98TH BIRTHDAY TODAY
Mrs. Sarah Tamlyn, Summerside's grand old lady, today celebrates her 98th birthday still hale and hearty and enjoying a measure of good health. She still possesses the amazing ability to read the daily newspapers, keeping abreast of the news and retaining her interest in events of the day. She resides with her daughter, Mrs. D. F. MacNeill, the only surviving member of her family, her son James having passed away during the year at North Battleford, Sask. Her wide circle of friends join in extending to this esteemed lady continued good health. - 8

asked about those four Canadian mounties who stood nearby being presented to Princess Margaret and the Queen.

Then the Royal Party inspected the guard, Charles brought up the year. Then he turned back to his father. All the time he didn't stop talking or pointing.

Draws Many Laughs

He drew many laughs from the crowd, especially when he jumped into the air, startled, as the band crashed out the first notes of "God Save The King."

After 10 minutes at the station, the Royal Party drove to Buckingham Palace. There the returning travellers were reunited with the King, who is recovering from his serious lung operation. Queen Mother Mary, and the Princess' daughter, Anne, who will be two in January.

Cheering crowds lined the sidewalks along the two-mile route to the palace. A crowd of about 50,000 outside the palace cheered until Elizabeth and the Duke appeared on a balcony with their children.

They were cheered earlier by more than 500,000 persons at Liverpool when they departed from the Empress of Scotland and drove over a four-mile route for an official welcoming ceremony at Liverpool City Hall. The Liverpool Cathedral's new set of bells was rung for the first time.

London will give its official "welcome home" at a luncheon in the City Guild Hall Monday.

Newlyweds Make Home In P.E. Island

The following is from the Ottawa Citizen of Nov. 15:

On honeymoon in the Maritimes and later in Maine, are newlyweds Mr. and Mrs. Frederick Courtney Maynard, who plan to make their future home in Port Hill, P.E.I.

Rev. G. B. Cunningham heard nuptial vows spoken by the former Miss Lucy Montgomery MacArthur, daughter of Mrs. Herbert MacArthur of Prince Edward Island, and the late Mr. MacArthur, and the son of Mrs. Ernest Birch, Port Hill, and the late Mr. Hugh Maynard.

For the late afternoon ceremony in Port Hill's Presbyterian Church the bride wore a wine-toned velvet dress, matching hat and shoes and carried a nosegay of yellow roses. Gerald MacArthur gave his sister in marriage, Miss Edith E. MacArthur was her sister's only attendant. The groom chose Shelton McKay as best man and Stanley Maynard and Henry Maynard as ushers.

Decorations in the church were evergreens, potted plants and ferns. Mrs. William Birch was vocal soloist.

The new Mr. and Mrs. Maynard received guests at a reception at the Mulberry Lodge at Summerside.

For travelling the bride donned a navy blue topcoat over her wedding ensemble. Among out-of-town guests was Edith MacArthur of Ottawa.

Woman Officer

WEST SECTOR, KOREA, Nov. 18 (CP) - A woman officer, her long, black hair gleaming in the moonlight, led Chinese Communists on an assault of British-held positions Saturday.

Described as wearing a black uniform jacket and trousers, she was in command during the entire attack. The Communists took the objective from the King's Shropshire Light Infantry.

She was all business. In her right hand she carried a pistol.

Scottish Sisters Would Wed Canucks

LONDON, Nov. 18 (CP) - Two Scottish sisters want to know how to go about getting a Canadian husband.

The girls, both in their 20's, wrote to officials of Ontario House in London asking for help.

They said they wanted to get in touch with a "nice gentleman" preferably Canadian, with a view to marriage. They expressed a preference for "strong and healthy men, with reasonable intelligence and a sense of humor."

The girls identified themselves as J. Andrew, 21, and W. Andrew, 23, living at House O'Muir, Milton Bridge, Midlothian, Scotland. They said they have blue eyes and fair complexion.

gun knocked out and two silenced temporarily while Mayhew was there.

At one point Mayhew, who showed keen eyesight and ability to judge distance, spotted a flash in the enemy lines. Before Brig. Rockingham—who hadn't seen it—could answer, the Princess Patricia's had artillery beamed on it.

Mayhew's comment on the position of shell bursts in relation to the flash he saw was echoed seconds later by corrections sent back to the Patricia's guns.

The enemy mortar he had spotted was finally silenced. By the time he got to Brigade Headquarters, the battle barometer had risen sharply and shells were pouring in thick and fast—so fast that Brig. Rockingham suggested the minister stay at the Brigade's rear headquarters.

Unstinted Praise Troops who had never before heard of Mayhew had unstinted praise for the mid-mannered Minister's coolness. "He's the first man I ever saw take the prone position under shell-fire with a drink in his hand and never spill a drop," chuckled Capt. Geoffrey Cory of Vancouver. "He still had it when he got into the staff car eight shells later and drained it before he left."

S'side Anglican W. A. Annual Meeting Held

Mrs. Ray Clark presided over the monthly annual meeting of the W. A. of the Anglican Church, Summerside on Wednesday in St. Mary's Hall. The opening hymn "The Love of Christ Constraineth" was followed by the Scripture lesson in St. Mark 3 and prayers. Mrs. J. R. Murphy presented an outline of the new Study Book on Latin America, after which the president gave an interesting report on a missionary meeting in Epworth Hall when Rev. Hilda Johnson was the guest speaker. The hymn "O God Our Help In Ages Past" was sung in commemoration of Remembrance Day. A gratifying financial report was submitted and eleven visits reported for the month. Mrs. G. Hogg and Mrs. W. F. Strong were appointed on the Visiting Committee. It was announced that the W. A. will hold a Corporate Communion on St. Andrew's Day (November 30). A letter was read by Miss Chadwick, Prayer Partner, who works in Chinese missions in British Columbia. The meeting then adjourned and the annual meeting followed immediately. Opening with prayer the annual reports from the various officers were read. All the officers were re-appointed for the following year, as follows: President, Mrs. Ray Clark; Vice-President, Mrs. J. R. Murphy; Secretary, Mrs. W. F. Strong; Treasurer, Mrs. E. T. Tanton.

Following is the president's report: "Again it is my pleasure and privilege to present my annual report of the work done by our organization during the past year. I feel that in this way we get a full picture of our year and may be a more enthusiastic outlook for the year to come.

"This year, we had a paid-up membership of 22, but I am always sorry to have to report the attendance at meetings is not so good as I'd like. The work we accomplished during the year was astonishing and I feel that if all the meetings, then we could have something for which to be really thankful. Here I want to thank the various officers for their unfailing attendance, faithfulness and help to me.

"Our study for the year was conducted by Mrs. Coles on Religion. This was most interesting to all members, as well as the Quiz Sessions on the work of the W. A., and the church, conducted by Mrs. Murphy. During these study periods we had, from time to time, interesting and timely readings from the newspapers and Living Message.

December, Mrs. Coles, Mrs. Murphy and I attended a meeting of the diocesan educational secretaries at the home of Mrs. George DeBlois and again in October I attended a meeting in St. Paul's W. A. room. These are most helpful in our own study.

"During the year we have had three books from the Lending Library and every one should make a point of reading these books, as in this way we get a broader vision of the mission work of our church. On November 30 we attended our annual corporate communion service. I was glad to see so many members attend the World Day of Prayer service held in the United Church. Mrs. Coles read the prayer for the King and United Nations. Your president was one of the leaders in this service.

"A good parcel was sent to the Rev. Kenys in Scotland for which we received a most grateful reply. In January we lost one of our old members in death, Miss Viola MacKenzie for whom a memorial service was held in February. Her names in the Book of Remembrance during the year: Mrs. Ernest Mills, Mrs. W. B. Mills, Miss Viola MacKenzie, Mrs. Edward Strong and Mrs. Henry Wright.

"In April we had the pleasure of having Rev. Durstan a returned missionary of India speak in the papers and I am sure when we saw the many beautiful pictures he had to show us—some of us wished we could go there too.

"Life Memberships from this branch were presented to Mrs. Hogg at a meeting at Milton. We both are proud and happy to be so honoured. During the year I attended two G.A. meetings led by Mrs. Linkletter. At one of these I presented the membership pins to the girls. The other was the closing meeting. I wish all the members could have been there to see these young girls conduct a meeting, present a program and serve tea.

"Our parish visiting has fallen off this year. 33 visits were made but I really think more visits were made than reported.

"The delegates to the annual meeting in Charlottetown were Mrs. Coles, Mrs. Connell and I. Mrs. Coles brought back a most interesting report of these meetings. The remainder of the report will be dealt with more fully by the other officers, but I'd like to mention some of them. We sent our usual bale to the Indian School as well as a carton of used clothing. We had the tables in our meeting room and kitchen recovered and finished. They give an added appearance to our rooms. Our thanks to Mrs. Coles for her work.

"At Christmas we gave our usual money gifts and sent twenty-five cards to absent and sick members of the parish. During the year we sent a money gift to King's College Missionary Society, to the G. A. Leader and to the Crapaud Church Centre. We held two Pantry sales and two rummage sales; the receipts of which were most gratifying. The members made and gave candy to the Guild ladies for sale at

Interesting School Parade Program

It was one to three classroom night on the Schurman School parade last Friday evening and only schools from that division were heard on the programme. On the talent portion of the programme contestants from the following schools participated in a very delightful and varied programme, Hamilton, Central Bedeque and Springfield. The Central Bedeque School chorus, which numbered about 20 students sang the melodic "The Merry Peasant".

In the interscholastic quiz the Sea View school eked out a win over the Springhill school. The Springhill school led at the end of four rounds of play by a score of 12 to 11 but in the fifth round the Sea View school scored an almost perfect round and won the competition by a final score of 15 to 14.

The only contestant to have a perfect score for the evening was Aiden Dymont of the Springhill school. The Springhill team was composed of Elwood Enman, Eunice Enman, Alfred Frost, Aiden Dymont and Bud Enman.

The winning team had as its members Walter Stewart, Lois Murphy, Rita Murphy, Grace Campbell and Ida Murphy.

The Schurman School Parade is presented by the M. F. Schurman Co. Ltd. as a public service each Friday evening over radio station C.F.R.W. - 5.

Peters-Gallant Wedding

A quiet but pretty wedding was solemnized by Rt. Rev. G. J. MacLellan, V.G. at the parochial house, Summerside, on Saturday afternoon at four o'clock when, Dorothy, daughter of Mr. and Mrs. Max B. Gallant, and Henry Morion Peters, son of the late Mr. and Mrs. Dennis H. Peters of Sydney, N. S., were united in marriage.

The bride was charming in her street-length wedding dress of leaf green silk crepe with matching accessories and she wore a corsage of Queen Elizabeth Yellow roses. Miss Shirley Ann Gallant, her sister's attendant, was attired in shot emerald and black taffeta with white accessories and had a corsage of pink carnations.

Mr. Cyril Lambourn of Charlottetown was groomsmen. Mrs. Gallant chose for her daughter's wedding a dress of black crepe with matching accessories and a corsage of Better Time Roses.

A reception for twenty-two guests was held at Hillcrest Lodge where the toast to the bride was proposed by Mr. Lambourn and responded to by the groom. Centring the candlelight bride's table was an unusually attractive wedding-cake which was in the form of a miniature cathedral complete with spire and cross and descending the steps of the church were a bride and groom.

Mr. and Mrs. Peters left on a honeymoon trip for Sydney, N. S., the bride donning a winter coat of copper brown. On return they will reside in Charlottetown where the groom is on the staff of Pineau's Bakery and the bride is a dental hygienist in the Department of Public Health. The out-of-town guests included, Dr. B. J. O'Meara and Mrs. G. Orser, Mr. and Mrs. Edward Pineau, Mrs. Harry Cadmore, Mrs. Cyril Lambourn, the Misses Annabel Allen, Thelma Reid, Joyce Irvine, and Mr. Clive MacMillan, all of Charlottetown, and Mr. Joey Morris of Sydney, N. S. - 8

The Easter sale was successful beyond all expectations. In this we were assisted by the members of the Guild, who were helped by us at their fall bazaar. One hundred church calendars were sold to the church homes. This really was a splendid sale. A wreath from St. Mary's W. A. was placed by your president at the Remembrance Day service.

"Again I want to thank the officers and members for their help and co-operation during the year. We are sorry some of our members are unable to attend due to illness, but they can be sure our thoughts and prayers are for them."

Respectfully submitted, Olive Clark

The proposed disarmament commission would be empowered to draw up treaties for the "regulation, limitation and balanced reduction of all armed forces and all armaments."

These treaties would then be considered by the international disarmament conference to which non-U. N. members such as Communist China, would be invited. The Western plan puts into a concrete resolution the earlier declaration on the need for step-by-step disarmament and a count of all weapons including the atomic.

Two Fires In Summerside Over Week-end

The Summerside Fire Department responded to two calls during the week-end.

A fire at the home of Earle Maynard, 123 Kirk Street, which started in the basement from an overheated furnace pipe, was discovered by Mr. Maynard about 7:16 last evening. In his efforts to extinguish the fire, he collapsed from smoke and exertion and was taken from the smoke filled cellar by a man who happened to be visiting in the home at the time.

The fire department quickly responded to the alarm and prevented further damage to the house.

The second fire, also caused by an overheated stove pipe, was in the home of Walter Martin, on Notre Dame Street North, about 7:30 A.M. on Saturday. The fire was quickly extinguished. Slight damage was caused to the ceiling.
