It is reported that the citizens residing in the immediate vicinity of the Salvation Army Barracks, Euston Street, are about taking steps to apply to the Court of Chancery for an injunction to restrain the Army from continuing their services as at present conducted. They charge that the Army is nothing less than a nuisance and therefore intend to try to have it abated.

THE general verdict of the smokers of the Myrtle Navy is that it is the finest tobacco they have ever used. There can be no mistake upon this point for it is proved by this tangible evidence. The large demand for this tobacco shows it to be true, and the character of the demand gives further proof. It has never been of the spasmodic kind, up one month and down the next. It has been a sustained and constantly increasing demand. The unsurpassed quality of the tobacco accounts for this.

THE steamer Carroll, Capt. Brown, arrived from Boston last evening with a general cargo and the following passengers: Capt. G. Crowell, Miss E. McKenzie, Eliza Ross, Mr. C. H. Messenger, Miss E. Boyce, Miss J. Boyver, A. McPhee, Mrs. J. Lane, Miss M. Power, Mrs. A. Morrison, Mrs. John Morrison.

The following appears in the Bangor Whig police records of Friday: "Ed. McCrystle, from Prince Edward Island, was up in the morning, and Judge Brett very magnanimously let him go on payment of costs. At noon Officer Dougherty saw McCrystle with a pint bottle of whiskey outside of the lower windows of the station. One fellow in the interior had a tin dipper and was holding it up to the grating of the window while McCrystle had inserted the neck of the bottle through one of the apertures and was treating his inside friend to the beverage. In a very few seconds after he was inside the bars minus his whiskey. He will go up in the court to-day and will probably not get away for costs. Who is this McCrystle, anyhow? The Bangor papers are so addicted to saddling P. E. Island with the production of every vagrant and rough who figures in its law courts that no one believes McCrystle is an Islander. The name is not an Island name."

NOVA SCOTIA ELECTIONS.

A GENERAL SURPRISE

"Repeal" sweeps the Province.

List of Members Elected.

HALIFAX, June 16.

The result of the Nova Scotia elections is a great and general surprise to both parties.

The cry of "Repeal" swept the Province—and more especially those counties bordering on the Atlantic fishing coast—by very large majorities, and even the half of Cape Breton supported the Repealers.

Halifax County gave six hundred majority in favor of Repeal; Lunenburg County, four hundred; Shelburne County, two hundred; Queen's County, probably two hundred; Yarmouth County, one thousand; Digby County, five hundred; Hants County, two hundred; Colchester County, four hundred; Guysboro County, five hundred; Antigonish County, four hundred; and Inverness County, two hundred. The Grits also elected one man each in Cumberland, Pictou, Victoria and King's Counties. The following list shows those who were elected:—

Annapolis—Opposition, Robert J. Ellison, Frank Andrews.

Antigonish—Government, Angus McGillivray McIsaac; Opposition, R. McDonald.

Cape Breton—Opposition, Colin Chisholm, Dr. Mackay.

Colchester—Government, F. A. Laurance, George Clarke.

Cumberland—Government, T. R. Black; Opposition, R. L. Black.

Digby—Government, John S. McNeil, Henry M. Robichau.

Guysboro—Government, O. S. Weeks, J. A. Fraser.

Hants—Government, Dr. Haley, Arch. Fraire.

Inverness—Government, John McKinnon, D. McNeil.

Kings—Government, Leander Rand; Opposition, W. C. Bill.

Lunenburg—Government, Hon. C. E. Church, Geo. A. Ross.

Pictou—Government, Jeffery McCall; Opposition, Adam C. Bell, Robt. Hookin.

Queen's—Government, J. M. Mack, Jos. H. Cook.

Richmond—Government, Chas. Lenoir; Opposition, D. Hearn.

Shelburne—Government, Hon. Thos. Johnson, W. F. McCoy.

Victoria—Government, John A. Fraser, Dr. Bethune, Independent.

Yarmouth—Government, Albert Gayton, Wm. Law.

Halifax—Government, Hon. W. S. Fielding, M. J. Power, Wm. Roche, junr.

The Conservatives carry Annapolis, defeating Attorney General Lngley, and a new man's return to support Repeal Bill in King's Co. R. L. Black in Cumberland, Hearn in Richmond, McKay and Chisholm in Cape Breton, and Dr. Bethune (Independent) in Victoria, are elected.

The Halifax liquor dealers solidly supported the Government candidates, and three-fourths of the Irish vote was also cast for them under the impression that Repeal in Nova Scotia was the same as Home Rule in Ireland.

A Successful Fisher man.

GLOUCESTER, June 14.

The schooner Mayflower has arrived bringing 236 barrels of large mackerel. Capt. McKinnon says they were caught forty miles from the Nova Scotia coast. He reports that a large body of mackerel have gone east. He visited the harbors of Prospect and Liverpool and was treated as usual. No one ordered him from either harbors. At the latter place fishermen came on board and wanted to sell him shad; but he refused to buy as he thought they would inform on him. The Capt. thinks all the large mackerel have gone to the Bay.

The Fisheries Trouble.

WASHINGTON, June 16.

The Cabinet considered the Canadian Fisheries troubles yesterday. It is understood that the Department of State has received advices from Minister Phelps confirmation of the press reports that the English Government is not altogether satisfied with the course pursued by the Dominion authorities in regard to the seizure of American vessels; also that the Department is informed that there is every prospect of a satisfactory adjustment of the pending complications.

A Sorely Afflicted Ship.

YARMOUTH, June 16.

The ship Vancouver, of this port, has arrived at Delaware Breakwater from Rio Janeiro. Captain Aaron Porten and the second mate, Woodworth Landries, both of Yarmouth, died on the passage of yellow fever and were buried at sea. The carpenter and steward died at Rio Janeiro of the same disease previous to the vessel sailing.
