORY,  
WAYS MILLS, QUE., June 4th, 1898.  
MESSRS. A. P. TIPPET & Co.,  
It may interest you to know that my first attempt with MAYPOLE SOAP was a complete success. I had looked for a "streaky" result such as had attended my use of powder dye and was agreeably surprised to find my work turn out a clear, uniform shade, I put in silks, ribbons and wool stuff and dyed all together.  
(Signed) MRS. A. E. WHATHAM.

Easy Enough to Tell.  
Briggs—And so you consider Me-Faker a clever delineator of characters? Griggs—Yes.  
Briggs—And can you readily distinguish his German dialect from his Irish brogue?  
Griggs—Oh, dear, yes. The programme tells when he is going to imitate German-English and when he is going to give us a little Irish brogue.—Boston Transcript.

#### FRIENDS PREVAILED

A Nervous Toronto Woman Walked the Floor During the Night for Hours at a Time—She Makes a Statement.

TORONTO, ONT.—"I was troubled with nervousness. It was impossible for me to keep still and if the spells came over me during the night I had to get up and walk the floor for hours at a time. My blood was very poor and I was subject to bilious attacks. My feet would swell and I was not able to do my own housework. I treated with two of the best physicians here but only received relief for a time. I became discouraged. One day a friend called and advised me to try Hood's Sarsaparilla. I laughed at the advice but I was prevailed upon and procured one bottle. Before I used it all I began to feel better. I took several bottles and also several boxes of Hood's Pills. Now I can eat and drink heartily and sleep soundly. Hood's Sarsaparilla has entirely cured me and also strengthened me so that I now do all my own work. I cheerfully recommend Hood's Sarsaparilla to all sufferers from nervousness, weakness or general debility." MRS. H. F. PARM, Degraess Street.

Hood's Pills cure Liver Ills; easy to take, easy to operate. 25 cents.

Undismayed.  
Counsel for the Defense—Gentlemen, I appeal to you to return this unfortunate to his little home, where a tender, loving wife awaits him, where his little children call him father—  
Judge (interrupting)—I will call the learned counsel's attention to the fact that the accused is unmarried.  
Counsel (undismayed, continuing)—So much the more unfortunate is this poor man, who has no little home, where no tender, loving wife awaits him, where no little children call him father!—Fliegende Blatter.

#### The Good Old Jokes.

Grier—By the way, did I ever tell you that story about the end man and the small boy?  
Frier—No, but several hundred other people have told it to me.  
Grier—Nonsense! Nobody ever heard it before yesterday.  
Frier—Then it isn't worth hearing.—Boston Transcript.

The average attendance at places of worship in England and Wales is computed to be between 10,000,000 and 11,000,000 persons. There is a place of worship for every 500 individuals, taking the country all through, and a stated minister for every 700. About 80,000 sermons are preached every Sunday.

Sir William Harcourt has one quite unique memory of the support he gave in old days to the public worship regulation act. That was an invitation which he received to visit Lord Beaconsfield at Hughenden Manor.

Taking his guest—the member of a family representing the ownership of broad acres—round his minute demesne, Lord Beaconsfield said, "Excuse the vanity of a landed proprietor!" The young politician accompanied his host on Sunday to the village church, and on the way thither was warned that some hints of the high church movement had penetrated even that sylvan solitude. "My friend, the vicar," said the lord of the manor, "will take what I call a collection and he calls an offertory, and afterward what I call a plate and he calls an alms dish will be placed on what I call a table and he calls an altar."—London News.
